PROXY STATEMENT

Time and Place of the Meeting

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders (the "Annual Meeting") of Chemung Financial Corporation ("Chemung Financial" or "Corporation") to be held on Thursday, May 20, 2004 at 1:00 P.M., at the Holiday Inn Elmira - Riverview, 760 East Water Street, Elmira, New York.

This Proxy Statement and the accompanying Proxy and Notice of Annual Meeting of Shareholders are being mailed to shareholders on or about April 9, 2004. In the proxy statement, the "Bank" refers to Chemung Canal Trust Company, Chemung Financial's subsidiary bank.

Shareholders Entitled to Vote

The record date for the meeting is March 26, 2004. Only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting.

Edgar Filing: CHEMUNG FINANCIAL CORP - Form DEF 14A

On record date there were 3,724,692 shares of common stock outstanding. Each share of common stock is entitled to one vote on each matter that properly comes before the meeting.

Proxies and Voting Procedures

Each proxy submitted will be voted as directed. However, if a proxy does not specify how it is to be voted, it will be voted as the Board recommends -that is, FOR the election of the four nominees for director named in the proxy statement. Abstentions are voted neither "for" nor "against," but are counted in the determination of a quorum. The Board of Directors knows of no other business to be brought before the Annual Meeting but if any other matters are properly presented at the meeting for consideration, the persons named as proxies will have discretion to vote on those matters according to their best judgment.

We are offering three alternative ways to vote your shares:

To Vote by Mail

- To vote by mail please sign, date and mail your proxy card in the envelope provided as soon as possible.

To Vote by Telephone

- If you wish to vote by telephone, call toll-free 1-800-776-9437 and follow the instructions. Have your proxy card available when you call.

The deadline for telephone and Internet voting is 11:59 p.m. Eastern Daylight Savings Time on May 19, 2004.

A shareholder may revoke a proxy vote at any time before it is voted by delivering written notice of revocation to the Secretary of Chemung Financial Corporation or by delivering a later dated proxy or by voting in person at the annual meeting.

Required Vote

There are no cumulative voting rights. Nominees for director will be elected by a plurality of votes cast at the Annual Meeting by holders of common stock present in person or represented by proxy and entitled to vote on such election. Any other matter requires the affirmative vote of a majority of the votes cast at the meeting, except as otherwise provided in the Corporation's Certificate of Incorporation or Bylaws. Only shares affirmatively voted in favor of a nominee will be counted toward the achievement of a plurality. Votes withheld (including broker non-votes) and abstentions are counted as present for the purpose of determining a quorum but are not counted as votes cast.

ELECTION OF DIRECTORS

The bylaws of the Corporation provide that the directors shall be classified into three classes as equal in number as possible, with one class to be elected each year for a term of three years. Currently, the Board of Directors is composed of fourteen members.

Nominees

Unless otherwise indicated in the enclosed proxy, the persons named in such proxy intend to nominate and vote FOR the election of the four nominees, to serve for three years and until their respective successors have been duly elected and qualified. All the nominees currently serve as directors on the Board of Directors. The Board of Directors is not aware that any nominee named in this proxy statement will be unable or unwilling to accept nomination or election. Should any nominee for the office of director become unable to accept nomination or election, the persons named in the proxy will vote for the election of such other persons, if any, as the Board of Directors may recommend.

1 Held by the Bank in various fiduciary capacities, either alone or with others. Includes 49,991 shares held with sole voting and dispositive powers and 398,675 shares held with shared power to

vote. There are 261,395 shares held with shared dispositive powers. Shares held in a co-fiduciary capacity by the Bank are voted by the co-fiduciary in the same manner as if the co-fiduciary were the sole fiduciary. Shares held by the Bank as sole trustee will be voted by the Bank only if the trust instrument provides for voting of the shares at the direction of the grantor or a beneficiary and the Bank actually receives voting instructions.

- 2 The Plan participants instruct the Bank as trustee how to vote these shares. If a participant fails to instruct the voting of the shares, the Bank votes these shares in the same proportion as it votes all of the shares for which it receives voting instructions. Plan participants have dispositive power over these shares subject to certain restrictions.
- 3 Includes 107,285 shares held directly, 9,450 shares held in trust over which Mr. Dalrymple has voting and dispositive powers, 3,808 shares held as custodian for Mr. Dalrymple's children, 448,510 shares held by the Dalrymple Family Limited Partnership of which David J. Dalrymple, Robert H. Dalrymple and Catherine D. Smith are general partners, and 59,416 shares held by Dalrymple Holding Corporation, of which David J. Dalrymple and Robert H. Dalrymple are officers, directors and principal shareholders. Excludes 7,176 shares held by Mr. Dalrymple's spouse as to which Mr. Dalrymple disclaims beneficial ownership. See footnote 6.

