The following letter was distributed to retirees of Hughes beginning on June 18, 2002:

May 30, 2002

Dear HUGHES Retiree,

You have probably heard about the proposed merger between HUGHES and EchoStar, announced in October and currently in the regulatory approval process. As a recipient of benefits from the qualified Hughes Retirement Plan and possibly other retiree benefit plans, there are a few things we wanted to address to answer some questions you may have concerning these benefits if a merger occurs. Below is a general summary highlighting certain of these benefits issues, however, this is not intended to be a summary plan description.

At and after the close of a merger, the amount of your accrued benefit from the Retirement Plan will not be reduced and the remaining period for payment under your chosen option will remain the same. Your check will continue to be sent to you each month. It's possible that it will have a different look or logo.

EchoStar has agreed with HUGHES to continue to provide retiree medical coverage to eligible retirees and eligible dependents under age 65, while medical coverage is offered to active employees of the new merged company.

In addition, you continue to have up to five years from your retirement date (or until the expiration of the grant, if sooner) to exercise vested stock options.

If the EchoStar merger is approved and a merger takes place, you will receive more information about the transition of your benefits delivery and the administration of your current plans. Thank you for your interest in the future of HUGHES and your patience as we navigate through this transition.

Sincerely,

/s/ Pamela Hymel

Pamela Hymel, MD
Vice President, Human Resources
