Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On July 18, 2018, Independence Contract Drilling, Inc., a Delaware corporation (the “Company”), Patriot Saratoga Merger Sub, LLC, a Delaware limited liability company and wholly-owned subsidiary of the Company (“Merger Sub”), and Sidewinder Drilling, LLC, a Delaware limited liability company (“Sidewinder”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). Pursuant to the Merger Agreement, the Company will acquire Sidewinder in a transaction in which Merger Sub will merge with and into Sidewinder, with Sidewinder surviving as a wholly-owned subsidiary of the Company (the “Merger”).

Immediately prior to the Merger, Sidewinder’s first lien noteholders will contribute a portion of the first lien notes to Sidewinder in exchange for newly issued Sidewinder Series A Units and Sidewinder’s second lien noteholders will contribute all of the second lien notes to Sidewinder in exchange for newly issued Series A Common Units of Sidewinder (each a “Sidewinder Series A Unit”). Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger, each Series A Unit of Sidewinder issued and outstanding immediately prior to the effective time of the Merger, including the newly issued Series A Common Units described in the immediately preceding sentence, will be converted into the right to receive a pro rata portion of (a) an aggregate of 36,752,657 shares of common stock, par value \$0.01 per share, of the Company (the “Specified Parent Common Stock”) and (b) net proceeds from any sale of specified mechanical drilling rigs during a specified period following the closing (the “Mechanical Rig Net Proceeds”), together with the Specified Parent Common Stock, the “Merger Consideration”). Sidewinder’s outstanding Series C Common Units will be cancelled pursuant to the Merger Agreement without any consideration. The remaining first lien notes of Sidewinder, which will be in an aggregate amount of approximately \$58.5 million, will be paid off by the Company in connection with the Merger.

Consummation of the Merger is subject to customary conditions, including (i) conditions relating to the approval of the Share Issuance (as defined below) and related charter amendment by holders of a majority of the outstanding shares of common stock of the Company entitled to vote at a duly convened meeting (the “Company Stockholder Approval”), (ii) the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and receipt of other required regulatory consents and approvals, (iii) the approval of the listing of the Company common stock to be issued pursuant to the Share Issuance (as defined below) on the New York Stock Exchange and (iv) the companies having not less than \$30 million in pro forma liquidity after giving effect to the closing and certain related transactions. The obligation of each party to consummate the Merger is also conditioned upon the other party’s representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Merger Agreement. The requisite Sidewinder members have delivered a written consent approving the Merger and the Merger Agreement. Accordingly, no additional approvals of Sidewinder members are required in order to consummate the transaction.

The Merger Agreement contains customary representations and warranties of the Company, Merger Sub and Sidewinder. Additionally, the Merger Agreement contains customary pre-closing covenants, including covenants requiring each party to use commercially reasonable best efforts to (i) cause the consummation of the transactions contemplated by the Merger Agreement, (ii) conduct its business in the ordinary course and (iii) refrain from taking certain actions prior to the consummation of the Merger without the other party’s consent. The Merger Agreement also contains a non-solicitation provision that restricts the Company’s ability to take certain actions in respect of, including to solicit or initiate discussions or negotiations with third parties, regarding other proposals to acquire the Company, and the Company has agreed to certain restrictions on its ability to respond to such proposals. In addition, the Merger Agreement requires that the Company covenant to, subject to certain exceptions, recommend that the Company’s

stockholders approve the issuance of the Specified Parent Common Stock.

Pursuant to the Merger Agreement, prior to obtaining the Company Stockholder Approval the Company's board of directors (the "Board") may not, among other things withdraw, amend, modify or qualify in a manner adverse to the Company its recommendation that the Company's stockholders adopt the Company Stockholder Approval, with limited exception, or approve, endorse or recommend any Parent Acquisition Proposal (as defined in the Merger Agreement), subject to complying with notice and other specified conditions.

The Merger Agreement contains specified rights to terminate the Merger Agreement in favor of each of the parties and provides that, in connection with the termination of the Merger Agreement under specified circumstances, the Company will be required to pay Sidewinder a termination fee equal to \$6.0 million (such amount, the "Termination Fee") including (i) a termination in connection with a material breach by the Company of its non-solicitation covenants, (ii) a change in the Board's

recommendation to the Company's stockholders, (ii) a termination in connection with the failure of the Company to include a recommendation in favor of the transaction in the proxy statement to be filed in connection with obtaining the Company Stockholder Approval, (iii) a termination in connection with a material breach by the Company of its representations or covenants in a manner such that the related closing condition in respect of representations or covenants (as applicable) is not satisfied and (iv) a termination that occurs following December 31, 2018 or after the Company Shareholder Approval has not been obtained and prior to such termination a bona fide Parent Acquisition Proposal (as defined in the Merger Agreement) shall have been publicly made (or an intention to make such proposal has been publicly announced), and within 12 months of termination the Company either consummates such a Parent Acquisition Proposal or enters into an agreement contemplating such a proposal. In addition, the Merger Agreement contains expense reimbursement rights in favor of each party in connection with termination under specified circumstances for the bona fide, out of pocket expenses incurred by such party in connection with the transactions contemplated by the Merger Agreement up to a maximum of \$1.0 million, including in favor of Sidewinder if the Company fails to obtain stockholder approval of issuance of the Specified Parent Common Stock or if termination occurs under the specified circumstances described in the immediately preceding sentence.

