GENERAL

For a discussion of certain factors, which should be considered in evaluating the Company and its business, see Risk Factors.

Raptor Investments, Inc., formerly Paramark Enterprises, Inc., (the Company), a Florida corporation, was originally formed in December 1985, under the name T.J. Cinnamons, Inc., as a franchiser of specialty retail bakeries. Previous management acquired the Company from its founders in 1992, sold the retail bakeries and franchise system in 1996 to Triarc Restaurant Group, and subsequently developed the Company into a wholesale manufacturer and distributor of specialty bakery products. The majority of the wholesale bakery operations were sold to Rich Products Manufacturing Group in December 2000 with the remaining assets sold to Brooks Street Companies, Inc. in October 2000. In August 2001, the Company completed the sale of 500,000 shares of the Company's common stock in a privately negotiated transaction for a purchase price of \$30,000. The shares were sold to a group of investors. Pursuant to the transaction, the former officers and directors resigned and were replaced by the investors. In December 2001, the Company entered into agreements to acquire LBI Properties, Inc., a development stage real estate holding company, and LBI E Web Communities, Inc., an internet-related holding company. The acquisition of these companies was closed on January 8, 2002. These companies were held by the current management prior to their acquisition by the Company. In October 2001 the Company changed its name to Raptor Investments, Inc. and changed its trading symbol to RAPT. The Company's Common Stock is publicly traded on the OTC Bulletin Board under the symbol RAPT.

-2-

Triarc Restaurant Group Transactions. In 1996, the Company sold the T.J. Cinnamons trade name and other intellectual property to Triarc Restaurant Group (Triarc) in consideration for (i) a purchase price of \$3,540,000, (ii) additional contingent payments of up to \$5.5 million, and (iii) a 99 year royalty free license agreement to sell T.J. Cinnamons branded products through wholesale channels of distribution.

In 1998, the Company restructured its agreements with Triarc whereby the Company terminated the 1996 purchase and license agreements with Triarc in consideration for payments aggregating \$4 million of which \$3 million was paid at closing and \$1 million was tendered in the form of a non interest bearing promissory note payable over a period of 24 months.

Rich Products Transaction. In December 2000, the Company entered into an asset purchase agreement with Rich Products Manufacturing Corporation (Rich Products) through which the Company sold to Rich Products a majority of the assets comprising its bakery operations in El Cajon, California. The Rich Products agreement provided for a purchase price aggregating \$2,182,750 inclusive of a payment for inventory. The aggregate purchase price will be paid as follows: \$193,950 on October 16, 2000, \$1,000,000 on December 15, 2000, and \$1,000,000 payable in semiannual installments over a period of four (4) years. Rich Products is also assuming approximately \$285,000 in equipment lease related debt.

Brooks Street Transaction. In October 2000, the Company also entered into an asset purchase and sale agreement with Brooks Street Companies, Inc. (Brooks Street), pursuant to which the Company sold the remainder of its bakery

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

operations to Brooks Street. The Brooks Street agreement provided for a purchase price in the form of the assumption by Brooks Street of approximately \$70,000 in equipment lease related debt, the purchase of inventory by Brooks Street in the amount of \$12,500 and the agreement by Brooks Street to make royalty payments to the Company, over a period of four (4) years, equal to 5% of net sales of pull-apart cakes to existing customers of the Company plus 1 1/2% of net sales of pull-apart cakes to new customers of Brooks Street.

The foregoing summaries of the Rich Products Agreement and the Brooks Street Agreement are only a brief description of the agreements and are qualified in their entirety by the detailed provisions of the agreements which were filed as exhibits to the Company's Current Report on Form 8-K filed on October 18, 2000, and are incorporated herein by reference.

