CUSIP NO. 22662K108

This Amendment No. 2 to Schedule 13D (this "*Amendment No2*") amends and supplements items 4(a), 5(a), 5(b), and 5(c) contained in the Schedule 13D initially filed with the Securities and Exchange Commission on or about May 1, 2008 (the "*Initial 13D*"). Capitalized terms used herein but not defined shall have the meanings ascribed to them in the Initial 13D. The Initial 13D is amended and supplemented as follows.

Item 4. Purpose of Transaction

(a) This Amendment No. 2 is being filed due to the vesting of a tranche of employee stock options on February 28, 2009. On February 28, 2005, the Company entered into an employment agreement and stock option agreements with the Reporting Person in conjunction with the commencement of his employment with the Company. The Reporting Person received options on February 28, 2005 to purchase 270,000 shares of Common Stock at an exercise price of \$9.70 per share, options to purchase 405,000 shares of Common Stock at an exercise price of \$12.50 per share and options to purchase 540,000 shares of Common Stock at an exercise price of \$17.00 per share (the "*\$17.00 Options*"). Each set of options vested and became exercisable with respect to 15% of the shares on the first anniversary of the grant date, 25% of the shares on the second anniversary of the grant date and 25% of the shares on the third anniversary of the grant date, and an additional 35% of the shares will become vested and exercisable on the fourth anniversary of the grant date, at which time each set of granted options will be fully vested and exercisable. As previously reported on Amendment No. 1 to Schedule 13D filed September 19, 2008 ("*Amendment No. 1*") and in Company filings, the \$17.00 Options were subsequently exchanged for 90,000 shares of unvested Common Stock pursuant to a restricted stock award. The stock option grants were initially reported on a Current Report on Form 8-K of the Company filed on March 4, 2005 and on a Form 4 of the Reporting Person filed on March 2, 2005, as well as in subsequent Company filings.

Item 5. Interest in Securities of Issuer

(a) and (b) The Reporting Person beneficially owns 1,051,205 shares of Common Stock, which includes 323,875 shares of Common Stock held directly received pursuant to restricted stock awards, 45,330 shares of Common Stock underlying 600 shares of the Company's Series G Preferred Stock and options to acquire 675,000 shares of Common Stock that vested or will vest as follows: 101,250 shares on February 28, 2006, 168,750 shares on February 28, 2007, 168,750 shares on February 28, 2008, and 236,250 shares on February 28, 2009.

The Reporting Person's current beneficial ownership represents approximately 16.15% of the shares of the Common Stock, based upon 5,787,287 shares of Common Stock issued and outstanding as of December 31, 2008, plus 675,000 shares of Common Stock which may be received upon exercise of options and 45,330 shares which may be received upon conversion of securities beneficially owned by the Reporting Person, either presently or within 60 days. The Reporting Person has sole voting and dispositive power over the shares of Common Stock reported as beneficially owned by him.

(c) On August 1, 2008, within 60 days of filing Amendment No. 1, the Company withheld 4,125 shares of Common Stock, at a price of \$12.25 to satisfy the Reporting Person's tax withholding obligation relating to the vesting of a grant of restricted shares. Except as set forth herein the Reporting Person has not effected any transactions in shares of the Common Stock during the past 60 days.

SIGNATURES

After reasonable inquiry and to the best of its knowledge and belief, the undersigned certifies that the information set forth in this Statement is true, complete and correct.