Dalrymple, Robert H. Dalrymple and Catherine D. Smith are general partners, and 59,416 shares held by Dalrymple Holding Corporation of which David J. Dalrymple and Robert H. Dalrymple are officers, directors and principal shareholders. Excludes 5,044 shares held by Mr. Dalrymple's spouse as to which Mr. Dalrymple disclaims beneficial ownership. See footnote 6.
- 5 Includes 13,008 shares held directly, 3,808 shares held as custodian for Mrs. Smith's children, 448,510 shares held by Dalrymple Family Limited Partnership of which David J. Dalrymple, Robert H. Dalrymple and Catherine D. Smith are general partners. See footnote 6.
- 6 Excludes 30,230 shares held by Susquehanna Supply Company of which David J. Dalrymple and Robert H. Dalrymple each owns 23.1% of the outstanding common stock. Because of the definition of "beneficial ownership" under Section 13 of The Securities and Exchange Act, David J. Dalrymple, Robert H. Dalrymple and Catherine D. Smith are each listed as beneficial owners of 448,510 of the same shares; David J Dalrymple and Robert H. Dalrymple are each beneficial owners of 507,926 of the same shares. Without such multiple counting, David J. Dalrymple, Robert H. Dalrymple and Catherine D. Smith's aggregate beneficial ownership would equal 19.3% of the Corporation's outstanding shares.

- 7 Includes shares that Messrs. Agan (16,731), Falck (4,488), Lounsberry (7,392), Meier (3,534), Meyer (13,624), Potter (13,440), Streeter (5,567), and Ughetta (7,130) have credited to their accounts in memorandum unit form under the Corporation's Deferred Directors Fee Plan. Shares held in memorandum unit form under the Plan have no voting rights.
- 8 Includes all shares of common stock of the Corporation held for the benefit of each Executive Officer by the Bank as trustee of the Bank's Profit Sharing, Savings and Investment Plan. Messrs. Updegraff and Corey have an interest in 16,667 and 5,553 shares held by the Plan, respectively.
- 9 Includes 1,800 shares held directly and 126,342 shares held in trusts over which Mr. Falck has voting and dispositive power. Excludes 141,282 shares owned by The Rathbone Corporation of which Mr. Falck is an officer and director.

Does not include 4,316 shares held by the others as trustees for a trust of which Mr. Swan is an income beneficiary or 4,474 shares held by Mr. Swan's spouse as to which Mr. Swan disclaims beneficial ownership.
- 12 Excludes 500 shares held by Mr. Updegraff's spouse as to which Mr. Updegraff disclaims beneficial ownership.
- 13 Does not include 21,091 shares owned by spouses of certain officers and directors as to which such officers and directors disclaim beneficial ownership. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934 requires directors and certain officers of Chemung Financial and persons who beneficially own more than ten percent of the outstanding shares of Chemung Financial's common stock to file reports of beneficial ownership and changes of beneficial ownership of shares of common stock with the Securities

and Exchange Commission. SEC regulations require such persons to furnish the Corporation with copies of all Section 16(a) reports they file. Based solely on review of the copies of such reports furnished to Chemung Financial and its representatives and certain representations that no other reports were required, all persons subject to the SEC reporting requirements filed the required reports on a timely basis.

COMPENSATION OF EXECUTIVE OFFICERS

Report of the Compensation Committee on Executive Compensation

Under the supervision of the Compensation Committee (formerly the Personnel Committee), the Corporation has developed and implemented compensation policies that seek to enhance the profitability of the Bank and the Corporation, thus enhancing shareholder value. The Committee recommends to the Board of Directors the salaries and incentive bonuses of executive officers. In recommending to the Committee the compensation and bonuses of the executive vice presidents and chief auditor, the Committee reviews a recommendation by the Chief Executive Officer that is based on a number of factors including individual and organizational performance, merit increases and responsibility levels. The Committee determined that no bonuses should be paid in 2003 due to corporate performance not having exceeded expectations.