The Lovito Transaction. In August 2001, the Company completed the sale of 500,000 shares of the Company's common stock in a privately negotiated transaction for a purchase price of \$30,000 to investors, Paul, Matthew and Marc Lovito (the "Lovitos"). Pursuant to the Agreement, on September 22, 2001, the Company's current officers and directors, Charles Loccisano, Alan Gottlich, Philip Friedman and Paul Begun, resigned and were replaced by the Lovitos on the board. In addition, on September 26, 2001, Paul Lovito became the Chairman, President and Chief Executive Officer replacing Alan Gottlich and Charles Loccisano. Marc Lovito became Vice President and Secretary replacing Alan Gottlich, and Matthew Lovito became the Company's Treasurer and Chief Financial Officer replacing Alan Gottlich. The purchase price is being held in an escrow account, with Alan S. Gottlich and Charles Loccisano acting as trustees and signatories, with such funds to be released to the Company upon satisfaction of the escrow obligations, which include the satisfaction of the Company's outstanding obligations and the completion of the stock repurchase (described below), if required. The Agreement also provides that within 12 months after the completion of the stock sale transaction, the Lovitos shall cause the Company to make an offer to all holders of the outstanding shares of the Company's common stock to repurchase their shares at a price of \$0.20 per share through a tender offer provided the market bid price of the Company's common stock is not greater than \$0.20 per share for any consecutive 30-day period during the one-year period following the closing of the previously described stock sale transaction. As a result, no assurance can be given that the repurchase will be commenced or that the repurchase will occur on the terms described herein. If the foregoing offer to shareholders is required and the Lovitos do not fulfill their obligations in connection therewith, the Agreement provides that the Lovitos shall take all actions necessary to add four new members to the Board selected by Messrs. Loccisano and Gottlich. The Agreement also provides that each of Messrs. Loccisano and Gottlich has the right to require the Lovitos to purchase or the Company to repurchase up to one-half of their Paramark shares (the "Loccisano/Gottlich Sale Offer") on the 60th day after the earlier of: (i) the completion of a 30 consecutive trading day period where the Company's common stock had a bid price of \$0.20 per share or higher during the one year period following the consummation of the Stock Sale Transaction; or (ii) the completion of the Company's repurchase, described above. The purchase price paid by the Company or the Lovitos for the Loccisano and Gottlich shares will be \$0.20 per share. At August 20, 2001, Messrs. Gottlich and Loccisano beneficially owned 1,431,924 and 187,339 shares, respectively, of the Company's common stock. The proposed payments to Messrs. Gottlich and Loccisano upon the sale of their shares are subject to a guarantee agreement entered into between the Lovitos and Messrs. Gottlich and Loccisano. Under the terms of the Lovito Guarantee Agreement, the Lovitos, jointly and severally, guarantee the fulfillment of the obligations defined in the Lovito Guarantee. Under the terms of the Agreement, Messrs. Gottlich and Loccisano agreed not to tender any shares during the Company's repurchase, if commenced. In addition, under the terms of the agreement, Messrs. Gottlich and Loccisano agreed not to tender any shares during the Company's repurchase, if commenced or otherwise sell their shares except pursuant to the Loccisano/Gottlich Sale Offer for a specified period. In

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

consideration of this restriction, the Lovitos agreed to pay Messrs. Loccisano and Gottlich an aggregate fee of \$66,000 payable in 12 monthly installments. The Agreement provides for the establishment of an escrow account which shall be used to fund certain expenses of the Company existing prior to the stock sale transaction including, amounts due to Messrs Loccisano and Gottlich pursuant to their employment agreements, director and officer insurance premiums and outstanding trade obligations and legal fees of the Company and Messrs. Loccisano and Gottlich resulting from the Pensabene litigation. The obligations of the Company under the Agreement are also secured by an Agreement between the

-3-

Lovitos and Messrs. Loccisano and Gottlich which provides that Messrs. Loccisano and Gottlich may designate four new board members if the Lovitos fail to fulfill their obligations under the Agreement and the Lovitos agree to take all corporate action necessary to add such individuals to the board. As part of these transactions, the Lovitos agreed to enter into consulting agreements with each of Messrs. Gottlich and Loccisano which require Messrs. Loccisano and Gottlich to consult with the Lovitos on the operations of a public company and related matters in exchange for the payment of \$24,000 payable in 12 equal monthly installments. Pursuant to the terms of the Agreement, the Lovitos also agreed to take action to cause the Company to register the Loccisano and Gottlich shares for resale pursuant to the applicable requirements of the SEC. The Agreement also provides that the Company's obligations to Messrs. Loccisano and Gottlich pursuant to their employment agreements shall be secured by the assignment of payments from the Rich Products Asset Purchase Agreement. As a result of the Company entering into the above-described Agreement, the Board of Directors unanimously approved the termination of the proposed Plan of Liquidation previously approved by stockholders at the Company's Annual Meeting held on December 15, 2000, effective upon the consummation of the share purchase transaction.

The Company will seek to become a diversified holding company with a primary focus on providing corporate financial consulting services to various business entities and the acquisition, management, sale and lease of real estate. The Company will also seek to enhance shareholder value through the acquisition of various private companies.

Plan of Liquidation. The Company's shareholders approved a plan of liquidation on December 15, 2000 pursuant to which the Company would distribute all remaining net proceeds from the Rich Products transaction and the Brooks Street transaction to its shareholders over a period of four (4) years . As a result of the Company entering into the above-described Agreement with the Lovitos (See "Lovito Transaction"), the Board of Directors unanimously approved the termination of the proposed Plan of Liquidation previously approved by stockholders at the Company's Annual Meeting held on December 15, 2000, effective upon the consummation of the share purchase transaction.

LBI Properties, Inc. Transaction. In December 2001, the Company entered into an Acquisition Agreement with LBI Properties, Inc., a Florida corporation, and the shareholders of LBI Properties. The shareholders of LBI Properties include the Company's Chairman, President and CEO Paul F. Lovito, Jr., the Company's CFO and Treasurer Matthew J. Lovito and the Company's Vice President and Director Marc A. Lovito, officers and directors of the Company. Pursuant to the Acquisition Agreement, the Company effected the stock exchange at the rate of 1:5. The Company acquired all of the issued and outstanding shares of the Common Stock of LBI Properties in exchange for the issuance of 19,974,298 shares of the Common Stock of the Company to be delivered to the LBI Properties shareholders on a

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

pro-rata basis. This acquisition closed on January 8, 2002. LBI Properties is an early stage real estate holding company. LBI Properties currently owns a residential lot in Cape Coral, Florida, and has identified two additional residential lots that it intends to acquire in the near future. In addition to the foregoing, LBI Properties is seeking acquisitions in the following areas: income producing commercial and residential properties, residential development projects, leisure and destination properties, and real estate service operations.

