Item 1.01 Entry into a Material Definitive Agreement.

On October 25, 2015, Diebold, Incorporated (“Diebold”) and certain of its affiliates, entered into a definitive Asset Purchase Agreement (the “Purchase Agreement”) with a wholly owned subsidiary of Securitas AB (“Securitas Electronic Security”) to divest Diebold’s electronic security business located in the United States and Canada for an aggregate purchase price of approximately \$350 million in cash, \$35 million of which is contingent and payable over a twelve-month period beginning at closing based on the successful transition of certain customer relationships.

The closing purchase price is subject to a customary working capital adjustment. The Purchase Agreement provides for customary representations, warranties, covenants and agreements, including, among others, that each party will use commercially reasonable efforts to complete the transaction expeditiously.

The closing of the transaction is expected to occur in the first quarter of 2016 subject to the expiration or termination of any waiting period under certain antitrust filings and the satisfaction or waiver of other customary closing conditions.

Diebold has also agreed to provide certain transition services to Securitas Electronic Security after the closing, including providing the Securitas Electronic Security a \$6 million credit for such services.

Item 8.01 Other Events.

On October 25, 2015, Diebold issued a press release announcing the signing of the Purchase Agreement. A copy of this press release is attached to this Report as Exhibit 99.1 and is incorporated herein by reference.
