Item 2.02 Results of Operations and Financial Condition.

On May 4, 2015, First Data Corporation (FDC) issued a press release relating to FDC's financial results for the first quarter of 2015. A copy of the press release is attached as Exhibit 99.1 and hereby incorporated by reference.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1 attached hereto, shall not be deemed "filed" for purposes of Section 18 of the Securities Act of 1934 (Exchange Act) or otherwise subject to the liabilities under that Section and shall not be deemed to be incorporated by reference into any filing of FDC under the Securities Act of 1933 or the Exchange Act except as shall be expressly set forth by specific reference to such filing.

Item 2.05 Costs Associated with Exit or Disposal Activities

On May 4, 2015, FDC announced a program to decrease its annualized expense base by optimizing our facility footprint and offshoring certain support activities. This program, which amends our program previously announced in the fourth quarter of 2014, is expected to result in cash restructuring charges of \$75 million that will be taken over the next several years, beginning in the second quarter of 2015. The net charge is expected to include costs for severance, retention and transition, asset impairments, professional services fees and gains/losses on the sale of facilities. The majority of the net charge is related to personnel (severance, retention and transition). FDC expects the annualized savings related to this program to be \$200 million.

The amount of the restructuring charges noted above are estimates, and the actual charges could vary materially based on a number of factors including, but not limited to, the following: 1) the level of employee terminations, 2) factors relating to real estate, such as proceeds from the sale of buildings, amount of sublease income, and lease termination costs and other related expenses, and 3) foreign currency exchange fluctuations.

Item 9.01 Financial Statements and Exhibits.