LBI E Web Communities, Inc. Transaction. In December 2001, the Company entered into a Stock Acquisition Agreement with the Company's Chairman, President and CEO Paul F. Lovito, Jr., the Company's CFO and Treasurer Matthew J. Lovito, Company's Vice President and Director Marc A. Lovito, Darrin Lovito and LBI Capital Partners, L.P., a limited partnership in which the Company's Chairman, President and CEO is a general partner, as shareholders of LBI E Web Communities, Inc., a Florida corporation. Pursuant to the Stock Agreement, the Company effected the stock exchange at the rate of 1:3. Brassbulls.com and MyEnumber.com websites are in the final phases of construction while the development of the other listed websites will commence shortly. LBI E Web plans to create a network of self-developed websites covering a diverse universe of subjects.

Raptor Merger Transaction. In December 2001., current management and the majority shareholders approved and effected a corporate reorganization, the principal feature of which was to transfer the Company's legal domicile from Delaware to Florida pursuant to an Agreement and Plan of Merger between the Company and its wholly-owned subsidiary, Raptor Investments, Inc., a Florida corporation, wherein the Florida corporation was the surviving corporation.

The foregoing summaries of the Lovitos Agreement, the LBI Properties, Inc. Agreement, the LBI E Web Agreement and the Raptor Merger are only a brief description of the agreements and are qualified in their entirety by the detailed provisions of the agreements which were filed as exhibits to the Company's Current Report on Form 8-K filed on August 23, 2001 (Lovitos Transaction), Schedule 14C filed on December 3, 2001 (Raptor Merger) and Form 8-K filed on January 7, 2002 (LBI Properties, Inc. and LBI E Web Communities, Inc. Risk Factors

In addition to the other information in this report, the following information should be considered carefully by investors in evaluating the Company and its business.

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

(a) History of Operating Losses; Operating Cash Flow Deficit. The Company has had net operating losses since 1988. For the fiscal year ended December 31, 2001, the Company's net operating loss on a going concern basis was \$560,478. The Company has been and is currently experiencing an operating cash flow deficit primarily because its current expenses exceed its current revenues. There can be no assurance that the Company will achieve profitable operations and a positive cash flow. See Management's Discussion and Analysis of Financial Conditions and Results of Operations.

(b) Lack of Liquidity; Volatility of Market Price of Common Stock. The Common Stock of the Company was delisted from the Nasdaq SmallCap Market on January 7, 1998 and is presently quoted and traded on the OTC Bulletin Board. As a result, the purchaser of the Company's securities may find it more difficult to dispose of, or to obtain accurate quotations as to the market value of the Common Stock. Consequently, there can be no assurance that an active and liquid market for the Common Stock or the uniform quotation of prices for the Common Stock can be sustained. The market price for the Company's Common Stock may also be significantly affected by such factors as the introduction of new products by the Company or its competitors. Additionally, in recent years, the stock market has experienced a high level of price and volume volatility, and market prices for many companies, particularly small and emerging growth companies, the securities of which trade in the over-the-counter market, have experienced wide price fluctuations not necessarily related to the operating performance of such companies. The market price and liquidity of the Company's Common Stock may also be significantly affected by the general business condition of the Company.

As a result of the delisting of the Company's securities from the Nasdaq SmallCap Market, sales of the Company's securities are within the scope of Securities and Exchange Commission rules that imposes additional sales practice requirements on broker-dealers who sell such securities to persons other than their established customers and accredited investors (generally institutions with assets in excess of \$5,000,000 or individuals with a net worth in excess of \$1,000,000 or annual income exceeding \$200,000 or \$300,000 jointly with their spouses). For transactions covered by that rule, the broker-dealer must make a special suitability determination with respect to each purchaser, and receive the purchaser's written agreement to the transaction prior to the sale. Consequently, the rule may affect the ability of broker-dealers to sell the Company's securities and also may affect the ability of current shareholders to sell their securities in the secondary market. There can be no assurance that trading of the Company's securities will not be adversely affected by the Company's failure to comply with these or other regulations that could adversely effect the market for such securities.

(c) Effect of Penny Stock Rules on Liquidity for the Company's Securities. The Securities and Exchange Commission (the Commission) regulations define a penny stock to be an equity security not registered on a national securities exchange, or for which quotation information is disseminated on the Nasdaq SmallCap Market that has a market price (as therein defined) of less than \$5.00 per share or an exercise price of less than \$5.00 per share, subject to certain exemptions. For any transaction involving a penny stock, unless exempt, the rules require delivery, prior to a transaction in a penny stock, of a disclosure schedule prepared by the Commission relating to the penny stock market. Disclosure is also required to be made about commissions payable to both the broker-dealer and the registered representative and current quotations for the securities. Finally, monthly statements are required to be sent disclosing recent price information for the penny stock held in the account and information on the limited market in penny stocks.