The foregoing summary description of the Merger Agreement and the transactions contemplated thereby is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

The Merger Agreement has been attached as an exhibit to this Current Report on Form 8-K in order to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about the parties thereto or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties thereto; may be subject to limitations agreed upon by such parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties thereto instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the parties to the Merger Agreement or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the parties thereto.

Stockholders' Agreement

Concurrently with the execution of the Merger Agreement, the Company and certain member parties (the "Member Parties") who will receive Merger Consideration pursuant to the Merger Agreement entered into a stockholders' agreement (the "Stockholders' Agreement"), related to the period following the consummation of the Merger. Such Member Parties include one or more affiliates of MSD Partners, L.P. ("MSD Partners"), a Delaware limited partnership, and one or more affiliates of MSD Capital, L.P. ("MSD Capital"), a Delaware limited partnership (such affiliates of MSD Partners and MSD Capital, "MSD").

Pursuant to the Stockholders' Agreement, immediately following the effective time of the Merger, the Company agreed to take any and all necessary action to cause the Board to be comprised of a total of seven directors, including, consistent with the Merger Agreement, four existing directors of the Company, two designated representatives of an MSD Partners' affiliate, and the new Chief Executive Officer of the Company. After the effective time of the Merger, the Company also agreed, for so long as certain ownership and other conditions are met, to cause to be appointed to the Board two representatives of an MSD Partners' affiliate at least one of which must be, in the good faith determination of the Board or the Governance Committee, an independent director, (ii) the Chief Executive Officer of

the Company immediately following the effective time of the Merger, and (iii) the four other existing directors of the Company. In addition, MSD has agreed to certain limitations on its voting rights, for an agreed upon period of time, in respect of its shares of Company common stock.

Moreover, pursuant to the Stockholders' Agreement, the Member Parties are restricted from transferring any equity securities of the Company, subject to certain permitted exceptions, until the earlier of (i) 180 days after the consummation of the Merger or (ii) 10 days after the filing of Independence's annual report on Form 10-K for the year ended December 31, 2018.

Further, the Company is required to use its commercially reasonable best efforts to file, as soon as practicable, a shelf registration statement under the Securities Act of 1933, as amended (the "Securities Act"), to permit the public resale of all the registrable securities held by the Member Parties and to use its reasonable best efforts to cause such shelf registration statement to be declared effective as promptly as practicable within 180 days of the consummation of the Merger.

The foregoing summary description of the Stockholders' Agreement and the transactions contemplated thereby is subject to and qualified in its entirety by reference to the Stockholders' Agreement, a copy of which is attached hereto as Exhibit 10.1 and the terms of which are incorporated herein by reference.

Voting and Support Agreement

Concurrently with the execution of the Merger Agreement, each of the Company's directors and executive officers and their affiliates entered into a voting and support agreement with the Company (the "Voting Agreement"). The Company's stockholders who are subject to the Voting Agreement have, among other things, agreed to vote the shares of the Company's common stock held by each such stockholder (1) in favor of the issuance of the shares of the Company's common stock pursuant to the Merger Agreement (the "Share Issuance"), (2) in favor of any proposal to adjourn or postpone any such meeting of the stockholders of the Company to a later date if there are not sufficient votes to approve the Share Issuance, (3) in favor of the proposals, including the Share Issuance, set forth in the Company's proxy statement to be filed with the SEC relating to the Merger, and (4) against certain other specified actions (including any Parent Acquisition Proposal (as such term is defined in the Merger Agreement)).

Based on our common stock outstanding on July 18, 2018, approximately 11% of the outstanding shares of our common stock are subject to the Voting Agreement.

The foregoing summary description of the Voting Agreement and the transactions contemplated thereby is subject to and qualified in its entirety by reference to the Voting Agreement, a copy of which is attached hereto as Exhibit 10.2 and the terms of which are incorporated herein by reference.

Debt Commitment Letters

In connection with the Merger, the Company has entered into a commitment letter with MSD Partners (the "Term Loan Commitment Letter"). Pursuant to the Term Loan Commitment Letter, the Company has received commitments for (a) a senior secured term loan facility in an aggregate principal amount of up to \$130.0 million (the "Term Loan Facility") and (b) a delayed draw term loan facility in an aggregate principal amount of up to \$15.0 million (the "DDTL Facility", and together with the Term Loan Facility, the "Term Facilities"), with the proceeds of the Term Loan Facility being used by the Company to repay outstanding indebtedness of Sidewinder and of the Company as of the closing of the Merger. The Term Facilities will be a no-amortization loan with a maturity date five years after the execution date. The Term Facilities will be secured by a first priority lien on collateral (the "Term Priority Collateral") other than accounts receivable, deposit accounts and other related collateral pledged as first priority collateral ("Priority Collateral") under the New ABL Credit Facility (defined below) and a second priority lien on such Priority Collateral. In addition, the Company has entered into a commitment letter with Wells Fargo, National Association (the "ABL Commitment Letter") with respect to a revolving senior secured credit facility (the "New ABL Credit Facility"). Pursuant to the New ABL Credit Facility, the Company has commitments for borrowing capacity of up to \$40.0 million, including availability for letters of credit in an aggregate amount at any time outstanding not to exceed \$7.5 million. Availability under the New ABL Credit Facility will be subject to a borrowing base determined based on 85% of the net amount of eligible accounts of the Company, minus reserves. The New ABL Credit Facility will be secured by a first priority lien on Priority Collateral, which will include all accounts receivable and deposit accounts, and a second priority lien on the Term Priority Collateral.
