TPG-Axon Offshore has purchased 3,593,189 Shares, using its investment capital and margin accounts in the ordinary course of business, for a total purchase price of approximately \$151,614,494. TPG-Axon Domestic has purchased 1,882,011 Shares, using its investment capital and margin accounts in the ordinary course of business, for a total purchase price of approximately \$79,416,839.

### ITEM 4. PURPOSE OF TRANSACTION

The Shares reported in this Schedule 13D were originally reported by the Reporting Persons on a Schedule 13G that was filed with the Securities and Exchange Commission on June 26, 2006. The Shares were acquired for investment purposes in the ordinary course of business.

The Reporting Persons believe that the Common Stock is significantly undervalued and represents an attractive investment opportunity. The Reporting Persons believe that the Issuer has valuable and well-positioned assets, whose value is significantly greater than the current market capitalization of the company. However, the valuation of the company, and of those assets, is being depressed and diluted by poor capital discipline. The Reporting Persons believe that in order to avoid further dilution of shareholder value, the Issuer must substantially improve its capital discipline and focus on maximizing return on capital.

Since the merger with Quorum Health Group in 2001, the Issuer has spent all available funds on expansion, resulting in negative free cash flow and dilution to shareholders. The Issuer has been unable to analytically demonstrate that this acquisition strategy is in the interest of shareholders, and does not appear to have sufficient focus on calculating return on investment, and ensuring its adequacy. As a result, growth of cash flow, EBITDA and net income, MEASURED ON A PER SHARE BASIS, have significantly lagged behind comparable companies.

The Reporting Persons believe the Issuer should take actions to increase shareholder value, including, but not limited to, the following:

- 1) significantly reduce capital expenditures and acquisitions;
- 2) implement rigorous analytical standards for capital expenditures;
- 3) increase its focus on margins and efficiency of existing assets; and
- 4) significantly increase stock buybacks, in place of risky and unproven gambles on acquisitions and new facility construction.

The Reporting Persons may engage in discussions and/or take certain actions

Edgar Filing: TRIAD HOSPITALS INC - Form SC 13D

regarding the foregoing, or any other matters, including, without limitation, the Issuer's operations or business development plans, business strategy, management or directors, governance, capitalization, strategic plans, competitive position, capital structure or capital management policy, with management and the directors of the Issuer, other stockholders, industry analysts, existing or potential strategic partners or competitors, and investment and financing professionals. Such discussions may materially affect, and result in, the Reporting Persons' modifying their ownership of Common Stock. The Reporting Persons reserve the right at any time to reconsider and change their plans or proposals relating to the foregoing. Except as set forth herein, the Reporting Persons do not have any

current plan or proposal that would relate to, or result in, any of the matters set forth under subsections (a) through (j) of Item 4 of Schedule 13D.

The Reporting Persons further may purchase, hold, vote, trade, dispose of, engage in short selling of or any hedging or similar transactions with respect to the Common Stock or otherwise deal in the Shares at times, and in such manner, as they deem advisable to benefit from changes in the market price of such Shares, changes in the Issuer's operations, business strategy or prospects, or from sale or merger of the Issuer and based on other factors including, without limitation, the price levels of the Common Stock, availability of funds, subsequent developments affecting the Issuer, the Issuer's business, other investment and business opportunities available to the Reporting Persons, conditions in the securities market, general economic and industry conditions and other factors that the Reporting Persons may deem relevant from time to time. Any acquisition or disposition of shares of, or short sales or other hedging transaction with respect to the shares of, Common Stock by the Reporting Persons may be effected through open market or privately negotiated transactions, or otherwise.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) The Reporting Persons may be deemed to beneficially own, in the aggregate, 5,475,200 Shares, representing approximately 6.2% of the Issuer's outstanding Common Stock (based upon the 87,871,914 Shares stated to be outstanding by the Issuer as of July 31, 2006, in the Issuer's Form 10-Q for the period ending on June 30, 2006, filed with the Securities and Exchange Commission on August 8, 2006). Each of Mr. Singh, Singh LLC, TPG-Axon Management and GPLLC may be deemed to beneficially own 5,475,200 Shares. TPG-Axon Offshore may be deemed to beneficially own 3,593,189 Shares. Each of PartnersGP and TPG-Axon Domestic may be deemed to beneficially own 1,882,011 Shares. Each Reporting Person disclaims beneficial ownership of any of the Shares other than as reported herein as being directly held by it.

(b) As of the date hereof, Mr. Singh, Singh LLC, TPG-Axon Management and GPLLC have, directly or indirectly, the right to vote and dispose or direct the disposition of, 5,475,200 Shares. TPG-Axon Offshore has, directly or indirectly, the right to vote and dispose or direct the disposition of, 3,593,189 Shares.
