AMENDMENT NO. 1 TO SCHEDULE 13D

Reference is hereby made to the statement on Schedule 13D filed with the Securities and Exchange Commission (the "Commission") on September 29, 2011 (the "Schedule 13D"). Terms defined in the Schedule 13D are used herein as so defined.

The following items of the Schedule 13D are hereby amended as follows:

Item 5. Interest in Securities of Issuer

(a) through (c)

DST Systems has closed on a portion of its previously announced purchase of shares of Common Stock of the Fund pursuant to the Standstill Agreements with Karpus Management, Inc. (d/b/a Karpus Investment Management) and Brinker Capital, Inc. (the "Sellers"), in trades executed on November 16, 2011, November 21 and November 22, 2011, for a total of 1,937,426 shares of Common Stock in each case at a per share price of \$4.32, reflecting a total purchase price of \$8.37 million. This represents beneficial ownership of approximately 6.44% of the Fund's total outstanding Common Stock, based on 30,080,350 shares of Common Stock outstanding as of July 19, 2011, as reported in the Fund's Schedule 14A Definitive Proxy Statement filed with the Commission on August 19, 2011. DST Systems subsequently contributed the acquired shares to West Side, following which West Side is the beneficial owner of, and has sole power to vote or to direct the vote or sole power to dispose or to direct the disposition of, such shares. Such securities may be deemed to be indirectly beneficially owned by DST Systems by virtue of the fact that West Side is a wholly owned subsidiary of and is controlled by DST Systems.

DTS and the Sellers amended the Standstill Agreements on November 16, 2011 to provide additional time to complete the purchases of the shares of Common Stock and to fix the per share purchase price for all of the shares of Common Stock of the Fund to be purchased thereunder at \$4.32, reflecting 98% of the NAV per share as of the close of business on November 14, 2011, for a total of 2,524,411 shares and a total purchase price of \$10.9 million. DST Systems expects to close on the remaining 586,985 shares of Common Stock pursuant to the Standstill Agreements prior to December 31, 2011, which, once completed and together with the purchases to date, will reflect total beneficial ownership of approximately 8.4% of the Fund's total outstanding Common Stock (based on 30,080,350 shares of Common Stock outstanding).

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

See Item 5 above.
