We are mailing this Proxy Statement on or about May 6, 2009 to each holder of our issued and outstanding ordinary shares entitled to vote at the Annual General Meeting in order to furnish information relating to the business to be transacted at the meeting. We have mailed our Annual Report to Shareholders for the fiscal year ended December 31, 2008 and a letter to our shareholders from our Chief Executive Officer with this Proxy Statement. We have included the Annual Report and the letter to shareholders for informational purposes and not as a means of soliciting your proxy.

We hope that you will be able to attend the Annual General Meeting in person. Whether or not you expect to attend the meeting in person, please complete, sign, date and return the enclosed proxy card in the accompanying envelope so that your shares will be represented. If you receive more than one proxy card because you have multiple accounts, you should sign and return all proxies received to be sure all of your shares are voted. If you need directions to the meeting, please call our offices at (441) 292-3645.

If the accompanying proxy card is properly executed and returned, the proxies named on the proxy card will vote the ordinary shares of Enstar Group Limited that it represents as specified on the following proposals:

Edgar Filing: Enstar Group LTD - Form DEF 14A

Shareholders of record as of the close of business on April 15, 2009 are entitled to vote at the Annual General Meeting. As of that date, there were 13,443,454 ordinary shares issued and outstanding and entitled to vote at the meeting. Except as set forth in our bye-laws, each ordinary share entitles the holder thereof to one vote. In accordance with our bye-laws, certain shareholders whose shares constitute 9.5% or more of the voting power of our ordinary shares are entitled to less than one vote for each ordinary share held by them.

The required quorum for the Annual General Meeting consists of two or more shareholders present in person or by proxy and entitled to vote at least a majority of the shares entitled to vote at the meeting. The election of directors

Table of Contents

and the approval of Proposal Two require the affirmative vote of a majority of the votes cast by the shareholders at the meeting. With respect to Proposal Three, regarding the election of directors of our subsidiaries, our Board of Directors will cause our corporate representative or proxy to vote the shares of those subsidiaries in the same proportion as the votes received at the meeting from our shareholders. If any other business is brought before the meeting, proxies will be voted, to the extent permitted by the rules and regulations of the Securities and Exchange Commission, in accordance with the judgment of the persons voting the proxies.

We will count ordinary shares held by shareholders who are present in person or by proxy at the meeting and who elect to abstain from voting on any proposal, as well as broker non-votes, towards the presence of a quorum, but will not count those shares as a vote in the election of any director or for any other proposal. We will also count ordinary shares held by shareholders who have signed their proxy cards but have not specified how their shares are to be voted towards the presence of a quorum, and the proxies named on the proxy card will vote those shares FOR the election of directors nominated by our Board of Directors under Proposal One, FOR Proposal Two, and FOR each of the subsidiary director nominees listed in Proposal Three.

Any shareholder giving a proxy has the power to revoke it prior to its exercise by sending notice of revocation to our Secretary in writing, by executing and delivering a subsequently dated proxy card or by voting in person at the meeting. Attendance at the meeting will not by itself constitute revocation of a proxy.

We will bear the cost of preparing and soliciting proxies, including the reasonable charges and expenses of brokerage firms or other nominees for forwarding proxy materials to the beneficial owners of our ordinary shares. In addition to solicitation by mail, certain directors, officers and employees of the Company and its subsidiaries may solicit proxies personally or by telephone or other electronic means without extra compensation, other than reimbursement for actual expenses incurred in connection with the solicitation. The enclosed proxy is solicited by and on behalf of our Board of Directors.

When used in this Proxy Statement, the terms we, us, our, and the Company refer to Enstar Group Limited.

Table of Contents**PROPOSAL NO. 1 ELECTION OF DIRECTORS**

Our Board of Directors is divided into three classes designated Class I, Class II and Class III. The term of office for each Class III director expires at this year's annual general meeting; the term of office for each Class I director expires at the annual general meeting in 2010; and the term of office for each Class II director expires at the annual general meeting in 2011. At each annual general meeting, the successors of the class of directors whose term expires at that meeting will be elected to hold office for a term expiring at the annual general meeting to be held in the third year following the year of their election.

Three Class III directors are to be elected at the meeting to hold office until the annual general meeting in 2012 and one Class II director is to be elected at the meeting to hold office until the annual meeting in 2011. Each of the Class III nominees currently is a director. Charles T. Akre, Jr., the nominee for Class II Director, was nominated by our Board of Directors on April 27, 2009 to fill the vacancy created when T. Wayne Davis resigned on March 18, 2009. Pursuant to our bye-laws, the three classes of directors are to be apportioned as equally as possible.

Accordingly, our Board of Directors nominated Mr. Akre as a Class II director. In accordance with the resolutions adopted by our Board of Directors concerning the nomination of individuals to serve as directors of the Company, our Board of Directors nominated each of the nominees following a recommendation of the nominees from our independent directors. Each of the nominees has consented to serve if elected. We do not expect that any of the nominees will become unavailable for election as a director, but if any nominee should become unavailable prior to the meeting, proxy cards authorizing the proxies to vote for the nominees will instead be voted for a substitute nominee recommended by our Board of Directors.

In connection with the merger of one of our wholly owned subsidiaries with The Enstar Group, Inc. on January 31, 2007 (the Merger), we completed a recapitalization (also on January 31, 2007). Pursuant to the terms of the agreement governing the recapitalization (the Recapitalization Agreement) each of our current directors except for Robert J. Campbell, including each Class III director nominee to be elected at the Annual General Meeting, was named a director of the Company.

Mr. Oros splits his time between J.C. Flowers & Co. LLC and the Company.

Independence of Directors

During the year ended December 31, 2008, our Board of Directors consisted of nine directors, of which six were non-management directors. The board determined five of those non-management directors, Messrs. Armstrong, Campbell, Collins, Curl and T. Wayne Davis, to be independent as defined by Nasdaq Marketplace Rule 5605(a)(2) (formerly Rule 4200(a)(15)). The board made this determination based primarily on a review of the responses of the directors to questions regarding employment and compensation history, family relationships and affiliations, and discussions with the directors. For details about certain relationships and transactions among us and our executive officers and directors, see *Certain Relationships and Related Transactions* in this proxy statement. Mr. Davis resigned as a member of our Board of Directors on March 18, 2009. Accordingly, the Board of Directors currently consists of eight directors. As a result of Mr. Davis' resignation, we are no longer in compliance with Nasdaq Marketplace Rule 5605(b) (formerly Rule 4350(c)), which requires that a majority of the Board of Directors be comprised of independent directors. Our Board of Directors has determined that Mr. Akre is independent as defined in Nasdaq Marketplace Rule 5605(a)(2) (formerly Rule 4200(a)(15)), and accordingly, if Mr. Akre and the other nominees are elected at the meeting, we will have a majority of independent directors before the end of the cure period provided for by Nasdaq Marketplace Rule 5605(b) (formerly Rule 4350(c)).