Compensation of the Chief Executive Officer

The Board of Directors, upon recommendation of the Compensation Committee, sets the annual compensation of the Chief Executive Officer. The recommendation of the Committee follows substantial review of comparative information including executive compensation for similarly situated banks and bank holding companies. Key criteria include Return on Average Tier I Equity, Return on Average Assets and dividend performance. The Committee determined that the performance of the Bank was well within the range reported by its peers and that the compensation paid by the Bank was appropriate in comparison to the peer group. Incentive bonus payments to the CEO, based upon performance relative to measurable goals are determined at the beginning of the year. There were no incentive bonus payments paid based upon 2003 corporate performance.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee during 2003 were Messrs. Ughetta, Agan, Dalrymple, Falck, Meier, Meyer and Swan and Mrs. van den Blink. The Bank retained Sayles & Evans, a law firm of which Mr. Ughetta is of counsel, for legal services during 2003 and expects to retain Sayles & Evans for legal services during the current year.

Jan P. Updegraff participates in the deliberations of the Compensation Committee for the purpose of providing evaluations and recommendations with respect to the compensation paid to executive officers other than himself. Mr. Updegraff, however, neither participates nor is otherwise involved in the deliberations of the Committee with respect to his own compensation, and those deliberations are conducted by the Committee in executive session without Mr. Updegraff present.

Summary Compensation Table

Maximum number of years allowed under the terms of the Pension Plan.

The Pension plan provides an annual benefit of 1.2% for each year of credited service to a maximum of 25 years, and, for each additional year to a maximum of 10 years, 1%, times average annual compensation (exclusive of bonuses); plus, for each year of credited service to a maximum of 35 years, 0.65% of average compensation in excess of the average of the taxable wage base in effect under Section 230 of the Social Security Act for each year in the 35-year period ending with the year in which the participant attains Social Security retirement age. The average taxable wage base was \$43,968 for a participant attaining age 65 in 2003.

The named executive officers of the Corporation and the Bank had the following credited full years of service under the Plan as of December 31, 2003: Jan P. Updegraff - 33 and James E. Corey III - 16.

The Bank's non-qualified Executive Supplemental Pension Plan provides a benefit equal to the benefit which would have been paid under the terms of the Bank's Pension Plan without regard to limitations under the Internal Revenue Code less the amount payable under the Pension Plan. From time to time the Board of Directors may select executives as participants in the plan. Currently, Mr. Updegraff is the only active employee participating. Based on projected service and current compensation, \$38,278 would be payable to Mr. Updegraff annually as a supplemental retirement benefit commencing at age 65.

Employment Agreements

Each of the named executive officers has an employment agreement with Chemung Canal Trust Company; they do not have employment agreements with Chemung Financial Corporation. The Bank entered into employment agreements with Messrs. Updegraff and Corey effective November 8, 2000. Mr. Updegraff serves as President and Chief Executive Officer of the Corporation and the Bank; Mr. Corey serves as Vice President of the Corporation and Executive Vice President of the Bank.

Under their respective employment agreements, each executive officer may receive fringe benefits generally provided to all full-time employees of the Bank with similar years of service. In the event the executive officer is unable to work due to illness, injury or other incapacity, the executive officer may receive his salary for up to twelve months, minus any payments made under the Bank's disability fringe benefit program. After twelve months, the executive officer is entitled to disability payments only. In the event of death, the Bank shall pay to the executive officer's estate the executive officer's salary for a period of six months, based on the executive officer's salary on the date of death.

Messrs. Updegraff and Corey's employment agreements provide for initial terms of three years ending December 31, 2004, with renewals for one additional year following each anniversary date upon the Bank's thirty days' written notice prior to January 1 that the terms of the employment agreement will be extended, unless the executive officer gives thirty days' written notice of termination. The employment agreements of Messrs. Updegraff and Corey have been renewed for the year 2004 and therefore now extend to December 31, 2006.

The Bank may terminate an executive officer's employment agreement at any time upon thirty days' written notice for misconduct or neglect of duties. In the event of such a termination, the executive officer will no longer receive a salary, but will be eligible for retirement and other benefits earned up to the date of termination of employment. In the event the termination is without cause, the executive officer is entitled (a) to salary for the duration of the term of the employment agreement; (b) to pension benefits with full credit for service and salary until the end of the term of the employment agreement; and (c) to contribution of a payment of five percent of each salary payment made after termination without cause to a memorandum account for the executive officer on which interest shall be paid at the rate paid on regular savings accounts by the Bank for the benefit of executive officers or named beneficiaries.

