Exhibit 99.1

On October 28, 2011, United Bancshares, Inc. issued the following release:

United Bancshares, Inc. (Nasdaq: UBOH – news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$585 million today announced operating results for the quarter and nine month period ended September 30, 2011.

For the quarter ended September 30, 2011, the Corporation reported net income of \$247,000, or \$0.07 basic earnings per share. This compares to the third quarter of 2010 net income of \$879,000, or \$0.26 basic earnings per share. Compared with the same period in 2010, third quarter net income decreased \$632,000 (71.9%) primarily due to a decrease in net interest income of \$752,000 (13.9%), a decrease in non-interest income of \$438,000, and an increase in non-interest expenses of \$229,000 offset by a decrease in the provision for loan losses of \$500,000 and a decrease in the provision for income taxes of \$287,000.

For the nine month period ended September 30, 2011, the Corporation reported net income of \$2,001,000, or \$0.58 basic earnings per share compared to \$2,210,000 or \$0.64 basic earnings per share for the same period in 2010. Compared with the same period in 2010, net income decreased \$209,000, or 9.5%. The decrease for the nine month period ended September 30, 2011, as compared to the nine month period ended September 30, 2010, was primarily the result of a decrease in net interest income of \$1,433,000 (8.9%), offset by an increase in non-interest income of \$592,000 (24.5%), a decrease in non-interest expenses of \$26,000 (0.2%), a decrease in the provision for loan losses of \$525,000 (11.7%) and a decrease in the provision for income taxes of \$81,000 (59.6%).

The Corporation set aside a \$1,400,000 provision for loan losses for the third quarter of 2011 compared to \$1,900,000 for the same period in 2010. A \$3,975,000 provision for loan losses was made for the nine month period ended September 30, 2011 compared to a \$4,500,000 provision for the same period in 2010. In light of high unemployment and the continued uncertainty of the real estate markets in which the Corporation serves, especially with respect to commercial real estate, management believed it prudent to make the aforementioned provisions to the allowance for loan losses. The allowance for loan losses as a percentage of total loans increased to 2.42% at September 30, 2011 compared to 1.92% at September 30, 2010.

For the quarter ended September 30, 2011, non-interest income was \$808,000, compared to \$1,246,000 for the third quarter of 2010, a \$438,000 (35.2%) decrease. For the nine month period ended September 30, 2011, non-interest income was \$3,008,000, compared to \$2,416,000 for the same period in 2010, a \$592,000 (24.5%) increase. The increase in non-interest income for the first nine months of 2011 as compared to 2010 was primarily attributable to a \$617,000 increase in gains on sales of securities and a \$174,000 increase in other non-interest income, offset by a \$199,000 decrease in gains on the sale of loans.

Edgar Filing: LCNB CORP - Form 8-K

For the quarter ended September 30, 2011, non-interest expenses were \$3,992,000, compared to \$3,763,000 for the third quarter of 2010, a \$229,000 (6.1%) increase. For the nine month period ended September 30, 2011, non-interest expenses totaled \$11,593,000, compared to \$11,619,000 for the comparable period of 2010, a decrease of \$26,000 (0.2%).

Total assets amounted to \$584.7 million at September 30, 2011, compared to \$612.6 million at December 31, 2010, a decrease of \$27.9 million, or 4.6%. The decrease in total assets was primarily the result of decreases in total cash and cash equivalents of \$2.7 million (5.5%), gross loans of \$34.3 million (8.9%), other real estate owned of \$1.2 million (27.2%) and other assets of \$1.3 million (18.9%) offset by an increase in available-for-sale securities of \$12.1 million (8.6%). Deposits during this same period decreased \$7.4 million, or 1.5% and other borrowings, consisting of Federal Home Loan Bank (FHLB) borrowings, and customer repurchase agreements, decreased \$24.5 million (44.0%).

Shareholders' equity increased from \$55.0 million at December 31, 2010 to \$58.5 million at September 30, 2011. This increase was the result of net income (\$2.0 million), the issuance of 790 treasury shares under the Corporation's Employee Stock Purchase Plan (\$13,000), and a \$1.5 million increase in unrealized securities gains, net of tax. The increase in unrealized securities gains during the nine month period ended September 30, 2011, was the result of customary and expected changes in the bond market. Net unrealized gains on securities are reported as accumulated other comprehensive income in the consolidated balance sheets.

United Bancshares, Inc. is a locally owned and operated holding company of The Union Bank Company which serves Allen, Hancock, Putnam, Sandusky, Van Wert and Wood Counties in Ohio, with office locations in Bowling Green, Columbus Grove, Delphos, Findlay, Gibsonburg, Kalida, Leipsic, Lima, Ottawa, and Pemberville, Ohio.

This release may contain certain forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. However, such performance involves risk and uncertainties that may cause actual results to differ materially. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, the strength of the local economies in which operations are conducted, the effects of and changes in policies and laws of regulatory agencies, inflation, and interest rates. For further discussion of certain factors that may cause such forward-looking statements to differ materially from actual results, refer to the 2010 Form 10-K.

Quarterly Report

September 30, 2011

Dear Shareholders, Customers, and Employees,

As anticipated, the economic outlook continues to be a concern. Unemployment remains elevated, with no indication that it will decline significantly in the near future. Although confronted with challenges during these economic times, the Company was able to report net income of \$2.0 million, or \$0.58 per share for the nine month period ended September 30, 2011, compared to \$2.2 million, or \$0.64 per share for the same period in 2010. Decreasing loan balances and compression in the net interest margin have negatively impacted net interest income, which decreased \$1.4 million when compared to the first nine months of 2010. This decrease was partially offset by a \$525,000 decrease in the provision for loan losses, a \$592,000 increase in non-interest income and stable non-interest expenses.

Total assets decreased \$27.9 million since December 31, 2010. The Company continues to experience weak loan demand, and loan balances have decreased \$34.3 million during the first nine months of 2011. The Bank has funds available, and certainly has every interest in continuing to lend to our customers and communities. Shareholders' equity has increased \$3.5 million (6.44%) since December 31, 2010, and now exceeds \$58 million.

Like always, the staff continues to work to improve the performance of the organization. Your support is greatly appreciated.

Respectfully,

Daniel W. Schutt
