#### Validity of the Notes

In the opinion of Hogan Lovells US LLP, as counsel to the Company, when

the notes offered by this pricing supplement have been executed and issued by

the Company and authenticated by the trustee pursuant to the indenture, and

delivered against payment as contemplated herein, such notes will constitute

valid and binding obligations of the Company, subject to bankruptcy,

insolvency, reorganization, receivership, moratorium and other laws affecting

creditors? rights (including, without limitation, the effect of statutory and

other law regarding fraudulent conveyances, fraudulent transfers and

preferential transfers), and by the exercise of judicial discretion and the

application of principles of equity, good faith, fair dealing, reasonableness,

conscionability and materiality (regardless of whether the applicable

agreements are considered in a proceeding in equity or at law).

This opinion is based as to matters of law solely on applicable provisions of

the following, as currently in effect: (i) the District of Columbia Cooperative

Association Act, as amended (the ?Cooperative Association Act?) and (ii) the

laws of the State of New York (but not including any laws, statutes.

ordinances, administrative decisions, rules or regulations of any political

subdivision below the state level). In addition, this opinion is subject to

customary assumptions about the trustee?s authorization, execution and

delivery of the indenture and its authentication of the notes and the validity,

binding nature and enforceability of the indenture with respect to the trustee,

all as stated in the letter of such counsel dated November 10, 2014, which has

been filed as an exhibit to a Current Report on Form 8-K by the Company on

November 10, 2014.