INFORMATION REGARDING THE BOARD OF DIRECTORS

Board Organization and Operation

Chemung Financial Corporation is managed under the direction of its Board of Directors (the "Board"). All members of the Board also serve on the Board of Directors of Chemung Canal Trust Company. The Board establishes policies and strategies and regularly monitors the effectiveness of management in carrying out these policies and strategies. Members of the Board are kept informed of the Corporation's business activities through discussions with key members of the management team, by reviewing materials provided to the Board and by participating in meetings of the Board and its committees.

The Board of Directors has determined that Messrs. Agan, Eggers, Falck, Lounsberry, Meier, Meyer, Potter, Streeter, Swan, Ughetta and Mrs. van den Blink are "independent" for purposes of Section 10A(m)(3) of the Securities and Exchange Act of 1934, NASD listing standards and other applicable laws (without any reliance of any exemptions provided therein) and that none of said persons have any relationship with the Corporation that would impair their independence as so defined.

During 2003 the Board of Directors of the Corporation held nine scheduled meetings. The Board of Directors of the Bank held twelve scheduled meetings in 2003. Each director attended at least 75% of the total board meetings and meetings of the board committees on which he or she served.

Board Committees

The Corporation has three standing committees, Audit, Compensation, and Nominating and Governance. In addition, the Bank has the following committees: Executive, Loan, Trust and Employee Benefits and Portfolio.

Audit Committee:

The Chair of the Audit Committee is Mr. Lounsberry. Other members of the Committee during 2003 included Messrs. Agan, Eggers, Potter, and Streeter and Mrs. van den Blink. Mr. Meyer, elected to the Committee March 17, 2004, has been designated by the Board of Directors as the Audit Committee's "financial expert" in accordance with applicable law, the Committee having determined that Mr. Meyer meets all required qualifications as that term is defined in Item 401(h) of Regulation S-K and "independent" for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934. The responsibilities of the Audit Committee include the appointment of independent auditors, the pre-approval of all audit services and permitted non-audit services provided to the Corporation by the Corporation's independent auditors, reviews of the independence of the Corporation's independent auditors and reviews of the adequacy of internal accounting and disclosure controls of the Corporation.

The Audit Committee operates under a written charter adopted by the Board, a copy of

which is attached as Appendix A to this proxy statement. The charter can also be viewed at the "Corporate Governance" link on the home page of the Bank's website www.chemungcanal.com. During the year 2003, there were seven Audit Committee meetings.

Compensation Committee:

The Chair of the Compensation Committee is Mr. Ughetta. The Compensation Committee assumed the duties of the Personnel Committee. Other members of the Compensation Committee during 2003 included Messrs. Agan, D. Dalrymple, Falck, Meier, Meyer, and Swan and Mrs. van den Blink. The Compensation Committee is responsible for the nomination of officers and recommendation of compensation and other benefits for the chief executive officer, executive vice presidents and chief auditor. There were six meetings of the Committee during 2003. As of the date of this proxy statement, the members of the Compensation Committee are all independent as defined by Rule 4200(a)(15) of the NASD listing standards and Rule 10A-3(b)(1) under the Securities and Exchange Commission Act of 1934, Mr. David Dalrymple having resigned as a Committee member. A copy of the Compensation Committee charter can be viewed at the "Corporate Governance" link on the home page of the Bank's website www.chemungcanal.com.

Nominating and Governance Committee:

The Nominating and Governance Committee was initially formed in March 2004. The Committee is currently composed of Messrs. Agan, Eggers, Meyer, Potter and Streeter and Mrs. van den Blink. The Committee oversees the Corporation's corporate governance responsibilities on behalf of the Board and is responsible for the identification and recommendation of individuals qualified to become members of the Board for each vacancy that occurs and for each election of directors at an annual meeting of shareholders. The Committee will submit nominees to be considered for election to the Board of Directors, without further required approval, beginning with the annual meeting of shareholders scheduled for 2005. In 2004, the entire Board of Directors approved the nominees to be considered for

election. All nominees served as directors during 2003.

