ITEM 4.01. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

The Company has been notified by its independent registered accounting firm, Berenson, LLP, that effective May 15, 2007 they were terminating their services to the Company as a result of a combination with the Company's prior independent registered accounting firm, J.H. Cohn, LLP. On June 22, 2005, the Board of Directors of the Company elected to discontinue its engagement of J.H. Cohn, LLP as the Company's independent registered accounting firm. The Company subsequently notified J.H. Cohn, LLP of its decision and filed a Form 8-K with the Securities and Exchange Commission on June 29, 2005.

## Edgar Filing: IMAGE TECHNOLOGY LABORATORIES INC - Form 8-K

During the Company's two most recent fiscal years and from December 31, 2006 through May 15, 2007, none of the events described in Item 304(a)(1)(iv) of Regulation S-B occurred with respect to the Company and Berenson, LLP, and there was no disagreement with Berenson, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Berenson, LLP, would have caused Berenson, LLP to make reference to the subject of that disagreement in connection with its reports on the Company's financial statements

The report of Berenson, LLP on the Company's audited financial statements as of and for the years ended December 31, 2006 and 2005 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to audit scope or accounting principles. The opinion of Berenson, LLP did, however, contain the following going-concern explanatory language:

The financial statements referred to above have been prepared assuming that the Company will continue as a going concern. As further discussed in Notes 1 and 2 to the financial statements, among other things, the Company's operations have generated recurring losses and negative cash flows from operating activities, and it had working capital and stockholders' deficiencies at December 31, 2006. Such matters raise substantial doubt about the Company's ability to continue as a going concern. Management's plans concerning these matters are described in Note 1. The accompanying financial statements as of and for the year ended December 31, 2006 do not include any adjustments that might result from the outcome of this uncertainty.

The Company requested that Berenson, LLP furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements in this Item 4. The Company received such a letter in response to its request which it has attached as Exhibit 16 to this Amendment No.2 to Form 8-K.