Meetings of the Board of Directors and its Committees

We expect our directors to attend all meetings of our Board of Directors, all meetings of all committees of the board on which they serve and each annual general meeting of shareholders, absent exigent circumstances. Our Board of Directors met a total of seven times during the year ended December 31, 2008, including four regularly scheduled meetings and three special meetings called in connection with reviewing time-sensitive transactions. All directors except for Messrs. Collins and Curl attended at least 75% of the regularly scheduled meetings of the board and of the committees of the board on which the director served. However, due to our need to hold a number of special meetings during 2008, only Messrs. Silvester, O Shea, Armstrong and Campbell attended at least 75% of the total meetings of the board and of the committees of the board on which the director served. Eight out of nine directors then serving attended the 2008 annual general meeting of shareholders. In addition, in 2008, our independent directors met each quarter in executive sessions without management.

Our Board of Directors currently maintains an Audit Committee and a Compensation Committee. Current copies of the charter for each of these committees are available on our website at <http://www.enstargroup.com> under the heading *Corporate Governance*. In addition, any shareholder may receive copies of these documents in print, without charge, by contacting our Secretary at P.O. Box HM 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda.

Audit Committee. During the year ended December 31, 2008, the Audit Committee was comprised of Messrs. Armstrong, Campbell, Collins, Curl and Davis, with Mr. Armstrong serving as Chairman. On February 24, 2009, Mr. Armstrong stepped down from his position as Chairman, and the Board of Directors appointed Robert J. Campbell to replace him. The Audit Committee met five times during the year ended December 31, 2008. This committee has general responsibility for the oversight of the quality and integrity of our financial statements, the qualifications and independence of our independent auditor, the performance of our internal audit function and independent auditor, and our compliance with legal and regulatory requirements. The committee appoints, retains and approves the compensation for our independent auditors, pre-approves fees and services of the independent auditors

and reviews the scope and results of their audit. Each member of the Audit Committee is a non-management director and is independent as defined in NASDAQ Marketplace Rule 5605(a)(2) (formerly Rule 4200(a)(15)) and under the Securities Exchange Act of 1934, as amended (the Exchange Act). Our Board of Directors has determined that each of Messrs. Curl, Collins and Campbell, who are independent directors, qualifies as an audit committee financial expert pursuant to the definition set forth in Item 407(d)(5)(ii) of Regulation S-K, as adopted by the Securities and Exchange Commission (the SEC). The Audit Committee operates under a written

Table of Contents

charter that has been approved by our Board of Directors. The charter is reviewed annually by the Audit Committee, which recommends any proposed changes to our board. As of his resignation from the board on March 18, 2009, Mr. Davis is no longer a member of the Audit Committee.

Compensation Committee. During the year ended December 31, 2008, the Compensation Committee was comprised of Messrs. Armstrong, Campbell, Collins, Curl and Davis, with Mr. Davis serving as Chairman. The Board of Directors appointed Gregory L. Curl to the position of Chairman of the Compensation Committee on April 27, 2009 following Mr. Davis' resignation. The Compensation Committee met two times during the year ended December 31, 2008. The Compensation Committee has general responsibility for the compensation of our executive officers. The committee establishes our general compensation philosophy and oversees the development and implementation of our compensation programs. The committee also periodically reviews the compensation of our directors and makes recommendations to our board with respect thereto. Each member of the Compensation Committee is a non-management director and is independent as defined in NASDAQ Marketplace Rule 5605(a)(2) (formerly Rule 4200(a)(15)). The Compensation Committee operates under a written charter that has been approved by our Board of Directors. The charter is reviewed annually by the Compensation Committee, which recommends any proposed changes to our board. Additional information on the Compensation Committee and the role of management in setting compensation is provided below in Executive Compensation Compensation Discussion & Analysis.

Compensation Committee Interlocks and Insider Participation. During the year ended December 31, 2008, no executive officer served as a member of the compensation committee or as a director of another entity, one of whose executive officers served on our Compensation Committee or as one of our directors.

Nomination Process. We do not have a nominating committee, although we do have a formal nominations process. The Board of Directors believes that it is appropriate for the independent directors, rather than a separate committee comprised of most or all of our independent directors, to recommend director candidates. NASDAQ Marketplace Rule 5605(e)(1) (formerly Rule 4350(c)(4)) requires director nominees to be selected, or recommended to the Board of Directors for selection, either by (i) a majority of the independent directors in a vote in which only independent directors participate or (ii) a nominations committee comprised solely of independent directors. In November 2006, the Board of Directors adopted a resolution in accordance with these requirements regarding the nomination of directors. Pursuant to that resolution, the independent directors will conduct the director nomination process each year in connection with our annual general meeting of shareholders.

When identifying and reviewing director nominees, the independent directors consider the nominees' personal and professional integrity, ability and judgment, as well as other factors deemed appropriate by the independent directors. For incumbent directors, the independent directors review each director's overall service to the Company during the director's term, including the number of meetings attended, level of participation and quality of performance. The independent directors considered and nominated the candidates proposed for election as directors at the Annual General Meeting, with the Board of Directors unanimously agreeing on all actions taken in this regard. Members of our management, namely Dominic F. Silvester and John J. Oros, recommended Charles T. Akre, Jr. to the independent directors as a potential candidate to fill the vacancy created by the resignation of T. Wayne Davis. Mr. Akre, through Akre Capital Management, LLC, the financial services investment advisory firm he founded and manages, has been an investor in the Company for a number of years. Members of management and several of our directors were familiar with Mr. Akre's investment focus in the insurance industry and his significant knowledge of our business sector. The independent directors reviewed Mr. Akre's qualifications and recommended that he be nominated by the full Board of Directors for election as a director at the Annual General Meeting.

Shareholders may recommend candidates to serve as directors by submitting a written notice to the Board of Directors at Enstar Group Limited, P.O. Box 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda. Shareholder recommendations must be accompanied by sufficient information to assess the candidate's qualifications

and contain the candidate's consent to serve as director if elected. Shareholder nominees will be evaluated by the independent directors in the same manner as nominees selected by the independent directors.

At each meeting of our Board of Directors, the Chief Financial Officer will present a summary of all communications received since the last meeting that were not forwarded and will make those communications available to the directors on request.

Table of Contents**PROPOSAL NO. 2 APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee of our Board of Directors has selected Deloitte & Touche, Hamilton, Bermuda, as our independent registered public accounting firm for the fiscal year ending December 31, 2009. At the Annual General Meeting, shareholders will be asked to ratify this selection and to authorize our Board of Directors, acting through the Audit Committee, to approve the fees for Deloitte & Touche. Representatives of Deloitte & Touche are expected to be present at the meeting and will have the opportunity to make a statement if they desire to do so. The representatives of Deloitte & Touche will also be available to respond to appropriate questions from shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2009 AND THE AUTHORIZATION OF OUR BOARD OF DIRECTORS, ACTING THROUGH THE AUDIT COMMITTEE, TO APPROVE THE FEES FOR THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Audit and Non-Audit Fees

Aggregate fees for professional services rendered to us by Deloitte & Touche for the fiscal years ended December 31, 2008 and 2007 are set forth below.