It is the policy of the Nominating and Governance Committee to consider both recommendations and nominations for candidates to the Board of Directors from shareholders. Shareholder recommendations for candidates to the Board of Directors must be directed in writing to the Corporate Secretary, One Chemung Canal Plaza, Elmira, New York 14901, and must include: the candidate's principal occupation or employment, the number of shares of the Corporation which are beneficially owned by such candidate, a description of all arrangements or understandings between the shareholder making such nomination and each candidate and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the shareholder, detailed biographical data and qualifications and information regarding any relationships between the candidate and the Corporation within the last three years, and any other information relating to such nominee that is required to be disclosed in solicitations of proxies for elections of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended.

A shareholder's recommendation must also set forth: the name and address, as they appear on the Corporation's books, of the shareholder making such recommendation, the class and number of shares of the Corporation which are beneficially owned by the shareholder and the date such shares were acquired by the shareholder, any material interest of the shareholder in such nomination, any other information that is required to be provided pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, in the shareholder's capacity as a proponent to a shareholder proposal, and a statement from the recommending shareholder in support of the candidate, references for the candidate, and an indication of the candidate's willingness to serve, if elected.

Chemung Financial Corporation's bylaws establish an advance notice procedure with regard to certain matters, including shareholder proposals and director nominations, which are properly brought before an annual meeting of shareholders. To be timely, a shareholder's notice must be delivered to or mailed and received at the Corporation's principal executive offices not less than 120 calendar days prior to the date proxy statements were mailed to shareholders in connection with the previous year's annual meeting of shareholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the shareholder to be timely must be so received a reasonable time before the solicitation is made.

In identifying and evaluating the individuals that it recommends that the Board of Directors select, as director nominees, the Committee utilizes the following process:

- The Committee reviews the qualifications of any candidates who have been properly recommended or nominated by the shareholders, as well as those candidates who have been identified by management, individual members of the Board of Directors or, if the Committee determines, a search firm.
- The Committee evaluates the performance and qualifications of individual members of the Board of Directors eligible for re-election at the annual meeting of shareholders.
- The Committee considers the suitability of each candidate, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors. In evaluating the suitability of the candidates, the Committee considers many factors including, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The Committee evaluates such factors, among others, and considers each individual candidate in the context of the current perceived needs of the Board of Directors as a whole.
- After such review and consideration, the Committee recommends that the Board of Directors select the slate of director nominees, either at a meeting of the committee at which a quorum is present or by unanimous written consent of the Committee.
- The Committee will endeavor to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individuals for election to the Board of Directors.

As of the date of this proxy statement, the members of the Nominating and Governance Committee are all independent as defined by Rule 4200(a)(15) of the NASD listing standards, Mr. Dalrymple having resigned as a Committee member. A copy of the Committee charter can be viewed at the "Corporate Governance" link on the home page of the Bank's website www.chemungcanal.com.

Executive Committee: The Chair of the Executive Committee is Mr. David Dalrymple. Other members include Messrs. R. Dalrymple, Meier, Meyer, Swan, Ughetta and Updegraff. The Executive Committee may, during the interval between Board meetings, exercise all of the authority of the Board, except those powers that are expressly reserved to the Board under law or the Corporation's bylaws. There were five meetings of the Committee during 2003.

Loan Committee:

The Chair of the Loan Committee is Mr. Agan. Other members include Messrs. D. Dalrymple, R. Dalrymple, Lounsberry, Potter, Swan and Updegraff. Portfolio Committee:

The Chair of the Portfolio Committee is Mr. Streeter. Other members include Messrs. R. Dalrymple, Eggers, Falck, Lounsberry, Potter and Updegraff. There were four meetings of the Committee in 2003.

Trust and Employee Benefits Committee:

The Chair of the Trust and Employee Benefits Committee is Mr. Meyer. Other members include Messrs. Eggers, Falck, Meier, Streeter, Ughetta and Updegraff and Mrs. van den Blink. The Trust and Employee Benefit Committee passes on all questions of the policy bearing upon the investment of trust funds and the general conduct of the estate, agency and fiduciary business of the Bank. The Committee also has responsibility for the Bank's benefit plans and reviews the trust and investment policies and performance. There were twelve meetings of the Trust and Employee Benefits Committee in 2003.

Board Compensation

Each non-employee director of the Bank receives an annual retainer of \$5,500 and a fee of \$300 for each meeting of the Board of Directors and its committees attended. The chair of each committee receives \$350 for each committee meeting attended. Only one fee is paid for attendance at meetings that serve both the Corporation and the Bank. Employee directors receive no fees for their services as directors.

