Report of Independent Registered Public Accounting Firm

We have audited the accompanying statements of net assets available for benefits of The Coca-Cola Company Thrift & Investment Plan (the "Plan") as of December 31, 2005 and 2004 and the related statement of changes in net assets available for benefits for the year then ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004 and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE COCA-COLA COMPANY THRIFT & INVESTMENT PLAN

Notes to Financial Statements
December 31, 2005 and 2004

Note 1 - Description of Plan

The following description of The Coca-Cola Company Thrift & Investment Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was originally adopted effective July 1, 1960 and was restated most recently effective January 1, 1999. The Plan is a defined contribution pension plan covering a majority of the domestic employees of The Coca-Cola Company and its participating subsidiaries (the “Company”), with the exception of employees represented by bargaining units which have not negotiated coverage and others listed in the Plan document. Eligible employees may begin participating in the Plan upon hire with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The trustee of the Plan is the Merrill Lynch Trust Company (the “Trustee”).

Contributions

The election to contribute to the Plan by employees (“Participants”) is voluntary. Participant contributions are in the form of payroll deductions with the Company currently making a matching contribution equal to 100% of the first 3% of compensation contributed by a Participant each payroll period, subject to certain limitations imposed by the Internal Revenue Code (the “Code”).

Participants may contribute to the Plan with “Before-Tax” dollars and/or “After-Tax” dollars. “Before-Tax” contributions are not subject to current federal income taxes but are subject to Federal Insurance Contributions Act (“FICA”) taxes. “Before-Tax” and “After-Tax” contributions are limited in total to 25% of compensation, subject to certain limitations. For 2005, the maximum “Before-Tax” annual contribution amount under the Code was \$14,000.

Participants who are age 50 or older by the end of the year may make additional “Catch-Up” contributions with “Before-Tax” dollars provided certain Plan or Internal Revenue Service limits have been met. For 2005, the maximum “Catch-Up” contribution amount was \$4,000.

All contributions are paid to the Trustee and are invested as directed by Participants and the Company. Participants may direct their contributions into money market funds, common stock of The Coca-Cola Company and collective trust funds and mutual funds with various investment objectives and strategies.

THE COCA-COLA COMPANY THRIFT & INVESTMENT PLAN

Notes to Financial Statements (Continued)

Note 1 - Description of Plan (Continued)

All Company matching contributions are invested in common stock of The Coca-Cola Company. Participants who are age 53 or older may redirect Company contributions into other investment options under the Plan.

Participants are allowed to roll over account balances from a previous employer's tax-qualified retirement plan or Individual Retirement Accounts into the Plan.

Vesting

Participants who were hired before April 1, 2002 are immediately vested in their salary deferral contributions, Company matching contributions and related earnings. Participants who are hired after March 31, 2002 are immediately vested in their salary deferral contributions and related earnings, while vesting in Company matching contributions is based on a graduated schedule over a three-year period as follows: 33% after one year of service, 67% after two years of service and 100% after three years of service. Forfeited amounts are generally used to reduce employer contributions or pay administrative expenses of the Plan.

Valuation of Participant Accounts

Participant account balances are valued based upon the number of shares of each investment credited to Participant accounts. Shares are revalued on a daily basis to reflect earnings and other transactions. Shares of common stock of The Coca-Cola Company are revalued on a daily basis to reflect changes in fair value. Participant accounts are updated on a daily basis to reflect transactions affecting account balances.

Participant Loans

Participants may borrow from their account balances subject to certain limitations. Participant loans may be taken from a combination of "Before-Tax," "After-Tax," and "Rollover" account balances.

The following applies to Participant loans:

- (a) The maximum amount that a Participant may borrow is the lesser of 50% of their account balance or \$50,000. The \$50,000 maximum is reduced by the Participant's highest outstanding loan balance on any loans during the preceding 12 months.
- (b) The minimum loan amount is \$1,000.

Notes to Financial Statements (Continued)

Note 1 - Description of Plan (Continued)

Participant Loans (Continued)

- (c) The loan interest rate is the prime rate as published in *The Wall Street Journal* on the business day prior to the day the loan is requested.
- (d) The loan repayment period is limited to five years for a general purpose loan and 15 years for a loan used to purchase or build a principal residence.

Employee Stock Ownership Plan

The portion of the Plan invested in common stock of The Coca-Cola Company is designated as an employee stock ownership plan ("ESOP") within the meaning of Code Section 4975(e)(7). Participants invested in common stock of The Coca-Cola Company may elect to receive their entire dividend amount as a cash payment made directly to them rather than have the dividend amount reinvested in their Plan account. The total amount of dividends paid directly to Participants making this election was \$1,747,774 during 2005. These dividends are included in Dividend income and Distributions to Participants on the Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Upon retirement, termination or disability, Participants may elect to receive payment from the Plan in a lump-sum distribution, installments or in partial payments (a portion paid in a lump sum, and the remainder paid later). Participants may elect in-service distributions from After-Tax account balances or distributions from all vested accounts after attaining age 59½.

Administration

The Plan is administered by The Coca-Cola Company Benefits Committee (the "Committee") which, as administrator, has substantial control of and discretion over the administration of the Plan.

Plan Termination

The Company expects the Plan to be continued indefinitely but reserves the right to terminate the Plan or to discontinue its contributions to the Plan at any time, by written approval from the Committee. In the event of termination, the Committee may either:

- (a) continue the trust for as long as it considers advisable, or
- (b) terminate the trust, pay all expenses from the trust fund, and direct the payment of Participant account balances, either in the form of lump-sum distributions, installment payments, or any other form selected by the Committee.

Notes to Financial Statements (Continued)

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Valuation of Investments

Money market funds are stated at fair value, which approximates cost. The investments in common stock of The Coca-Cola Company and the mutual funds are stated at fair value based upon quoted prices in active markets at the last reported sales price on the last business day of the Plan year. Investments in collective trust funds are stated at fair value, based on quoted redemption values determined by the investment managers. Participant loans are valued based upon remaining unpaid principal balance plus any accrued but unpaid interest.

Administrative expenses

Certain administrative expenses were paid by the Plan, as permitted by the Plan Document. All other administrative expenses were paid by the Company.

Notes to Financial Statements (Continued)

Note 5 - Transactions with Party-in-Interest (Continued)

The Plan's investments in the Retirement Preservation Trust, Government Fund, Small Cap Index Fund, Aggregate Bond Index Fund, International Index Fund, Basic Value Fund, Value Opportunities Fund, Fundamental Growth Fund, Long-Term Growth Fund, All-Equity Fund, Growth and Income Fund, and Cash Management Account are managed by Merrill Lynch Investment Managers. Merrill Lynch Investment Managers is an affiliate of the Trustee, and, therefore, the transactions in these funds qualify as party-in-interest.

Note 6 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participant account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated March 25, 2003, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan was amended subsequent to receipt of the determination letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Committee and the Company's tax counsel believe the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan, as amended, is qualified and the related trust is tax exempt.
