Item 4. Ownership

The aggregate number of Securities to which this Schedule 13G relates is 408,440 shares, representing 10.42% of the 3,919,913 shares outstanding. This latter number of shares is arrived at by adding the number of shares reported in the

Issuer's most recently filed Form 10-Q for the quarterly period ended September 30, 2018 (3,624,973 shares) to the number of shares (294,940) which would be receivable by the Reporting Person if they were to convert all of the Issuer's Series B Convertible Preferred Stock held by them into common shares. The 3,919,913 shares outstanding used to calculate the Reporting Person's 10.42% ownership assumes no other shareholder converts their preferred stock to common.

In accordance with the policies and procedures of the Reporting Person, the proxy voting committee of the Reporting Person exercises in its sole discretion the entire voting power with respect to all shares of the Issuer held and to be held by the Reporting Person until such committee otherwise determines. Accordingly, the investment adviser to the Reporting Person has no voting authority but continues to have sole dispositive power over such shares.