	Fiscal Year 2008	Fiscal Year 2007
Audit Fees	\$ 3,872,022	\$ 3,488,442
Audit-Related Fees	80,364	334,967
Tax Fees	833,036	471,681
All Other Fees		
Total	\$ 4,785,422	\$ 4,295,090

Audit Fees for the years ended December 31, 2008 and December 31, 2007 were for professional services rendered for the audit of our annual financial statements, for the review of our quarterly financial statements, for services in connection with the audits for insurance statutory and regulatory purposes in the various jurisdictions in which we operate and for the provision of consents and comfort letters relating to our filings with the SEC.

Audit-Related Fees for the years ended December 31, 2008 and December 31, 2007 consisted primarily of professional services rendered for financial accounting and reporting consultations and opening balance sheet audits of acquisitions.

Tax Fees for the years ended December 31, 2008 and December 31, 2007 were for professional services rendered for tax compliance and tax consulting.

There were no fees in the *All Other Fees* category for the fiscal years ended December 31, 2008 and December 31, 2007.

Our Audit Committee approved all of the services and related fees described above. In addition, our Audit Committee considers whether the nature or amount of non-audit services could potentially affect Deloitte & Touche's

independence.

On February 24, 2009, our Audit Committee adopted a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related, and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee chairman.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Until March 18, 2009, our Compensation Committee was comprised of five independent directors, including two of our independent directors who were appointed to the Compensation Committee on February 26, 2008. Currently our committee consists of four independent directors. The Compensation Committee is responsible for establishing the philosophy and objectives of our compensation programs, designing and administering the various elements of our compensation programs and assessing the performance of our executive officers and the effectiveness of our compensation programs in achieving their objectives.

Compensation Philosophy and Objectives

We are a rapidly growing company operating in an extremely competitive and changing industry. We believe that the skill, talent, judgment and dedication of our executive officers are critical factors affecting the long-term value of our company. Therefore, our goal is to maintain an executive compensation program that will fairly compensate our executives, attract and retain qualified executives who are able to contribute to our long-term success, induce performance consistent with clearly defined corporate objectives and align our executives' long-term interests with those of our shareholders.

We have specifically identified growth in our tangible net book value as our primary corporate objective. We believe growth in our tangible net book value is largely driven by growth in our net earnings, which is in turn partially driven by successfully completing new acquisitions. While we have not identified specific metrics or goals against which we measure the performance of our executive officers, we believe the structure of our bonus plan, as described below, induces performance consistent with our corporate objectives and aligns our executives' long-term interests with those of our shareholders.

Role of Executive Officers and Compensation Consultant

For the fiscal year ended December 31, 2008, Mr. Silvester, our Chief Executive Officer, as the leader of our executive team, assessed the individual contribution of each member of our executive team, other than himself, and, where applicable, made a recommendation to the Compensation Committee with respect to any merit increase in salary, cash bonus and share awards under the 2006-2010 Annual Incentive Compensation Program (the Annual Incentive Plan). The Compensation Committee evaluated, discussed and approved these recommendations and conducted a similar evaluation of Mr. Silvester's contributions to the Company.

Our Chief Executive Officer and Chief Financial Officer also support the Compensation Committee in its work by providing information relating to our financial plans, performance assessments of our executive officers and other personnel-related data. Mr. Harris, our Chief Financial Officer, regularly attends portions of the meetings of our Compensation Committee in connection with performing these functions.

The committee has the authority under its charter to engage the services of outside advisors, experts and others to assist it. The Compensation Committee has not, to date, engaged any third-party consultant to assist it in performing its duties, although it plans to do so in the next twelve months.

Principal Elements of Executive Compensation

Our executive compensation program currently consists of three components: base salaries, annual incentive compensation and long-term incentive compensation. There is no pre-established policy or target for the allocation of these components. Rather, the structure of our annual incentive compensation plan tends to dictate what percentage of our executives' annual compensation is derived from their bonuses as opposed to their base salaries and the value of their perquisites. Our executives are also entitled to certain perquisites, including the payment of a housing allowance to our executives domiciled in Bermuda and certain payments made in lieu of retirement benefit contributions. The Compensation Committee considers all compensation components in total when evaluating and making decisions with respect to each individual component.

Table of Contents

Base Salaries. The salaries of our Chief Executive Officer and our other executive officers are established based on the scope of their responsibilities, taking into account competitive market compensation for similar positions based on publicly available, as well as anecdotal, information available to the Compensation Committee. We believe that our base salary levels are consistent with levels necessary to achieve our compensation objective, which is to maintain base salaries competitive with the market. We believe that below-market compensation could, in the long run, jeopardize our ability to retain our executive officers. Due to the competitive market for highly qualified employees in our industry and our geographic locations, we may choose to set our cash compensation levels at the higher end of the market in the future. Any base salary adjustments are expected to be based on competitive conditions, market increases in salaries, individual performance, our overall financial results and changes in job duties and responsibilities. Pursuant to the employment agreements we have with our Chief Executive Officer and our other executive officers, base salaries are also subject to cost-of-living adjustments, which provide that an increase in an executive officer's base salary with respect to each subsequent year may not be less than the product of the executive officer's base salary multiplied by the annual percentage increase in the retail price index for the United States, as reported in the most recent report of the U.S. Department of Labor for the preceding year. Once increased, the executive officer's annual salary cannot be decreased without his written consent.

Effective April 1, 2008, the Compensation Committee increased the salaries of executive officers by approximately 20% in recognition that their salaries had fallen below what the committee believed were median levels for our market. For 2009, the committee has decided to increase base salaries by 5%, effective March 31, 2009, primarily due to what the committee believed appropriately provided for cost-of-living adjustments. The Compensation Committee also considered current market conditions and the global economic downturn and determined that an increase greater than 5% was not warranted.

Annual Incentive Compensation. We maintain an annual incentive plan, the purpose of which is to set aside 15% of our net after-tax profits to be allocated among our executive officers and employees. The Annual Incentive Plan is designed to reward performance that is consistent with our primary corporate objective of increasing our tangible net book value through growth in our net earnings. The percentage of net after-tax profits comprising the bonus pool will be 15% unless the Compensation Committee exercises its discretion to change the percentage no later than 30 days after the last day of the calendar year.

The allocation of the Annual Incentive Plan pool among our executive officers and the other participants in the plan is the responsibility of the Compensation Committee and is based on individual performance, as determined by the Compensation Committee with significant input from our Chief Executive Officer. The factors considered in evaluating individual performance traditionally have been the executive's contribution to our operating results, including the performance of the areas over which each executive has primary responsibility. For the year ended December 31, 2008, we awarded each of Messrs. Silvester, O'Shea, Packer, Harris and Oros a total bonus of \$1,000,000, consisting of a \$750,034 cash bonus and 4,866 bonus shares with a value on the award date of \$249,996. The bonus shares were awarded through the 2006 Equity Incentive Plan, as more fully described below.

