Item 1.02 Termination of a Material Definitive Agreement.

On February 6, 2006 the Board of Directors of Willamette Valley Vineyards, Inc. (the "Company") delivered the requisite 30-day notice to terminate a master distribution agreement with Charmer Sunbelt Group, LLC ("Charmer Sunbelt") and its network of twelve affiliated distributors. The termination will be effective March 8, 2006. Under the agreement, the Company had agreed to pay Charmer Sunbelt incentive compensation if certain sales goals were met over a five year period. The incentive compensation was payable only in the event of a transaction in excess of \$12 million in value in which the Company either sold all or substantially all of its assets or consummated a merger, sale of stock or other similar transaction, the result of which was that the Company's then current shareholders did not own at least a majority of the outstanding shares of capital stock of the surviving entity. The Company terminated the agreement because the distributors did not reach these goals in every year since the agreement's inception. In its termination letter, the Company expressed its willingness to continue to do business with the distributors on terms and conditions generally available to all of the Company's distributors.
