ePLDT Press Release SPi

**ePLDT's BPO Subsidiary SPi Named in IAOP's Global
Outsourcing 100 Ranking**

Third consecutive year of being ranked as a 'leader';

top tier recognition in five sub-categories

Manila, Philippines, June 17, 2008. SPi Technologies, a leading global BPO provider and subsidiary of ePLDT, announced today that it has been ranked for the third consecutive year in the annual International Association of Outsourcing Professionals (IAOP) "2008 Global Outsourcing 100 List". Placing 17th in the rank, SPi surpassed its 32nd ranking in last year's list by 15 places.

SPi also captured a spot on the following Global 100 sub-lists:

- Best 10 Companies by Service Offered: Administrative & Corporate Services
- Best 10 Companies by Industry Focus: Entertainment and Media
- Best 10 Companies in Asia/Pacific Rim by Employee Presence
- Best 20 Companies by Service Offered: Customer Relationship Management
- Best 20 Companies by Service Offered: Document Management

Originally established to provide companies with an objective methodology for comparing service providers, the Global Outsourcing 100 and its sub-lists are designed to help companies find and develop relationships with the best companies in the outsourcing industry. To make the list, companies are rated according to 18 criteria, with final rankings determined by a weighted average of judges' scores on size and growth rate, customer references, documented competencies and management capabilities. SPi received high scores in all these areas and the top score for strong customer references.

SPi is pleased and honored to have made The Global Outsourcing 100 list for the third consecutive year in a row. This recognition underscores our commitment to delivering the best-in-class solutions and bringing tangible value to our clients, said Peter Maquera, President and CEO of SPi. He went on to say, "It also reflects the quality of our people, whose competencies and dedication have enabled us to become long-term trusted partners to our clients."

Ray Espinosa, Chairman of ePLDT, said, "Once again, SPi has made the ePLDT family proud for being included in the ranking of this prestigious list. With the latest rankings, SPi has proven once again its commitment to client satisfaction and people development."
