On May 24, 2002, the Company announced that Woodside Energy Ltd. has awarded the ATWOOD FALCON a contract to drill two firm wells plus options to drill three additional wells off the coast of Australia. A copy of the press release announcing the contract award is filed with the Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

ITEM 7. EXHIBITS

EXHIBIT 99.1 PRESS RELEASE DATED MAY 24, 2002

EXHIBIT 99.2 CONTRACT STATUS SUMMARY AT MAY 24, 2002

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

ITEM 9. REGULATION FD DISCLOSURE

The RICHMOND commenced in early May 2002 drilling its one-well plus one-well option program for El Paso Production Oil & Gas Company which could take 70 to 90 days to complete.

Additional information with respect to the Company's contract status summary at May 24, 2002 is attached hereto as EXHIBIT 99.2, which is being furnished in accordance with Rule 101 (e)(1) under Regulation FD and should not be deemed to be filed.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors; the Company's dependence on the oil and gas industry; the risks involved in upgrade to the Company's rigs; competition; operating risks; risks involved in foreign operations; risks associated with possible disruptions in operations due to terrorism; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's Annual Report on Form 10-K for the year ended September 30, 2001, filed with the Securities and Exchange Commission.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