Bonuses paid to executive officers under the Annual Incentive Plan increased compared to last year. This was principally due to the overall bonus pool being larger because of the increase in our net after-tax profits. For 2008, the committee agreed with the Chief Executive Officer's recommendation that each executive officer receive an equal share of the bonus pool as each contributed equally to our performance and each was instrumental in the operating results achieved.

In making compensation decisions for the current fiscal year, the Compensation Committee has evaluated the Annual Incentive Plan and believes that the Annual Incentive Plan is properly aligned with the Company's performance as a whole and does not provide incentives for our executives to take inappropriate or excessive risks in any particular year to the detriment of our long-term success, as any such detriment would negatively affect the amount of the bonus

payments in future years. Furthermore, the committee believes that the bonus structure adequately addresses current market conditions, because the measure of net after-tax profits encompasses all aspects of the Company's performance, including, among many other factors, market-sensitive areas such as the performance of our investment portfolio.

Table of Contents

Long-Term Incentive Compensation. We have established the 2006 Equity Incentive Plan (the Equity Incentive Plan) to provide our employees long-term incentive compensation in the form of share ownership, which we believe furthers our objective of aligning the interests of management and the other participants in the plan with our long-term performance. The Equity Incentive Plan is administered by the Compensation Committee. The Compensation Committee currently expects that the majority of shares available for issuance under the Equity Incentive Plan will be used for the purpose of granting bonus shares, which are issued in lieu of all or a portion of the cash bonus payments under the Annual Incentive Plan. Other awards under the Equity Incentive Plan may be made at varying times and in varying amounts in the discretion of the Compensation Committee, although in 2008 this did not occur.

For the year ended December 31, 2008, each of Messrs. Silvester, O Shea, Packer, Harris and Oros received 4,866 shares as part of each of their \$1,000,000 total bonus award. The bonus share awards to each executive officer had a value on the award date of \$249,996. The Compensation Committee made bonus determinations under the Annual Incentive Plan at its meeting on February 24, 2009, and further decided that approximately \$250,000 of the total \$1,000,000 amount awarded to each executive officer would be payable in shares. The committee determined that the bonus shares would be awarded on the seventh day following the release of our Annual Report on Form 10-K for the year ended December 31, 2008. The choice of this date is consistent with the committee s past practice and reflects the committee s desire to use a market price that reflects the impact of the information contained in our Annual Report. The closing price of our ordinary shares on the Nasdaq Global Select Market for that date, \$51.37, was used to determine the overall number of 4,866 shares awarded to each executive under the Equity Incentive Plan.

The bonus shares awarded to our executive officers were immediately vested and not subject to any restriction on transfer. All of the bonus shares represented the portion of the payout under the Annual Incentive Plan that the Compensation Committee elected to pay in shares rather than cash. Accordingly, each executive received an equal number of shares for the same reason that they each received an equal amount of cash, as discussed above.

Share Ownership Guidelines

We currently do not require our directors or executive officers to own a particular amount of our ordinary shares, nor do we have a policy regarding hedging the economic risk of such ownership. The Compensation Committee is satisfied that the equity holdings among our directors and executive officers are sufficient at this time to provide motivation and to align this group s interests with the interests of our shareholders.

Perquisites

Our executive officers participate in the same group insurance and employee benefit plans, including medical and dental insurance, long-term disability insurance and life insurance, on the same basis as our other salaried employees. In addition, our executive officers generally receive housing allowances and certain other benefits that are described below under Summary Compensation Table Additional Benefits.

Messrs. Silvester, O Shea, Packer and Harris receive housing allowances pursuant to their employment agreements. Because our business is global and we are headquartered in Bermuda, many of our executive officers are required to relocate or to maintain a second residence in order to work for us. Non-Bermudians are significantly restricted by law from owning property in Bermuda and accordingly the housing market is largely based on renting to expatriates who work on the island. As a result, housing allowances have become a common practice for non-Bermudians. To reduce the likelihood that these factors will prevent talented executive officers from joining us and to remain competitive, we provide housing allowances to help defray the cost of maintaining a second residence or working in multiple locations.

Post-Termination Protection and Change in Control

We have entered into employment agreements with Messrs. Silvester, Oros, O Shea, Packer and Harris. Each such agreement provides for accelerated vesting of equity in the event that we are subject to a change in control and the executive officer's employment terminates for specified reasons. See Employment Agreements below for a summary of these employment agreements. The terms of each employment agreement reflect arm's length

Table of Contents

negotiations between us and the executive officer. In addition, our Equity Incentive Plan and our Annual Incentive Plan provide that our executive officers receive certain benefits upon a change in control. These benefits are described below in Potential Payments Upon Termination or Change in Control. The basis for the change in control provisions in both the employment agreements and the incentive plans is that they were consistent with customary industry practice and competitive in the marketplace at the time they were entered into or established.

Financial Restatements

The Compensation Committee has not adopted a policy with respect to whether we will make retroactive adjustments to any cash- or equity-based incentive compensation paid to executive officers (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. Our Compensation Committee believes that this issue is best addressed when the need actually arises, when all of the facts regarding the restatement are known.

Tax and Accounting Treatment of Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct from our U.S. source income in any one year with respect to certain of our executive officers. As a Bermuda-based company with limited U.S. source income, this limitation has not historically impacted our decisions regarding executive compensation.

We account for equity compensation paid to our employees under the rules of SFAS 123(R), which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued.

Summary

The Compensation Committee believes that our compensation philosophy and programs are designed to foster a performance-oriented culture that aligns our executive officers' interests with those of our shareholders. The Compensation Committee also believes that the compensation of our executives is both appropriate and responsive to the goal of improving shareholder value through growth in our tangible net book value.

2006 Enstar Group Limited Equity Incentive Plan

On September 15, 2006, the Board of Directors and shareholders adopted the Equity Incentive Plan, which reserved 1,200,000 ordinary shares for issuance pursuant to awards granted under the Equity Incentive Plan. The Equity Incentive Plan provides that awards may be granted to participants in any of the following forms, subject to such terms, conditions and provisions as the Compensation Committee may provide: (i) incentive stock options (ISOs), (ii) nonstatutory stock options (NSOs), (iii) stock appreciation rights (SARs), (iv) restricted share awards, (v) restricted share units (RSUs), (vi) bonus shares and (vii) dividend equivalents. The maximum aggregate number of ordinary shares subject to each of the following types of awards granted to an employee during any calendar year under the plan is 120,000 shares: options, SARs, restricted share awards and RSUs with performance-based vesting criteria. In addition, the aggregate number of bonus shares granted to an employee under the plan may not exceed 120,000. The Compensation Committee has broad authority to administer the plan, including the authority to select plan participants, determine when awards will be made, determine the type and amount of awards, determine any limitations, restrictions or conditions applicable to each award, and determine the terms of any agreement or other document that evidences an award.

