NOTES TO FINANCIAL STATEMENTS (Dollars in Thousands)

1. Plan Description - The SBC Savings Plan (Plan) was established by SBC Communications Inc. (Company) to provide a convenient way for eligible employees to save for retirement on a regular basis. The following description of the Plan provides only general information. The Plan has provisions covering participant eligibility, participant allotments from pay, participant withdrawal, participant loans, employer contributions and related vesting of contributions and Plan expenses. The Plan's text and prospectus include complete descriptions of these and other Plan provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As a result of the November 2001 merger of SBC and Prodigy Communications Corporation (Prodigy), the Prodigy Savings Plan for Salaried Employees (Prodigy Plan) merged into the Plan effective April 2003. With the merger, all assets of the Prodigy Plan, approximately \$28,682 were either transferred to the Plan through in-kind securities transfers or sold and the cash transferred to the Plan.

In 2000, SBC entered into the Cingular Wireless (Cingular) joint venture agreement with BellSouth. As a result of this agreement, certain SBC employees were leased to Cingular. In December 2002, these employees became Cingular employees. During 2003 the Plan transferred approximately \$54 to State Street Bank related to those former employees who became employees of Cingular.

Participants can invest their contributions in one or more of the following funds in 1% increments: the SBC Shares Fund, the Bond Fund, the Large Cap Stock Fund, the Interest Income Fund, the Asset Allocation Fund, the Global Equity Fund, the Mid and Small Cap Stock Fund and the International Stock Fund.

Company matching contributions are made solely in the form of shares of SBC's common stock held in the Employee Stock Ownership Plan (ESOP) which is a separate investment account of this Plan.

Dividends on shares in the SBC Shares Fund and the ESOP can either be reinvested in the SBC Shares Fund on a quarterly basis, or paid into a separate fund known as a Dividend Fund Account (DFA) for distribution at the end of the year. Interest earned on dividends held in the DFA will be paid into the SBC Shares Fund. In 2003, Plan participants elected to receive \$29,133 in dividend distributions. This amount is reflected in the distributions on the statement of changes in net assets.

Although it has not expressed any intent to do so, SBC has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, subject to the conditions set forth by ERISA, the account balances of all participants shall be 100% vested.

2. Accounting Policies - The values of investments are determined as follows: SBC common shares at the closing price as reported on the New York Stock Exchange; contracts with insurance companies and financial institutions at principal plus reinvested interest which approximates fair value; trust funds at values obtained from fund managers; and temporary cash investments at cost which approximates fair value. Purchases and sales of securities are reflected as of the trade date. Dividend income is recognized on the ex-dividend date. Interest earned on investments is recognized on the accrual basis.

The accompanying financial statements were prepared in conformity with accounting principles generally accepted in the United States, which require management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments - Investments representing 5% or more of Plan net assets at either December 31,

Total	\$	386,253
		=====

The Interest Income Fund consists of contracts with various financial institutions and insurers that promise to repay principal plus accrued income at contract maturity, subject to the credit of the issuer. Interest crediting rates are generally established when the contract is purchased and periodically reset. For the years ended December 31, 2003 and 2002, the average interest rates on these contracts were 4.71% and 5.59%. At December 31, 2003, the fixed crediting interest rates on these contracts ranged from 3.51% to 7.97%. At December 31, 2002, the fixed crediting interest rates on these contracts ranged from 2.83% to 7.65%. No valuation reserves were recorded to adjust contract values at December 31, 2003 or 2002.

The Interest Income Fund invests in both guaranteed investment contracts (GICs) and synthetic guaranteed investment contracts (SICs). SICs differ from GICs in that the assets supporting the SICs are owned by the issuer or insurance company issues a wrapper contract that allows participant directed transactions to be based on contract value. Wrapper contracts are valued as the difference between the fair value of the underlying assets and the contract value. The assets supporting the GICs and SICs generally consist of high quality fixed income securities with a fair value of \$1,178,302 at December 31, 2003 and \$1,169,543 at December 31, 2002.

The Plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of these securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

5. Tax Status - The Plan has received a determination letter from the Internal Revenue Service March 18, 2004, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to conform with the IRC to maintain its qualification. The plan sponsor has indicated that it will take necessary steps, if any, to maintain the Plan's qualified status.