A Deferred Directors Fee Plan for non-employee directors provides that directors may elect to defer receipt of all or any part of their fees. Deferrals are credited with either interest-compounded quarterly at the Applicable Federal Rate for short-term debt instruments or converted to units, which appreciate or depreciate, as would an actual share of the Corporation's common stock purchased on the deferral date. Cash Deferrals will be paid into an interest bearing account and paid in cash. Units will be paid in shares of common stock.

Shareholder Communication with the Board

Shareholders may communicate in writing with the Board of Directors or with individual directors by contacting the Corporation's Corporate Secretary, Jane H. Adamy, One Chemung Canal Plaza, Elmira, New York 14901. The Corporate Secretary will relay the question or message to the specific director identified by the shareholder or, if no specific director is requested, to a director selected by the Chief Executive Officer.

Directors Attendance at Annual Meetings

The Corporation does not have a formal policy regarding attendance by a member of the Board of Directors at the Corporation's Annual Meeting of shareholders. The Corporation has always encouraged the directors to attend its annual meeting and expects to continue this policy. In 2003, ten directors attended the annual meeting.

Code of Ethics

The Corporation has recently adopted a Code of Ethics for Senior Financial Officers which applies to Chemung Financial's chief executive officer, the chief auditor and other senior officers performing accounting, auditing, financial management or similar functions. The Code of Ethics can be viewed at the "Corporate Governance" link on the home page of the Bank's website www.chemungcanal.com.

CERTAIN TRANSACTIONS WITH EXECUTIVE OFFICERS AND DIRECTORS

A number of Chemung Financial's directors, members of executive management and their associates are customers of Chemung Canal Trust Company. Any extensions of credit made to them are made in the ordinary course of business, are made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with others and do not involve more than normal risk of collectibility or present other unfavorable features

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of Chemung Financial Corporation is comprised of directors who are "independent" for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934, the NASD listing standards and other applicable laws (without reliance on any exemptions provided therein) and that none of said persons have any relationship with the Company that would impair their independence as so defined. The Audit Committee operates under a written charter adopted by the Board of Directors, which was reviewed and revised in February 2004 and which is attached to this proxy statement as Appendix A. The charter can also be viewed at the "Corporate Governance" link on the home page of the Bank's website www.chemungcanal.com.

The Audit Committee held seven meetings during 2003. The meetings were designed to facilitate and encourage private communication among the Audit Committee, the internal auditors and the Corporation's independent auditors, KPMG LLP ("KPMG").

Management is responsible for internal controls and the financial reporting process. The Audit Committee believes that management maintains an effective system of internal controls which results in fairly presented financial statements.

The Audit Committee has reviewed and discussed the Corporation's audited consolidated financial statements for the year ended December 31, 2003, with management and KPMG. The Audit Committee has also discussed with KPMG the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The Audit Committee has received from KPMG the written disclosures and the letter regarding KPMG's independence, as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. The Audit Committee discussed KPMG's independence with KPMG and has considered whether the non-audit services provided by KPMG during the year ended December 31, 2003, were compatible with maintaining KPMG's independence. The Audit Committee has concluded that the non-audit services provided do not impair the independence of KPMG.

Based on the review and discussions with management and KPMG, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Chemung Financial Corporation's

Edgar Filing: CHEMUNG FINANCIAL CORP - Form DEF 14A

Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Committee and the Board have also appointed KPMG as the Corporation's independent auditors for 2004.

APPENDIX A

CHEMUNG FINANCIAL CORPORATION AUDIT COMMITTEE CHARTER

(Adopted by the Audit Committee - February 9, 2004)

I. Purpose

The Audit Committee (the "Committee") is established by the Board of Directors to assist the Board in fulfilling its oversight responsibilities over Chemung Financial Corporation and its wholly owned subsidiaries (hereinafter collectively referred to as the "Corporation") in their accounting and financial reporting processes and the audits of the financial statements of the Corporation. The Committee's primary functions are to:

- Monitor the integrity of the Corporation's financial statements, financial reporting process and systems of internal controls regarding financial reporting.
- Monitor the Corporation's compliance with legal and regulatory requirements.
- Undertake efforts to ensure the qualifications and independence of the Corporation's independent auditors.
- Monitor performance of the Corporation's Internal Audit Department and independent auditors, and oversee the Corporation's system of disclosure controls and internal controls.
- Be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged by the Corporation (including resolution of disagreements between management and the auditor regarding financial reporting) for the purposes of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Corporation.
- Review such other policies, procedures and activities of the Corporation as may be directed by the Board of Directors.