The foregoing required penny stock restrictions apply to the Company's securities if such securities continue to be listed on the OTC Bulletin Board, and have certain price and volume information provided on a current and

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

continuing basis or meet certain minimum net tangible assets or average return criteria. In any event, even if the Company's securities were exempt from such restrictions, the Company would remain subject to Section 15(b)(6) of the Securities Exchange Act of 1934, as amended, which gives the Commission the authority to prohibit any person that is engaged in unlawful conduct while participating in a distribution of a penny stock from associating with a broker-dealer or participating in a distribution of a penny stock, if the Commission finds that such a restriction would be in the public interest. Since the Company's securities are subject to the rules on penny stocks, the market liquidity for the Company's securities could be materially and adversely affected. Any disruption in the liquid market of the Company's Common Stock could limit the Company's access to the equity markets in the future, and could have a materially adverse effect on the Company's business, financial conditions and results of operations.

(d) Dividend Policy. To date, the Company has not paid any dividends on its Common Stock. The Board of Directors does not anticipate declaring any cash dividends on its Common Stock in the foreseeable future. Future dividends, if any, will be dependent upon the results of operations and financial condition of the Company, tax considerations, industry standards, economic conditions, general business practices and other factors.

-5-

(e) Control by Directors and Executive Officers. The directors, executive officers and their affiliates own approximately 75.92% of the Company's outstanding Common Stock and, therefore, are in a position to elect all of the Company's directors who, in turn, elect all of the Company's executive officers. Members of management, if acting in concert, will have sufficient voting power to control the outcome of all corporate matters submitted to the vote of shareholders, including the election of directors, changes in the size and composition of the Board of Directors, mergers, tender offers, and open-market purchase programs that could give shareholders of the Company the opportunity to realize a premium over the then-prevailing market price for their shares. In addition, the concentration of ownership in several members of management could have the effect of delaying or preventing a change in control of the Company and may effect the market price of the Company's common stock.

ITEM 2. PROPERTIES

The corporate offices of Raptor Investments, Inc. are in Coral Springs, Florida, and consist of approximately 3000 square feet of office space. The office space is currently provided by an affiliated corporation at a cost of \$0.

ITEM 3. LEGAL PROCEEDINGS

In November 1998, the Company filed a civil action against Sweet Goods LLC, Gary Kleinman and Robert Statman (the Defendants) in the Superior Court of New Jersey. The claim is for the collection of invoices aggregating approximately \$115,000 representing the value of certain baked goods delivered to the Defendants. On July 12, 2000 the Company obtained a judgment against Sweet Goods LLC, Gary Kleinman and Robert Statman. The Company is currently pursuing collection activities against the Defendants, however one of the defendants Gary Kleinman has filed a voluntary petition for bankruptcy.

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

In 2000, the Company received discrimination and wrongful termination claims brought by two separate employees (Vargas and DeSantiago) employed at the Company's bakery facility in El Cajon, California. These claims are currently pending in the California Department of Fair Employment and Housing. The Company has fully responded to all requests for information and has formally denied liability. The investigation regarding these claims is currently pending.

In January 2001, the Company and certain of its officers were named as a defendant in a civil action filed by Pensabene International, Inc. (the Plaintiff) in the Superior Court for the State of California. The claim is for damages for misappropriation of trade secrets, trade libel, breach of confidentiality, breach of fiduciary duty, tortuous interference with economic relations, breach of contract, common law palming off, unfair business practices and a violation of state antitrust laws. This action arose resulted from the Company's employment of Kandy Konn, a former employee and consultant of the Plaintiff. On February 8, 2002 the Company and certain of its officers received a jury verdict in favor of all defendants on all claims.

In addition, the Company from time to time has been involved in routine litigation, including litigation with various vendors and creditors. None of these litigation matters in which the Company has been involved is material to its financial condition or results of operations.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

None

Forward-looking statements involve estimates of the Company's financial position, business strategy and other plans and objectives future operations. Although the Company believes that these expectations are reasonable, there can be no assurance that the actual results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected effects on its business or operations.

PLAN OF OPERATION

The Company's operations for 2001 consisted of "winding down" the Company's previous operations. In September of 2001 the Company changed management and the focus of the Company's operations. During 2001 the Company pursued business consulting contracts from publicly traded and privately held companies. The Company plans to provide consultation in various areas including: mergers and acquisitions; venture capital; public relations; restructuring and financing. As of December 2001 the Company had been unable to secure any contracts. The Company plans to market its services to publicly traded and privately held companies through referrals and advertising in various business publications.

In addition to its consulting services, the Company plans to develop the Company into a holding company through the acquisition of various business operations. In March 2002 the Company entered into a Letter of Intent to acquire a wholesale produce distribution company. The Company is currently seeking capital to complete this acquisition and to date has been unable to procure financing. Due to the Company's lack of capital, there can be no assurances that it will be able to complete the acquisition of the wholesale produce distribution company.

