REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Executive Compensation and Employee Benefits Committee and Participants of Haverty Furniture Companies, Inc. Thrift Plan

We audited the accompanying statements of net assets available for benefits of Haverty Furniture Companies, Inc. Thrift Plan (the "Plan") as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the 2005 financial statements referred to

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form 11-K

above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in its net assets available for benefits for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2005, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
December 31, 2005 and 2004

1. DESCRIPTION OF THE PLAN

The Haverty Furniture Companies, Inc. Thrift Plan (the "Plan") is sponsored by Haverty Furniture Companies, Inc. (the "Company" and "Plan Sponsor"). The Plan is a "qualified cash or deferred arrangement" plan under Section 401(k) of the Internal Revenue Code (the "Code"). The following description of the Plan provides only general information. Further information about the Plan is contained in the Plan document, copies of which are available at the Company's Human Resources office.

Effective May 1, 2004, Fiserv Trust Corporation maintains the Plan's assets under the terms of a trust agreement. Swerdlin & Company provides record keeping services to the Plan.

Eligibility

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form 11-K

Company employees become eligible for participation in the Plan after they attain 21 years of age and complete 60 days of continuous, active employment. Plan entry dates are the first day of each month. An employee who is included in a unit of employees covered by a collective bargaining agreement is excluded from participating in the Plan unless provided in the written agreement.

Contributions

Eligible employees are automatically enrolled into the Plan and pre-tax contributions are withheld at 2% of eligible compensation unless the employee elects not to contribute to the Plan. Eligible employees may elect to defer up to 80% of their compensation through payroll deductions, subject to statutory limitations. Participants age 50 and older may make additional catch-up contributions to the Plan.

The Company matches employee contributions at the rate of 50% for all contributions up to and including 2%, and 25% for all contributions between 3% and 6% of each participant's annual compensation. Additional amounts may be contributed at the option of the Company's Board of Directors. No such additional amounts were elected to be contributed in 2005 or 2004. The Company's matching contributions will be allocated to the participant's directed accounts.

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. The Company currently offers a money market fund, seven mutual funds, and the Company's common stock via the Haverty Unitized Stock Fund. Participants may change their investment options on a daily basis. Each participant's account is credited with the participant's contributions, rollovers, the Company's contribution, and earnings on the investments in their account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

There are restrictions on purchases of Haverty Furniture Companies, Inc. common stock through the Plan via the Haverty Unitized Stock Fund (the "Fund"). The restrictions are as follows: 1) A maximum of one purchase transaction is allowed each thirty-day period; 2) Sell transactions are allowed each day, but sales out of the Fund may not exceed \$50,000 in a single day; 3) The Fund cannot exceed 30% of a participant's total account balance, or a maximum of \$50,000; and 4) Section 16 reporting officers and regional managers are prohibited from investing in the Fund.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts plus actual earnings thereon is based on the number of years of service with the Company. The vesting schedule is as follows:

Years of Service	Percentage of Contributions Vested
Less than 2 years	0%
2	40%
3	60%
4	80%
5	100%

Forfeitures of employer contributions are used to offset employer matching contributions for the same and/or future Plan years. Forfeited non-vested amounts of approximately \$99,790 and \$92,600 were used to reduce employer contributions during the years ended December 31, 2005 and 2004, respectively.

Participants are eligible to receive hardship withdrawals when certain conditions are met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

Edgar Filing: HAVERTY FURNITURE COMPANIES INC - Form 11-K

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates, and such differences may be material to the financial statements.

Contributions

Contributions are considered payable to the Plan upon the withholding of such contributions from the participant's paycheck.

Investment Valuation

The Plan's investments in mutual funds and money market funds are stated at fair value based on quoted market prices. The Haverty Unitized Stock Fund consists of a 95% Haverty's stock position ("HVT") and a 5% money market position. Each day the value of the portfolio is determined by the sum of the closing price of HVT multiplied by the number of shares held plus the value of the money market position as well as any accrued interest.
