**Item 1.01 Entry into a Material Definitive Agreement.**

On May 31, 2018, Registrant entered into accelerated share repurchase (“ASR”) agreements with each of MUFG Securities EMEA plc (“MUFG”) and UBS AG, London Branch (“UBS”) to repurchase an aggregate of \$250 million of Registrant’s Common Stock. The ASR agreements are part of Registrant’s previously announced share repurchase program authorizing Registrant to repurchase up to \$1.0 billion of its Common Stock through open market transactions, including Rule 10b5-1 plans and one or more accelerated repurchase or other structured repurchase transactions, and/or privately negotiated transactions.

Under the terms of the ASR agreements, Registrant will make an aggregate payment of \$250 million on June 1, 2018 from available cash on hand and will receive on the same day an initial delivery of approximately 1,530,000 shares of Registrant’s Common Stock. The total number of shares ultimately repurchased under the ASR agreements will be based on the volume-weighted average stock price of Registrant’s Common Stock during the term of the agreements, less a discount and subject to adjustments pursuant to the terms and conditions of the ASR agreements. At settlement, under certain circumstances, each of MUFG and UBS may be required to deliver additional shares of Common Stock to Registrant or, under certain limited circumstances, Registrant may be required to deliver shares of Common Stock or to make a cash payment, at its election, to MUFG or UBS, as applicable. Each of the ASR agreements is scheduled to terminate no later than the end of July 2018 but may be terminated early in certain circumstances, in whole or in part, including by election of MUFG or UBS, as applicable.

Each of the ASR agreements contains customary terms for these types of transactions, including, but not limited to, the mechanisms to determine the number of shares or the amount of cash that will be delivered at settlement, the required timing of delivery of the shares, the specific circumstances under which adjustments may be made to the transactions, the specific circumstances under which the transactions may be terminated prior to their scheduled maturity and various acknowledgments, representations and warranties made by Registrant and MUFG or UBS, as applicable, to one another.

From time to time, MUFG, UBS and/or their affiliates have directly and indirectly engaged, and may engage in the future, in investment and/or commercial banking transactions with Registrant for which they have received, or may receive, customary compensation, fees and expense reimbursement.

The foregoing description of the ASR agreements does not purport to be complete and is qualified in its entirety by reference to the ASR agreements, copies of which are attached as Exhibits 10.38 and 10.39, and which are incorporated herein by reference.