Enstar Group Limited 2006-2010 Annual Incentive Compensation Program

On September 15, 2006, the Board of Directors and shareholders adopted the Annual Incentive Plan. The purpose of the Annual Incentive Plan, which is administered by the Compensation Committee, is to motivate certain officers, directors and employees of the Company and its subsidiaries to grow our profitability. The Annual Incentive Plan provides for the annual grant of bonus compensation (a bonus award) to certain officers and employees of the Company and its subsidiaries, including our senior executive officers. The aggregate amount available for bonus awards for each calendar year from 2006 through 2010 will be determined by the Compensation Committee based on a percentage of our consolidated net after-tax profits, which for the fiscal years ended December 31, 2008, 2007 and 2006 amounted to \$95.9 million, \$61.8 million and \$82.3 million, respectively. The percentage will be 15% unless the Compensation Committee exercises its discretion to change the percentage no later than 30 days after the last day of the calendar year. The Compensation Committee determines, in its sole discretion, the amount of the bonus award paid to each participant. For the fiscal years ended December 31, 2008, 2007 and 2006, the aggregate amount available for bonus awards under the Annual Incentive Plan was \$14.4 million, \$10.9 million and \$14.5 million, respectively, or 15% of our net after-tax profits.

Bonus awards are payable in cash, ordinary shares or a combination of both. Ordinary shares issued in connection with a bonus award will be issued pursuant to the terms and subject to the conditions of the Equity Incentive Plan.

In March 2009, the Compensation Committee granted bonus awards to participants in the Annual Incentive Plan in recognition of services performed during fiscal 2008. The awards to the named executive officers were paid through a combination of cash and fully vested bonus shares granted pursuant to the Equity Incentive Plan; Messrs. Silvester, O Shea, Packer, Harris and Oros were each awarded \$1,000,000 (\$750,034 in cash and 4,866 bonus shares). The Compensation Committee made bonus determinations under the Annual Incentive Plan at its meeting on February 24, 2009, and further determined that the bonus shares would be awarded on the seventh day following the release of our Annual Report on Form 10-K for the year ended December 31, 2008. The choice of this date is consistent with the committee's past practice and reflects the committee's desire to use a market price that reflects the impact of the information contained in our Annual Report. The closing price of our ordinary shares on the Nasdaq Global Select Market for that date, \$51.37, was used to determine the overall number of 4,866 shares awarded to each executive under the Equity Incentive Plan.

In March 2008, the Compensation Committee granted bonus awards to participants in the Annual Incentive Plan in recognition of services performed during fiscal 2007. The awards to the named executive officers were paid through a

combination of cash and fully vested bonus shares granted pursuant to the Annual Incentive Plan and issued pursuant to the Equity Incentive Plan as follows: Mr. Silvester, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. O Shea, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. Packer, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. Harris, \$750,000 (\$562,536 in cash and 1,964 bonus shares); and Mr. Oros, \$375,000

Table of Contents

(\$281,268 in cash and 982 bonus shares). The number of bonus shares was determined based on the closing price of our ordinary shares on the award date.

Retirement Benefits

We maintain retirement plans and programs for our employees in Bermuda, the United Kingdom and the United States. We do not maintain a formal retirement plan for those Bermuda employees who are work permit holders. Instead, we pay out (and, in the case of Mr. Oros, Enstar U.S. pays out) on an annual basis to employees, including each of Messrs. Silvester, O Shea, Packer, Harris and Oros, an amount equal to 10% of their base salaries in lieu of a retirement benefit contribution. The amounts paid to Messrs. Silvester, O Shea, Packer, Harris and Oros are included in the amounts shown in the All Other Compensation column of the Summary Compensation Table above.

The United Kingdom operates a Group Personal Pension Plan with a United Kingdom life assurance company into which we contribute monthly an amount equal to 10% of the employees base pre-tax salary. In addition, the employee may make personal contributions to the plan. The plan is a defined contribution plan and remains the property of the employee who has discretion over investment choices within his individual plan. The plan is fully portable should the employee cease to be employed by us. None of our named executive officers participates in this plan.

In the United States, our subsidiary, Enstar U.S., maintains a 401(k) & Savings Plan, under which employees may contribute a portion of their earnings on a tax-deferred basis and we may make matching contributions. We may also make profit sharing contributions on a discretionary basis. Mr. Oros is the only named executive officer who participates in this plan. Enstar U.S. made matching contributions to Mr. Oros s account of \$6,900 for the year ended December 31, 2008.

Additional Benefits

We provide each of Messrs. Silvester, O Shea, Packer and Harris with a housing allowance, which is included in the amounts shown for each of them in the All Other Compensation column of the Summary Compensation Table above. For the fiscal year ended December 31, 2008, Messrs. Silvester, O Shea and Packer each received \$8,500 per month, and Mr. Harris received \$4,167 per month for the first three months of the year and \$8,500 per month for the remainder of the year.

The Bermudian government imposes payroll taxes and social insurance taxes as a percentage of the employee s salary, a portion of which is the employer s responsibility and a portion of which may be charged to the employee, except for Mr. Oros, who is a U.S. employee. We pay the employee s share of these taxes for all of our employees, including executive officers. This amount is included in the All Other Compensation column of the Summary Compensation Table above for all of our executive officers who are subject to these taxes.

Potential Payments upon Termination or Change in Control

This section describes payments that would be made to our named executive officers upon a change in control of the Company or following termination of employment. In the first part of this section, we describe benefits under general plans that apply to any executive officer participating in those plans. We then describe specific benefits to which each named executive officer is entitled, along with estimated amounts of benefits assuming termination for specified reasons as of December 31, 2008, the last business day of the fiscal year.

2006 Equity Incentive Plan

We maintain the Equity Incentive Plan, as described above. Under the Equity Incentive Plan, upon the occurrence of a change in control, executive officers receive the following benefits:

each option and stock appreciation right then outstanding becomes immediately exercisable, and remains exercisable throughout its entire term, unless exercised, cashed out or replaced;

restricted shares and restricted share units immediately vest; and

any target performance goals or payout opportunities attainable under all outstanding awards of restricted stock, performance units and performance shares are deemed to have been fully attained.