The independent auditors and persons performing the internal audit function are ultimately accountable to the Committee, in its capacity as a committee of the Board of Directors, and to the full Board of Directors. While the Committee has the oversight responsibilities set forth in this Charter and the Corporation's Certificate of Incorporation, as amended (the "Certificate of Incorporation") and Bylaws (the "Bylaws"), it is not the responsibility of the Committee to plan or conduct audits, to implement internal controls, or to determine or certify that the Corporation's financial statements are complete and accurate or are in compliance with generally accepted accounting principles. These matters and tasks are the responsibility of the Corporation's management or the independent auditors. Likewise, it is the responsibility of the Corporation's management or the independent auditors to bring appropriate matters to the attention of the Committee, and to keep the Committee informed of matters which the Corporation's management or the independent auditors believe require attention, guidance, resolution or other actions.

While it is not the duty of the Committee to conduct investigations or to assure compliance with applicable laws, rules and regulations, the Committee may take such actions with respect to such matters as it deems necessary or advisable in fulfilling its duties identified in this Charter.

To the fullest extent permissible under applicable law, each member of the Committee is entitled to rely in good faith upon the records of the Corporation and upon such information, opinions, reports or statements presented to the Committee by any of the Corporation's officers, employees, committees, the independent auditors, persons performing the internal audit function or any other person as to matters the member reasonably believes are within such other person's professional or expert competence.

I. Committee Membership

The Committee members shall be appointed by the Board of Directors. The Committee shall consist of at least three directors, each of whom shall be independent of management and the Corporation, and shall meet the independence requirements under applicable rules of the Securities and Exchange Commission ("SEC"), the Federal Deposit Insurance Corporation ("FDIC") and the Nasdaq Stock Market or any other national securities exchange on which the securities of the Corporation are then listed (the "Relevant Stock Market"). All Committee members shall meet the financial literacy requirements of the rules and regulations of the FDIC, the Relevant Stock Market and any other applicable rules and regulations within a reasonable period of time after such member's appointment. At least one member shall be qualified and designated as the "Audit Committee financial expert," within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and the rules of the SEC thereunder. The Committee may ask members of management or others to attend meetings and provide pertinent information, as necessary. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. The Committee may delegate authority to the Committee Chairperson or subcommittees, including the authority to preapprove all auditing and permitted non-audit services, provided that such decisions are presented for approval to the full Committee at its next scheduled meeting.

III. Responsibilities and Duties

In carrying out its oversight purposes, the Committee shall have the following duties, responsibilities and authority.

- Review the Corporation's annual audited financial statements and quarterly financial statements with management and the independent auditors, including the Corporation's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," prior to filing or distribution. Based on such reviews and discussions, the Committee shall advise the Board whether it recommends that the audited financial statements be included in the Corporation's SEC Form 10-K to be filed with the SEC.
- Review required written certifications made by the CEO and CFO during the Forms 10-K and 10-Q certification process that they have disclosed to the Committee all significant deficiencies in the design or operation of internal controls or any fraud, whether or not material, that involves management or other employees who have a significant role in the Corporation's internal controls and assure that the Corporation maintains a system of disclosure controls and procedures that is capable of producing timely, accurate and reliable disclosure, which the CEO and CFO must evaluate and certify.

The Committee will approve, in advance, the provision by the independent auditors of all services whether or not related to the audit. The Committee may also establish pre-approval policies and procedures with respect to the approval of audit or non-audit services consistent with applicable laws, rules and regulations and the

requirements of the Relevant Stock Market. In that connection, the Committee may delegate to a Committee member the authority to pre-approve certain auditing services and non-audit services, subject to ratification at the next regularly scheduled meeting of the Committee. The pre-approval policy and procedures shall be described in the Corporation's annual meeting proxy statement. The Corporation shall provide for appropriate funding, as determined by the Committee, for payment of (a) compensation to the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation, (b) compensation to any advisers employed by the Committee, and (c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out the Committee's duties.

- Discuss with management the Corporation's major policies with respect to risk assessment and risk management.
