Item 2.03 Creation of a Direct Financial Obligation

In connection with the filing by The Hartford Financial Services Group, Inc. (the “Company”) of a new shelf registration statement on Form S-3 on August 9, 2013, providing for the issuance from time to time of senior debt securities, subordinated debt securities, junior subordinated debt securities, common stock, preferred stock, depository shares, warrants, stock purchase contracts and stock purchase units of the Company, the Company and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., as trustee (the “Trustee”), entered into the First Supplemental Indenture, dated as of August 9, 2013 (the “First Supplemental Indenture”), to the Senior Indenture, dated as of April 11, 2007 (the “Base Indenture,” and, together with the First Supplemental Indenture, the “Indenture”), between the Company and the Trustee. The information included or incorporated by reference in this Item is being provided in connection with future issuances of senior debt securities pursuant to the Indenture and such new shelf registration statement. The terms of the First Supplemental Indenture do not affect any outstanding securities issued under the Base Indenture. The terms of the First Supplemental Indenture eliminate for purposes of senior debt securities issued under the Indenture on or after the date of the First Supplemental Indenture the previously existing limitation on liens covenant included in the Base Indenture. In its place, the First Supplemental Indenture includes for purposes of such future issuances of senior debt securities (except as the following covenant may be modified or eliminated at such time of issuance) a limitation on liens covenant applicable to the Company and certain of its subsidiaries in respect of the voting stock (as defined therein) of Hartford Fire Insurance Company. The foregoing description of the First Supplemental Indenture is qualified in its entirety by reference to the full text of such document, which is incorporated by reference hereto as Exhibit 4.01.