In addition, restricted shares and options granted under the Equity Incentive Plan generally vest fully upon an executive officer's retirement, death or disability. Upon termination of employment due to retirement, death or disability, an optionee has either one year or until the expiration date of the options (whichever occurs first) to exercise any vested options. Optionees generally have either three months or until the expiration date of the options (whichever occurs first) to exercise their options upon any other termination of employment other than termination for cause, in which case all options terminate immediately. In addition, the Compensation Committee may require an optionee to disgorge any profit, gain or other benefit received in respect of the exercise of any awards for a period of up to 12 months prior to optionee's termination for cause. Retirement is defined under the Equity Incentive Plan as termination of employment after attainment of age 65 and completion of a period of service as the Compensation Committee shall determine from time to time. Disability is defined as within the meaning of Section 22(e)(3) of the United States Internal Revenue Code of 1986, as amended (the Code).

Under the Equity Incentive Plan, a change in control occurs if:

a person, entity or group (other than the Company, its subsidiaries, an employee benefit plan of the Company or its subsidiaries which acquires ownership of voting securities of the Company) required to file a Schedule 13D or Schedule 14D-1 under the Exchange Act becomes the beneficial owner of 50% or more of either our then outstanding ordinary shares or the combined voting power of our outstanding voting securities entitled to vote generally in the election of directors;

our Board of Directors is no longer composed of a majority of individuals who were either members as of the date the Equity Incentive Plan was adopted, or whose appointment, election or nomination for election was approved by a majority of the directors then comprising the incumbent board (other than someone who becomes a director in connection with an actual or threatened election contest);

our shareholders approve a reorganization, merger or consolidation by reason of which persons who were the shareholders of the Company immediately prior to such reorganization, merger or consolidation do not,

immediately thereafter, own more than 50% of the combined voting power of the reorganized, merged or consolidated company's then outstanding voting securities entitled to vote generally in the election of directors; or

our shareholders approve a complete liquidation or dissolution of the Company, or the sale, transfer, lease or other disposition of all or substantially all of our assets, and such transaction is consummated.

2006 - 2010 Annual Incentive Compensation Program

In addition to the Equity Incentive Plan, we also maintain the Annual Incentive Plan. Under the Annual Incentive Plan, a change in control affects the measurement period for the executive officers' bonuses under such

Table of Contents

program. The measurement period to determine bonuses for executive officers is the calendar year; however, in the event of a change in control, the measurement period begins on the first day of the calendar year and ends on the date of the change in control, thus, bonuses earned up to that date are paid out sooner than they otherwise would be. A change in control under the Annual Incentive Plan is defined to be the same as a change in control under the executive officers' employment agreement, or if the officer does not have an employment agreement, a change in control is defined the same as a change in control under the Equity Incentive Plan.

Executive Officer Employment Agreements

In addition to the benefits described above, the executive officers are entitled to certain other benefits under their employment agreements upon termination of their employment. Upon termination for any reason, each is entitled to any salary, bonuses, expense reimbursement and similar amounts earned but not yet paid. We (or in the case of Mr. Oros, Enstar U.S.) also provide each executive officer with a supplemental life insurance policy to pay a benefit of five times his base salary upon death.

If the employment of an executive officer terminates as a result of his death, his employment agreement automatically terminates, and his designated beneficiary or legal representatives are entitled to:

a lump sum payment in the amount of five times of the executive officer's base salary upon his death under the life insurance policy maintained by us;

for the year in which the executive officer's employment terminates, provided that we achieve the performance goals, if any, established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that the executive officer would have received had he been employed by us for the full year, reduced on a pro rata basis to reflect the amount of calendar days during the year that he was employed; and

continued medical benefits coverage under the employment agreement for the executive officer's spouse and dependents for a period of 36 months following his death (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his death).

Either the executive officer or we may terminate his employment agreement if the executive officer becomes disabled, by providing 30 days' prior written notice to the other party. Under the executive officers' employment agreements, disability means the executive officer has been materially unable to perform his duties for any reason for 120 days during any period of 150 consecutive days. If the executive officer's employment ends because of disability, then he is entitled to (i) medical benefits for himself for 36 months following termination (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his termination), (ii) his base salary for a period of 36 months (with base salary payments being offset by any payments to the executive officer under disability insurance policies paid for by us), and (iii) for the year in which the executive officer's employment terminates because of disability, provided that we achieve the performance goals, if any, established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that he would have received had he been employed by us for the full year, reduced on a pro rata basis to reflect the amount of calendar days during the year that he was employed.

If we terminate the employment agreement of an executive officer for cause, or if an executive officer voluntarily terminates his employment agreement with us without good reason, we will not be obligated to make any payments to the executive officer other than amounts that have been fully earned by, but not yet paid to, the executive officer.

Under these employment agreements, "cause" means (i) fraud or dishonesty in connection with the executive's employment that results in a material injury to us, (ii) the executive officer's conviction of any felony or crime involving fraud or misrepresentation, (iii) a specific material and continuing failure of the executive officer to perform his duties (other than because of death or disability) following written notice and failure by the executive officer to cure such failure within 30 days, or (iv) a specific material and continuing failure of the executive officer to follow reasonable instructions of the Board of Directors following written notice and failure by the executive officer to cure such failure within 30 days.

Table of Contents

Under the employment agreement, "good reason" means (i) a material breach by us of our obligations under the agreement following written notice and failure by us to cure such breach within 30 days, (ii) the relocation of the executive officer's principal business office outside of Bermuda without his consent (and in addition, for Mr. Oros, the relocation of his principal business office with respect to Enstar U.S. outside of New York City), or (iii) any material reduction in the executive officer's duties or authority.

If we terminate the executive officer's employment without cause, if the executive officer terminates his employment with good reason or if we or the executive officer terminate his employment within one year after a change in control (as defined above under "Potential Payments upon Termination or Change in Control" 2006 Equity Incentive Plan) has occurred, then the executive officer is entitled to:

any amounts (including salary, bonuses, expense reimbursement, etc.) that have been fully earned by, but not yet paid to, the executive officer as of the date of termination;

a lump sum amount equal to three times the executive officer's base salary;

continued medical benefits coverage for the executive officer, his spouse and dependents at our expense for 36 months (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his termination);

each outstanding equity incentive award granted to the executive officer before, on or within three years of the effective date of the employment agreement shall become immediately vested and exercisable on the date of such termination; and

for the year in which the executive officer's employment terminates, provided that we achieve any performance goals established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that the executive officer would have received had he been employed by us for the full year.

The executive officer is also subject to non-competition restrictions and provisions prohibiting solicitation of our employees and our customers during the five-year term of his employment and, if the executive officer fails to remain employed through the five-year term, for a period of 18 months after termination of the agreement, along with ongoing confidentiality and non-disparagement requirements.

Table of Contents

The following table sets forth the termination and/or change in control benefits payable to each executive officer under their employment agreements, assuming termination of employment on December 31, 2008. With the exception of insured benefits and certain payments made by Enstar U.S. to Mr. Oros, all payments will be made by us.

