Mr. Hickox' environmental policy experience also includes two years as an alternate member of the California Coastal Commission; seven years as Special Assistant of Environmental Affairs for California Governor Edmund G. Committee to fill the vacancy created by the resignation, effective July 31, 2006, of Mr. Murray H. Hutchison as a member of such Committee. As previously reported by the Company, Mr. Hutchison tendered his resignation solely due to his service on the audit committee of a New York Stock Exchange listed company which prohibits members of its audit committee from serving on more than two other audit committees. Mr. Hutchison remains a member of the Company's Board of Directors and of its Compensation and Corporate Governance & Nominating committees.

As also previously disclosed by the Company, as a result of Mr. Hutchison's resignation from the Audit Committee, the Company did not comply with the provisions of Nasdaq Rule 4350(d)(2)(A), which requires that the Company have and continue to have an audit committee comprised of at least three members. By appointing Mr. Hickox to the Audit Committee, the Company has satisfied the requirements of this rule within the time limits prescribed by Nasdaq Rule 4350(d)(4)(B), which required the Company to fill the vacant position on the audit Committee by the earlier of its next annual shareholder meeting or July 31, 2007.

Mr. Hickox was also appointed as an additional member of the Company's Compensation Committee and the Company's Corporate Governance & Nominating Committee.