In December 2001, the Company entered into an agreement to acquire LBI Properties, Inc. LBI Properties is an early stage real estate holding company. LBI Properties currently owns a residential lot in Cape Coral, Florida, and has identified two additional residential lots that it intends to acquire in the near future. In addition to the foregoing, LBI Properties is seeking acquisitions in the following areas: income producing commercial and residential properties, residential development projects, leisure and destination properties, and real estate service operations. The Company plans to fund the acquisition of real estate through mortgage financing, seller financing and the issuance of its stock.

In addition to the agreement to acquire LBI Properties, the Company entered into an agreement in December 2001 to acquire LBI E Web Communities, Inc. LBI E Web is an Internet related holding company that currently owns the following five domain names: FinanceItOnTheWeb.com (a financial services directory site), Brassbulls.com (a public relations and financial information site), MyEnumber.com (an online address book and one stop Rolodex), Homewaiter.com (a

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

food delivery and information site), and Mimesaro.com (a Spanish food delivery and information site). Brassbulls.com and MyEnumber.com websites are in the final phases of construction while the development of the other listed websites will commence shortly. LBI E Web plans to create a network of self-developed websites covering a diverse universe of subjects. The development of these websites is currently being funded by the Company's Chairman, President and CEO until such time as the Company is able to secure adequate capital.

RESULTS OF OPERATIONS.

From inception to December 2000, the Company was engaged in the wholesale bakery business. In December 2000, the Company entered into an asset purchase agreement with Rich Products Manufacturing Corporation (Rich Products) through which the Company sold to Rich Products a majority of the assets comprising its bakery operations in El Cajon, California. The Rich Products agreement provided for a purchase price aggregating \$2,182,750 inclusive of a payment for inventory. The aggregate purchase price will be paid as follows: \$193,950 on October 16, 2000, \$1,000,000 on December 15, 2000, and \$1,000,000 payable in semiannual installments over a period of four (4) years. Rich Products is also assuming approximately \$285,000 in equipment lease related debt.

Since December 2000, the Company has been "unwinding" the previous operations, defending any outstanding litigation and resolving any outstanding debts.

Revenues for the fiscal year ended December 31, 2001 decreased to \$71,348, from \$5,454,685 in revenues for 2000. This decrease in revenues was a result of the sale of the majority of the Company's assets to Rich Products in December 2000. Our operating loss decreased to \$560,478 in 2001 as compared to \$1,169,003 in 2000 as a result of a decrease in selling, general and administrative expenses from \$1,916,631 for 2000 to \$142,234 in 2001.

The Company's decrease in revenues and net loss are a direct result of its sale of its assets and bakery operations to Rich Products in December 2000.

LIQUIDITY AND CAPITAL RESOURCES

As of December 31, 2001, the Company had a stockholder's deficit of \$162,450. As of December 2001 the Company also incurred losses of \$560,478. The Company plans to decrease this deficit and reduce losses by retaining business consulting clients in the private and public sector. In addition, the Company plans to seek the acquisition of income producing assets in exchange for its securities.

-8-

The Company currently has very restricted liquidity. As a result of the sale of the Company's assets to Rich Products, the Company has a note receivable of \$684,951. This note is currently being used to defend pending litigations, settle past debts and to satisfy former management's employment agreements.

Unless and until the Company successfully obtains consulting clients and/or acquires revenue producing assets, it will use its equity and the resources of its CEO, Paul Lovito, to finance its operations. However, no assurances can be provided that the Company will be successful in acquiring assets, whether revenue-producing or otherwise, or that Mr. Lovito will continue to assist in financing the Company's operations.

AP&M's report upon the Company's financial statements for its fiscal years ended December 31, 2000 and 1999 did not contain an adverse opinion or a disclaimer of opinion, nor was such report qualified or modified as to audit scope or accounting principles. The report was prepared assuming that the Company will continue as a going concern. During the Company's fiscal years ended December 31, 2000 and 1999 to the date of AP&M's dismissal (the "Interim Period"): (i) there were no disagreements (of the nature contemplated by Item 304 (a) (1) (iv) of Regulation S-K ("Disagreements") between the Company and AP & M; and (ii) there were no reportable events of the nature contemplated by Item 304(a) (2) (i) - (ii) of Regulation S-K.

On March 6, 2002 the Company engaged Weinberg & Co. ("WC") as its independent public accountants for the Company's fiscal year ended December 31, 2001. During the Company's two fiscal years ended December 31, 2000, the Interim Period and the Second Interim Period, the Company did not consult with WC with respect to any of the matters contemplated by Item 304 (a) (2) (i) - (ii) of Regulation S-K.