Table of Contents**DIRECTOR COMPENSATION**

Directors who are employees of the Company receive no fees for their services as directors. The non-employee directors receive the following fees: (i) the quarterly retainer fee for each non-employee director is \$15,000; (ii) the fee for each Board of Directors meeting attended other than a telephonic Board of Directors meeting is \$3,500; (iii) the fee for each Audit Committee meeting attended by a committee member is \$1,500; (iv) the fee for each Compensation Committee meeting attended by a committee member is \$1,250; (v) for the Audit Committee chairperson, the quarterly retainer fee is \$2,500; and (vi) for the Compensation Committee chairperson, the quarterly retainer fee is \$1,250; and (vii) the fee for each telephonic Board of Directors meeting is \$1,000.

On June 11, 2007, the Compensation Committee approved the Enstar Group Limited Deferred Compensation and Ordinary Share Plan for Non-Employee Directors (the Deferred Compensation Plan), which became effective immediately. The Deferred Compensation Plan provides each non-employee director with the opportunity to elect (i) to receive all or a portion of his or her compensation for services as a director in the form of our ordinary shares instead of cash and (ii) to defer receipt of all or a portion of such compensation until retirement or termination. Non-employee directors electing to receive compensation in the form of ordinary shares receive whole ordinary shares (with any fractional shares payable in cash) as of the date compensation would otherwise have been payable. Non-employee directors electing to defer compensation have such compensation converted into share units payable as a lump sum distribution after the director's separation from service as defined under Section 409A of the Internal Revenue Code of 1986, as amended. The lump sum share unit distribution will be made in the form of ordinary shares, with fractional shares paid in cash.

The following table summarizes the compensation of our non-employee directors who served in 2008.

In February 2008, Lloyd s Syndicate 2008 entered into RITC

agreements with four Lloyd's syndicates with total gross insurance reserves of approximately \$471.2 million. The letter of credit was secured by a parental guarantee from us in the amount of £12.0 million (approximately \$24.0 million); approximately £11.0 million (approximately \$22.0 million) from the Flowers Fund (acting in its own capacity and not through JCF FPK), by way of a non-voting equity participation; and approximately £13.0 million (approximately \$26.0 million) from available cash on hand. JCF FPK's remaining capital commitment to Lloyd's Syndicate 2008 is approximately £14.0 million (approximately \$28.0 million).

On February 29, 2008, we completed the acquisition of Guildhall Insurance Company Limited (Guildhall), a U.K.-based reinsurance company that has been in run-off since 1986. The purchase price, including acquisition expenses, of approximately £33.4 million (approximately \$65.9 million) was financed by the drawdown of approximately £16.5 million (approximately \$32.5 million) from a U.S. dollar facility loan agreement with a London-based bank; approximately £5.0 million (approximately \$10.0 million) from the Flowers Fund, by way of non-voting equity participation; and approximately £11.9 million (approximately \$23.5 million) from available cash on hand.

On March 5, 2008, we completed the acquisition of AMP Limited's Australian-based closed reinsurance and insurance operations (Gordian). The acquisition was effected through Enstar Australia Holdings Pty Limited, a wholly owned subsidiary of Cumberland Holdings Limited, of which we own 70% and the Flowers Fund owns 30% through a non-voting interest. The purchase price, including acquisition expenses, of AU\$436.9 million (approximately \$405.4 million) was financed by approximately AU\$301.0 million (approximately \$276.5 million), including an arrangement fee of AU\$4.5 million (approximately \$4.2 million), from bank financing provided jointly by a London-based bank and a German bank (in which the Flowers Fund is a significant shareholder); approximately AU\$41.6 million (approximately \$39.5 million) from the Flowers Fund, by way of non-voting equity participation; and approximately AU\$98.7 million (approximately \$93.6 million) from available cash on hand.

On June 20, 2008 we, through our wholly owned subsidiary Enstar Acquisition Ltd. (EAL), announced a cash offer to all of the shareholders of Goshawk Insurance Holdings Plc (Goshawk), at 5.2 pence (approximately \$0.103) for each share (the Offer), conditioned, among other things, on receiving acceptance from shareholders owning 90% of the shares of Goshawk. Goshawk owns Rosemont Reinsurance Limited, a Bermuda-based reinsurer that wrote primarily property and marine business, which was placed into run-off in October 2005. The Offer valued Goshawk at approximately £45.7 million in the aggregate. On July 17, 2008, after acquiring more than 30% of the shares of Goshawk through market purchases, EAL was obligated to remove all of the conditions of the Offer except for the receipt of acceptances from shareholders owning 50% of the shares of Goshawk. On July 25, 2008, the acceptance condition was met and the Offer became unconditional. On August 19, 2008, the Offer closed with shareholders representing approximately 89.44% of Goshawk accepting the Offer for total consideration of £40.9 million (approximately \$80.9 million). The total purchase price, including acquisition costs, of approximately \$82.0 million was financed by a drawdown of \$36.1 million from a credit facility provided by a London-based bank, a contribution of \$11.7 million of the acquisition price from the Flowers Fund, by way of non-voting equity participation, and the remainder from available cash on hand. In connection with the acquisition, Goshawk's bank loan of \$16.3 million was refinanced by the drawdown of \$12.2 million (net of fees) from a credit facility provided by a London-based bank and \$4.1 million from the Flowers Fund.

In July 2008, FPK acted as lead managing underwriter in our sale to the public of 1,372,028 ordinary shares, inclusive of the underwriters' over-allotment, at a public offering price of \$87.50 per share (the Offering). The underwriters purchased the shares at a 2% discount to the public offering price. We received net proceeds of approximately \$116.8 million in the Offering. An affiliate of the Flowers Fund controls approximately 41% of FPK. In addition, the Flowers Fund and certain of its affiliated investment partnerships purchased 285,714 ordinary shares with a value of approximately \$25.0 million in the Offering at the public offering price.

On August 14, 2008, we completed the acquisition of all of the outstanding capital stock of Electricity Producers Insurance Company (Bermuda) Limited from its parent British Nuclear Fuels plc. The purchase price, including acquisition expenses, of £36.7 million (approximately \$68.8 million) was financed by approximately \$32.8 million from a credit facility provided by a London-based bank; approximately \$10.2 million from the Flowers Fund by way of non-voting equity participation, and the remainder from available cash on hand.

On October 27, 2008, our wholly owned subsidiary Kenmare Holdings Ltd., purchased the entire issued share capital of Hillcot Re Ltd., the wholly owned subsidiary of Hillcot Holdings Limited (Hillcot), for consideration of \$54.4 million. Prior to the completion of the transaction, we owned 50.1% of the outstanding share capital of Hillcot and Shinsei Bank, Ltd. (Shinsei), owned the remaining 49.9%. Upon completion of the transaction, Hillcot paid a distribution to Shinsei of approximately \$27.1 million representing its 49.9% share of the consideration. J. Christopher Flowers is a director and the largest shareholder of Shinsei.

