Set forth below is a letter to stockholders of Northern States Financial Corporation in connection with the proposed merger between First Midwest Bancorp, Inc. and Northern States Financial Corporation.

June 11, 2018

Dear Fellow Stockholder:

I am pleased to inform you about some great news for our company. A press release was issued last Thursday announcing that we have entered into a definitive agreement to merge Northern States Financial Corporation (“Northern States”) with First Midwest Bancorp, Inc. (“First Midwest”). In addition, NorStates Bank will merge with First Midwest Bank. A copy of the press release is attached.

Under the terms of the merger agreement, which was unanimously approved by the boards of directors of each company, the stockholders of Northern States will receive consideration consisting of First Midwest common stock. The number of shares of First Midwest common stock you will receive for each share of your Northern States common stock will be based on a fixed exchange ratio determined by reference to the 20-day volume weighted average stock price of First Midwest on the fifth trading day prior to closing. Based on the 20-day volume weighted average stock price of First Midwest of \$26.04 on June 6, 2018, you would receive 0.0369 shares of First Midwest common stock for each share of your Northern States common stock. The exchange ratio is subject to adjustment as set forth in the merger agreement. The final value you receive upon closing of the merger will fluctuate depending on any changes to First Midwest’s stock price.

A complete description of the transaction, including additional details regarding the calculation of the merger consideration, will be provided in proxy materials that will be sent to you in a few months. A special meeting of Northern States stockholders will be held following the delivery of the proxy materials where we will seek your approval of the transaction.

You should know that First Midwest is a high quality, well-managed and financially sound company. We share similar philosophies, including an unparalleled commitment to relationship banking, serving as a trusted financial advisor to our customers and helping our communities thrive. First Midwest has been providing banking services for over 75 years and has long-standing, deep roots not only in Waukegan and Lake County but also in the greater

Chicagoland area.

Importantly, for you as a stockholder, you will have the advantage of receiving First Midwest's stock, which has traded on Nasdaq for 35 years under the symbol FMBI. As such, it provides you with the liquidity of a publicly traded stock and one that has paid a dividend every quarter since it was founded – First Midwest's quarterly cash dividend currently stands at \$0.11 per share. This is truly an exciting time for Northern States as we partner with First Midwest.

Please free feel to contact me with any questions you may have regarding this partnership and, as always, thank you for your continued support.

Sincerely,

/s/ ALLAN J. JACOBS

Allan J. Jacobs

Chairman of the Board