THE LOVITO TRANSACTION

In August 2001, the Company completed the sale of 500,000 shares of the Company's common stock in a privately negotiated transaction for a purchase price of \$30,000 to investors, Paul, Matthew and Marc Lovito (the "Lovitos"). Pursuant to the Agreement, on September 22, 2001, the Company's current officers and directors, Charles Loccisano, Alan Gottlich, Philip Friedman and Paul Begun, resigned and were replaced by the Lovitos on the board. In addition, on September 26, 2001, Paul Lovito became the Chairman, President and Chief Executive Officer replacing Alan Gottlich and Charles Loccisano. Marc Lovito became Vice President and Secretary replacing Alan Gottlich, and Matthew Lovito became the Company's Treasurer and Chief Financial Officer replacing Alan Gottlich. The purchase price is being held in an escrow account, with Alan S.Gottlich and Charles Loccisano acting as trustees and signatories, with such funds to be released to the Company upon satisfaction of the escrow obligations, which include the satisfaction of the Company's outstanding obligations and the completion of the stock repurchase (described below), if required. The Agreement also provides that within 12 months after the completion of the stock sale transaction, the Lovitos shall cause the Company to make an offer to all holders of the outstanding shares of the Company's common stock to repurchase their shares at a price of \$0.20 per share through a tender offer provided the market bid price of the Company's common stock is not greater than \$0.20 per share for any consecutive 30 day period during the one year period following the closing of the previously described stock sale transaction. As a result, no assurance can be given that the repurchase will be commenced or that the repurchase will occur on the terms described herein. If the foregoing offer to shareholders is required and the Lovitos do not fulfill their obligations in connection therewith, the Agreement provides that the Lovitos shall take all actions necessary to add four new members to the Board selected by Messrs. Loccisano and Gottlich. The Agreement also provides that each of Messrs. Loccisano and Gottlich has the right to require the Lovitos to purchase or the Company to repurchase up to one-half of their Paramark shares (the "Loccisano/Gottlich Sale Offer") on the 60th day after the earlier of: (i) the completion of a 30 consecutive trading day period where the Company's common stock had a bid price of \$0.20 per share or higher during the one year period following the consummation of the Stock Sale Transaction; or (ii) the completion of the Company's repurchase, described above. The purchase price paid by the Company or the Lovitos for the Loccisano and Gottlich shares will be \$0.20 per share. At August 20, 2001, Messrs. Gottlich and Loccisano beneficially owned 1,431,924 and 187,339 shares, respectively, of the Company's common stock. The proposed payments to Messrs. Gottlich and Loccisano upon the sale of their shares are subject to a guarantee agreement entered into between the Lovitos and Messrs. Gottlich and Loccisano. Under the terms of the Lovito Guarantee Agreement, the Lovitos, jointly and severally, guarantee the fulfillment of the obligations defined in the Lovito Guarantee. Under the terms of the Agreement, Messrs. Gottlich and Loccisano agreed not to tender any shares during the Company's repurchase, if commenced. In addition, under the terms of the agreement, Messrs. Gottlich and Loccisano agreed not to tender any shares during the Company's repurchase, if commenced or otherwise sell their shares except pursuant to the Loccisano/Gottlich Sale Offer for a specified period. In consideration of this

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

restriction, the Lovitos agreed to pay Messrs. Loccisano and Gottlich an aggregate fee of \$66,000 payable in 12 monthly installments. The Agreement provides for the establishment of an escrow account which shall be used to fund certain expenses of the Company existing prior to the stock sale transaction including, amounts due to Messrs Loccisano and Gottlich pursuant to their employment agreements, director and officer insurance premiums and outstanding trade obligations and legal fees of the Company and Messrs. Loccisano and Gottlich resulting from the Pensabene litigation. The obligations of the Company under the Agreement are also secured by an Agreement between the Lovitos and Messrs. Loccisano and Gottlich which provides that Messrs. Loccisano and Gottlich may designate four new board members if the Lovitos fail to fulfill their obligations under the Agreement and the Lovitos agree to take all corporate action necessary to add such individuals to the board. As part of these transactions, the Lovitos agreed to enter into consulting agreements with each of Messrs. Gottlich and Loccisano which require Messrs. Loccisano and Gottlich to consult with the Lovitos on the operations of a public company and related matters in exchange for the payment of \$24,000 payable in 12 equal monthly installments. Pursuant to the terms of the Agreement, the Lovitos also agreed to take action to cause the Company to register the Loccisano and Gottlich shares for resale pursuant to the applicable requirements of the SEC. The Agreement also provides that the Company's obligations to Messrs. Loccisano and Gottlich pursuant to their employment agreements shall be secured by the assignment of payments from the Rich Products Asset Purchase Agreement. As a result of the Company entering into the above-described Agreement, the Board of Directors unanimously approved the termination of the proposed Plan of Liquidation previously approved by stockholders at the Company's Annual Meeting held on December 15, 2000, effective upon the consummation of the share purchase transaction.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of:
Raptor Investments, Inc.