On December 30, 2008, our indirect subsidiary Royston Run-Off Limited (Royston) completed the acquisition of Unionamerica Holdings Limited from St. Paul Fire and Marine Insurance Company, an affiliate of The Travelers Companies, Inc. The purchase price of \$343.4 million was financed by \$184.6 million of bank financing provided to Royston through a term facilities agreement; approximately \$49.8 million from the Flowers Fund, by way of its non-voting equity interest in Royston Holdings Ltd., the direct parent company of Royston; and the remainder from available cash on hand.

Other Agreements with Directors and Executive Officers

On January 31, 2007, in connection with the Merger, we entered into a Registration Rights Agreement (the Registration Rights Agreement) with certain of our shareholders identified as signatories thereto. The Registration Rights Agreement provides that, after the expiration of one year from the date of the agreement, any of Trident II, L.P. (Trident) and certain of its affiliates, Mr. Flowers and Mr. Silvester, each referred to as a requesting holder, may require that we effect the registration under the Securities Act of all or any part of such holder s registrable securities. Trident and its affiliates are entitled to make three requests and Messrs. Flowers and Silvester are each entitled to make two requests. Until November 2008, Trident held more than 10% of our shares outstanding.

Indemnification of Directors and Officers; Directors Indemnity Agreements

We have Indemnification Agreements with each of Dominic F. Silvester, Paul J. O Shea, Nicholas A. Packer, J. Christopher Flowers, John J. Oros, Gregory L. Curl, Paul J. Collins, T. Wayne Davis, Robert J. Campbell and T. Whit Armstrong. Each Indemnification Agreement provides, among other things, that we will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee s status as a director or officer of the Company, such indemnitee was, is or is threatened to be made a party or participant in any threatened, pending or completed proceeding, whether of a civil, criminal, administrative, regulatory or investigative nature, against all judgments, fines, penalties, excise taxes, interest and amounts paid in settlement and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements provides for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None of the Indemnification Agreements precludes any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under the Company s governing documents, or any other agreement, any vote of the shareholders of the Company or any applicable law.

Related-Party Transaction Procedures

From time to time, we participate in transactions in which one or more of our directors or executive officers has an interest. In particular, we have invested, and expect to continue to invest, in or with entities that are affiliates of or otherwise related to Mr. Flowers and/or Mr. Oros. Each transaction involving the Company and an affiliate entered into during 2008 was approved by the non-interested members of the Board of Directors.

Our Board of Directors has adopted a Code of Conduct, effective as of January 31, 2007. Our Code of Conduct states that our directors, officers and employees must avoid engaging in any activity, such as related-party transactions, that

might create a conflict of interest or a perception of a conflict of interest. These individuals are required to raise for consideration any proposed or actual transaction that they believe may create a conflict of interest. We expect that members of our Audit Committee will review and discuss any related-party transaction proposed to be entered into by the Company. In addition, on an annual basis, each director and executive officer completes a Directors and Officers Questionnaire that requires disclosure of any transactions with the Company in which he, or any member of his immediate family, has a direct or indirect material interest.

AUDIT COMMITTEE REPORT

The following report is not deemed to be soliciting material or to be filed with the SEC or subject to the SEC's proxy rules or the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act or the Exchange Act.

The primary purpose of the Audit Committee is to assist the Board of Directors in its oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications, independence and performance and the performance of the Company's internal audit function. The Audit Committee is solely responsible for the appointment, retention and compensation of the Company's independent registered public accounting firm. It is not the responsibility of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. This is the responsibility of management and the independent auditors, as appropriate.

In performing its duties, the Audit Committee:

has reviewed the Company's audited financial statements for the year ended December 31, 2008 and had discussions with management regarding the audited financial statements;

has discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61;

has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communication with the Audit Committee concerning independence; and

has discussed with the independent registered public accounting firm their independence, the audited financial statements and other matters the Audit Committee deemed relevant and appropriate.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2008 be included in the Company's Annual Report on Form 10-K for that year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than ten percent of a registered class of our equity securities to file with the SEC and The NASDAQ Stock Market, LLC reports on Forms 3, 4 and 5 concerning their ownership of ordinary shares and other equity securities of the Company. Under SEC rules, we must be furnished with copies of these reports.

Based solely on our review of the copies of such forms received by us and written representations from our executive officers and directors, we believe that, during the fiscal year ended December 31, 2008, all filing requirements applicable to our directors and executive officers and persons who own more than ten percent of a registered class of our equity securities under Section 16(a) were complied with on a timely basis, except that T. Wayne Davis, T. Whit Armstrong, Gregory L. Curl, Paul J. Collins and J. Christopher Flowers inadvertently omitted the receipt of deferred units in the Merger from their Forms 4 filed February 1, 2007.

SHAREHOLDER PROPOSALS FOR 2010 ANNUAL GENERAL MEETING

Shareholder proposals intended for inclusion in the Proxy Statement for the 2010 Annual General Meeting of Shareholders pursuant to Rule 14a-8 under the Exchange Act should be sent to our Secretary at Enstar Group Limited, P.O. Box 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda and must be received by December 31, 2009 and otherwise comply with the requirements of Rule 14a-8 in order to be considered for inclusion in the 2010 proxy materials. If the date of next year's annual general meeting is moved more than 30 days before or after the anniversary date of this year's annual general meeting, the deadline for inclusion of proposals in our proxy materials is instead a reasonable time before we begin to print and mail our proxy materials. If the December 31, 2009 deadline is missed, a shareholder proposal may still be submitted for consideration at the 2010 Annual General Meeting of Shareholders, although it will not be included in the proxy statement if it is received later than March 22, 2010. If a shareholder's proposal is not timely received, then the proxies designated by our Board of Directors for the 2010 Annual General Meeting of Shareholders may vote in their discretion on any such proposal the ordinary shares for which they have been appointed proxies without mention of such matter in the proxy materials for such meeting.

HOUSEHOLDING

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of our proxy statement or annual report may have been sent to multiple shareholders in your household. We will promptly deliver a separate copy of either document to you if you request one by calling or writing to our Secretary at Enstar Group Limited, P.O. Box 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda (Telephone: (441) 292-3645). If you want to receive separate copies of the annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or phone number.

OTHER MATTERS

We know of no specific matter to be brought before the meeting that is not referred to in this proxy statement. If any other matter properly comes before the meeting, including any shareholder proposal properly made, the proxy holders will vote the proxies in accordance with their best judgment on such matter.

WE WILL FURNISH, WITHOUT CHARGE TO ANY SHAREHOLDER, A COPY OF OUR ANNUAL REPORT ON FORM 10-K THAT WE FILE WITH THE SECURITIES AND EXCHANGE COMMISSION.

A COPY OF THE REPORT FOR THE FISCAL YEAR ENDED DECEMBER 31, 2008 MAY BE OBTAINED UPON WRITTEN REQUEST TO OUR SECRETARY AT ENSTAR GROUP LIMITED, P.O. BOX 2267, WINDSOR PLACE, 3RD FLOOR, 18 QUEEN STREET, HAMILTON, HM JX, BERMUDA.
