#### Item 2.05 Costs Associated with Exit or Disposal Activities

On May 21, 2008, AMR Corporation (the "Company") issued a press release announcing capacity reductions and related matters as described in the press release. The Company made its determination to implement these capacity reductions in light of unprecedented high fuel costs and the other challenges facing the industry.

In connection with these capacity reductions, the Company anticipates that it will record non-cash accounting charges, including aircraft impairments and impairments to certain related long-lived assets, and other disposal and associated costs. The Company is not able at this time to estimate the amount and timing of these charges.

Item 2.06 Material Impairments

The information set forth in Item 2.05 of this Current Report on Form 8-K is incorporated by reference into this Item 2.06.