We have audited the accompanying balance sheet of Raptor Investments, Inc. as of December 31, 2001 and the related statements of operations, changes in stockholders' deficiency and cash flows for the year ended December 31, 2001. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of Raptor Investments, Inc. as of December 31, 2001 and the results of its operations and its cash flows for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

Company will continue as a going concern. As discussed in Note 7 to the financial statements, the Company had a net loss from current operations of \$560,478, a negative cash flow from operations of \$325,912, a working capital deficiency of \$611,050 and a stockholders' deficiency of \$162,450. These matters raise substantial doubt about the Company's ability to continue as a going concern. Management's plan in regards to these matters is also described in Note 7. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

RAPTOR INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND ORGANIZATION

(A) ORGANIZATION

Raptor Investments, Inc. formerly Paramark Enterprises, Inc. (Delaware), a Delaware corporation was merged with and into Raptor Investments, Inc., a Florida corporation (the "Company") on December 24, 2001. Upon completion of the merger, the Delaware corporation ceased existence as of the date of the merger and the Company became the reporting entity.

(B) BASIS OF PRESENTATION

In 2001, as a result of the merger, the Company's plan of liquidation was abandoned and their financial statements as of and for the year ended December 31, 2001 have been presented on the accrual basis in

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

conformity with accounting principles generally accepted in the United States of America (See Note 7 for going concern uncertainty).

For the period through September 30, 2000, Paramark Enterprises, Inc financial statements were prepared on a going concern basis. As a result of the sale of substantially all of Paramark Enterprises, Inc (Delaware) assets to Rich Products and Brooks Street (See Note 2) and the plan of complete liquidation and dissolution, the Delaware company changed its basis of accounting from the going concern basis to the liquidation basis in accordance with generally accepted accounting principles, effective October 1, 2000. This basis of accounting is considered appropriate when, among other things, liquidation of a company appears imminent and the net realizable value of its assets are reasonably determinable. Consequently, assets had been valued at estimated net realizable value and liabilities were presented at their estimated settlement amounts for the period from October 1, 2000 to December 31, 2000.

(C) PRINCIPLES OF CONSOLIDATION

In 2000, consolidated financial statements for the period ended September 30, 2000 include the accounts of Paramark Enterprises, Inc. (Delaware) and its wholly owned subsidiary Starbake Brands, Inc., after elimination of all significant intercompany balances and transactions.

The 2001 financial statements are not consolidated due to the dissolution of Paramark Enterprises, Inc on December 24, 2001 see Note 1(A), and consist solely of Raptor Investment, Inc.

10

RAPTOR INVESTMENTS, INC. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2001

(D) USE OF ESTIMATES

In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reported period. Actual results could differ from those estimates.

(E) CASH AND CASH EQUIVALENTS

For purposes of the cash flow statements, the Company considers all highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents.

(F) FAIR VALUE OF FINANCIAL INSTRUMENTS

Statement of Financial Accounting Standards No. 107, "Disclosures about Fair Value of Financial Instruments", requires disclosures of information about the fair value of certain financial instruments for which it is practicable to estimate the value. For purposes of this disclosure, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties other than in a forced sale or liquidation.

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

The carrying amounts of the Company's contract, royalty and accounts receivable, accounts payable and accrued liabilities, approximates fair value due to the relatively short period to maturity for these instruments.

(G) INCOME TAXES

The Company accounts for income taxes under the Financial Accounting Standards Board Statement of Financial Accounting Standards No. 109 "Accounting for Income Taxes" ("Statement 109"). Under Statement 109, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. Under Statement 109, the effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

(H) EARNINGS (LOSS) PER SHARE

Net loss per common share for the period ended December 31, 2000 is required to be computed based on the weighted average common stock and dilutive common stock equivalents outstanding during the year as defined by Statement of Financial Accounting Standards, No. 128; "Earnings Per Share".

11

RAPTOR INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

(I) NEW ACCOUNTING PRONOUNCEMENTS

The Financial Accounting Standards Board has recently issued several new Statements of Financial Accounting Standards. Statement No. 141, "Business Combinations" supersedes APB Opinion 16 and various related pronouncements. Pursuant to the new guidance in Statement No. 141, all business combinations must be accounted for under the purchase method of accounting; the pooling-of-interests method is no longer permitted. SFAS 141 also establishes new rules concerning the recognition of goodwill and other intangible assets arising in a purchase business combination and requires disclosure of more information concerning a business combination in the period in which it is completed. This statement is generally effective for business combinations initiated on or after July 1, 2001.

Statement No. 142, "Goodwill and Other Intangible Assets" supercedes APB Opinion 17 and related interpretations. Statement No. 142 establishes new rules on accounting for the acquisition of intangible assets not acquired in a business combination and the manner in which goodwill and all other intangibles should be accounted for subsequent to their initial recognition in a business combination accounted for

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

under SFAS No. 141. Under SFAS No. 142, intangible assets should be recorded at fair value. Intangible assets with finite useful lives should be amortized over such period and those with indefinite lives should not be amortized. All intangible assets being amortized as well as those that are not, are both subject to review for potential impairment under SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of". SFAS No. 142 also requires that goodwill arising in a business combination should not be amortized but is subject to impairment testing at the reporting unit level to which the goodwill was assigned to at the date of the business combination.

