He owns shares of the Company's common stock and holds options to purchase shares of the Company's common stock.

Item 6. Indemnification of Directors and Officers

The Maryland General Corporation Law authorizes Maryland corporations to limit the liability of directors and officers to the corporation and its stockholders for money damages except (i) to the extent that it is proved that the director or officer actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit actually received, (ii) to the extent that a judgment or other final adjudication adverse to the director or officer is entered in a proceeding based on a finding in the proceeding that the director's or officer's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding, or (iii) in respect of certain other actions not applicable to the Company. The Company's Articles of Incorporation limits the liability of directors and officers to the fullest extent permitted by the Maryland law.

The Maryland General Corporation Law also authorizes Maryland corporations to indemnify present and past directors and officers of the corporation or of another corporation for which they serve at the request of the corporation against judgments, penalties, fines, settlements and reasonable expenses (including attorneys' fees) actually incurred in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation in respect of which the director or officer is adjudged to be liable to the corporation) in which they are made parties by reason of being or having been directors or officers, unless it is proved that (i) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) the director or officer actually received an improper personal benefit in money, property or services or (iii) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. The Maryland General Corporation Law also

Edgar Filing: BALCHEM CORP - Form S-8

provides that, unless limited by the corporation's charter, a corporation shall indemnify present and past directors and officers of the corporation who are successful, on the merits or otherwise, in the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, against reasonable expenses (including attorneys' fees) incurred in connection with the proceeding. The Company's Articles of Incorporation do not limit the extent of this indemnity.

Article XI of the Company's Bylaws provides as follows:

"INDEMNITY OF OFFICERS AND DIRECTORS. The corporation shall indemnify and hold harmless each of its directors and officers against any and all expenses actually and necessarily incurred in connection with the defense of any action, suit or proceeding

to which such director or officer is made a party by reason of his being, or having been, a director or officer of the corporation, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for gross negligence or misconduct in the performance of his duties as such director or officer. In the event of settlement of such action, suit or proceeding in the absence of such adjudication, indemnification shall include reimbursement of amounts paid in settlement and expenses actually and necessarily incurred by such director or officer in connection therewith, but such indemnification shall be provided only if this corporation is advised by its counsel that in his opinion such settlement is for the best interests of this corporation and the director or officer to be indemnified has not been guilty of gross negligence or misconduct in respect of any matter covered by such settlement. Such right of indemnification shall not be deemed exclusive of any other right, or rights, to which such director or officer may be entitled under any agreement, vote of shareholders or otherwise."

The Company's directors and officers are covered by certain insurance policies maintained by the Company.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See Exhibit Index.

Item 9. Undertakings

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most

Edgar Filing: BALCHEM CORP - Form S-8

recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in such Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in such Act and will be governed by the final adjudication of such issue.