SFAS No. 142 is effective for fiscal years beginning after December 15, 2001 and must be applied as of the beginning of such year to all goodwill and other intangible assets that have already been recorded in the balance sheet as of the first day in which SFAS No. 142 is initially applied, regardless of when such assets were acquired. Goodwill acquired in a business combination whose acquisition date is on or after July 1, 2001, should not be amortized, but should be reviewed for impairment pursuant to SFAS No. 121, even though SFAS No. 142 has not yet been adopted. However, previously acquired goodwill should continue to be amortized until SFAS No. 142 is first adopted.

Statement No. 143 "Accounting for Asset Retirement Obligations" establishes standards for the initial measurement and subsequent accounting for obligations associated with the sale, abandonment, or other type of disposal of long-lived tangible assets arising from the acquisition, construction, or development and/or normal operation of such assets. SFAS No. 143 is effective for fiscal years beginning after June 15, 2002, with earlier application encouraged.

The adoption of these pronouncements will not have a material effect on the Company's financial position or results of operations.

NOTE 2 CONTRACT RECEIVABLE

On December 15, 2000, Paramark Enterprises, Inc (Delaware) consummated an asset purchase agreement with Rich Products, pursuant to which Paramark Enterprises, Inc (Delaware) sold its bakery operations located in El Cajon, California representing a majority of their operating assets. The agreement provided for a purchase price aggregating \$2,193,950 inclusive of a payment for inventory. The aggregate purchase price was paid as follows: \$193,950 on October 16, 2000, \$1,000,000 on December 15, 2000 and \$1,000,000 payable in semiannual installments over a period of four years. The note was \$684,951 as of December 31, 2001 stated at fair value. The Purchaser also assumed approximately \$285,000 in equipment lease related debt.

By a separate agreement Paramark Enterprises, Inc. sold the remainder of their assets to Brooks Street. The agreement provided for contingent royalty payments to Paramark Enterprises, Inc., over a period of four years, equal to 5% of net sales of pull-apart cakes to existing customers of the Company plus 1 1/2% of net sales of pull-apart cakes

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

to new customers of Brooks Street. Paramark Enterprises, Inc recognized royalty income of \$1,347 under this agreement during 2001. The agreement also provided for the assumption of equipment lease related debt and the purchase of inventory.

Under the above agreements, both parties agreed to pay amounts owed into an escrow account which was established to ensure the payment of the account payables on Paramark Enterprises, Inc. books as at the merger date (See Note 1(A)).

NOTE 3 EQUITY

During August 2001, the Company sold 500,000 shares of common stock to investors for cash of \$30,000.

NOTE 4 INCOME TAXES

Income tax expense (benefit) for the period ended December 31, 2001 is summarized as follows:

13

RAPTOR INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

The Company's tax expense differs from the "expected" tax expense for the period ended December 31, 2001 as follows:

U.S. Federal income tax benefit	\$ (191,000)
Effect on net operating loss carryforward	191,000

	\$ -
	=====

The tax effects of temporary differences that give rise to significant portions of deferred tax assets and liabilities at December 31, 2001 are as follows:

Deferred tax assets:	
Net operating loss carryforward	\$ 191,000

Total gross deferred tax assets	191,000
Less valuation allowance	(191,000)

Net deferred tax assets	\$ -

Edgar Filing: RAPTOR INVESTMENTS INC - Form 10KSB

=====

At December 31, 2001, the Company had a net operating loss carryforward of approximately \$191,000 for U.S. Federal income tax purposes available to offset future taxable income expiring in 2021.

NOTE 5 LOAN PAYABLE - RELATED PARTY

During 2001, a related party loaned the Company \$8,000. The loan is non-interest bearing and due on demand.

NOTE 6 CONTINGENCIES

In 2000, Paramark Enterprises, Inc (Delaware) received discrimination and wrongful termination claims brought by two separate employees employed at the Company's bakery facility in El Cajon, California. These claims are currently pending in the California Department of Fair Employment and Housing. The Company has fully responded to all requests for information and has formally denied liability. The investigation regarding these claims is currently pending.

In January 2001, Paramark Enterprises, Inc (Delaware) and certain of its officers were named as a defendant in a civil action filed by a company (the "Plaintiff") in the Superior Court for the State of California. The claim is for damages for misappropriation of trade secrets, trade libel, breach of confidentiality, breach of fiduciary duty, tortious interference with economic relations, breach of contract, common law palming off, unfair business practices and a violation of state antitrust laws. This action resulted from Paramark Enterprises, Inc employment of a former employee and consultant of the Plaintiff. On February 8, 2002, the Company and certain of its officers received a jury verdict in favor of all defendants on all claims.

14

RAPTOR INVESTMENTS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

NOTE 7 GOING CONCERN

As shown in the accompanying consolidated financial statements, the Company incurred a net loss of \$560,478 from operations, a negative cash flow from operations of \$325,912, a working capital deficiency of \$611,050 and a stockholders' deficiency of \$162,450. These factors raise substantial doubt about the Company's ability to continue as a going concern.

Management's plan for the Company in regards to these matters is to seek to become a diversified holding company with a primary focus on providing corporate financial consulting services to various business entities and the acquisition, management, sale and lease of real estate. The Company will also seek to enhance shareholder value through the acquisition of various private companies.
