This Preliminary Allocation was prepared based on currently available financial information, but the parties wish to base their definitive agreed allocation and their calculation of the Definitive Section 338(h)(10) Amount on financial information as of the Closing. Accordingly, the parties agree that, no later than sixty (60) days after the Closing, Buyer shall deliver to Sellers' Agent a definitive purchase price allocation prepared in collaboration with Sellers' Agent and in a manner consistent with the preparation of the Preliminary Allocation and the requirements of the Code, but based on financial information as of the Closing. Sellers hereby jointly and severally indemnify and save and hold harmless Buyer, the Company, its and their respective Affiliates and its and their respective Representatives (collectively, the "Buyer Indemnified Persons"), from and against any and all Losses (other than any Losses specifically taken into account in the purchase price adjustment provided for in Article II) incurred in connection with or arising out of:

(i) subject to Section 6.2(d)(i), any breach of a

representation or warranty made by Sellers in this Agreement or in any document delivered at the Closing (without regard, for purposes of this Section 6.2(a)(i), to any qualifications as to materiality, Material Adverse Change or Material Adverse Effect in any representations and warranties other than those contained in Section 4.7);

(ii) any breach of a covenant made by any Seller in this Agreement;

(iii) [intentionally omitted];

(iv) any liability by the Company to, or claim against the Company by, any Seller or such Seller's heirs, Representatives or assigns, in each case arising out of acts, omissions, events, facts or circumstances occurring before the Closing;

(v) except to the extent otherwise indemnified pursuant to the foregoing clauses (i) and (ii) or covered by Section 2.5, any and all liability for Taxes of: (A) the Company and any Seller (to the extent

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

liability for Taxes of any Seller is imposed on the Company or Buyer) with respect to the transactions contemplated by this Agreement (including any Taxes resulting from the application of Sections 1374 and 1375 of the Code); and (B) the Company and any Seller (to the extent liability for Taxes of any Seller is imposed on the Company or Buyer) with respect to Tax years ending on or before the Closing Date (and for any Tax year beginning before and ending after the Closing Date, for the portion of such Tax year ending on the Closing Date), except to the extent such Taxes have been reflected as a liability in Closing Amount. For purposes of this Section 6.2(a)(v), in the case of any Taxes that are imposed on a periodic basis and are payable for a Tax period that includes (but does not end on) the Closing Date, the portion of such Tax which relates to the portion of such Tax period ending on the Closing Date shall (x) in the case of any real, personal and intangible property Taxes and any other Taxes incurred on a ratable basis (collectively, "Per Diem Taxes"), be deemed to be the amount of such Tax for the entire Tax period multiplied by a fraction, the numerator of which is the number of days in the Tax period ending on the Closing Date and the denominator of which is the number of days in the entire Tax period, and (y) in the case of any Tax other than Per Diem Taxes, be deemed equal to the amount which would be payable if the relevant Tax period ended on the Closing Date (any credits relating to a Tax period that begins before and ends after the Closing Date shall be taken into account as though the relevant Tax period ended on the Closing Date, and all determinations necessary to give effect to the foregoing allocations shall be made in a manner consistent with the prior practice of the Company). Taxes shall include the amount of Taxes which would have been paid but for the application of any credit or net operating loss or capital loss deduction attributable to a Tax period ending after the Closing Date. The parties agree that the payment by Buyer of the Definitive Section 338(h)(10) Amount, through payment at Closing and the purchase price adjustment provided for in Article II, shall constitute an indemnifiable Loss of Buyer hereunder (X) if the Section 338(h)(10) Election is deemed invalid or ineffective because of facts or circumstances constituting a breach of any representation contained in Section 4.25 or if Sellers breach any of the covenants contained in Section 9.1, but Buyer's Losses arising out of any such breach or breaches shall not be deemed to be limited to such amount,

and (Y) to the extent that it constitutes overpayment for the ultimate incremental Tax liability of Sellers resulting from the Section 338(h)(10) Election (determined in a manner consistent with the determination of the Definitive Section 338(h)(10) Amount and the requirements of the Code).

(b) By Buyer. Buyer hereby indemnifies and saves and holds harmless Sellers, Sellers' Affiliates, and its and their respective Representatives (collectively, "Seller Indemnified Persons"), from and against any and all Losses (other than any Losses specifically taken into account in the purchase price adjustment provided for in Article II) incurred in connection with or arising out of:

(i) subject to Section 6.2(d)(ii), any breach of a representation or warranty made by Buyer in this Agreement or in any document delivered at the Closing (without regard, for purposes of this Section 6.2(b)(i), to any qualifications as to materiality, Material Adverse Change or Material Adverse Effect);

(ii) any breach of a covenant made by Buyer in this Agreement;

(iii) except to the extent otherwise indemnified pursuant

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

to the foregoing clauses (i) and (ii), any and all liability for Taxes of the Company with respect to Tax years beginning after the Closing Date (and for any Tax year beginning before and ending after the Closing Date, for the portion of such Tax year beginning on the day after the Closing Date);

- (iv) to the extent that it exceeds the Definitive Section 338(h)(10) Amount, any and all incremental liability for Taxes of Sellers resulting from the Section 338(h)(10) Election (determined in a manner consistent with the determination of the Definitive Section 338(h)(10) Amount and the requirements of the Code); or

- (v) the operation of the Business by Buyer after the Closing.

(c) Notice and Defense.

(i) Notice. If a claim for Losses (an "Indemnity Claim") is to be made by a party entitled to indemnification hereunder, the party claiming such indemnification shall give notice (an "Indemnity Claim Notice") to the indemnifying party as promptly as practicable after the party entitled to indemnification becomes aware of any fact, condition or event which may give rise to Losses for which indemnification may be sought. If any Action in the form of a lawsuit is filed against any party entitled to indemnification hereunder, notice thereof shall be given to the indemnifying party as promptly as practicable (and in any event within fifteen (15) calendar days after service). The failure of any indemnified party to give timely notice hereunder shall not affect rights to indemnification hereunder, except to the extent that the indemnifying party demonstrates actual damage caused by such failure.

(ii) Conduct of Defense. After such notice, the indemnifying party shall be entitled, if it so elects: (x) to take control of the defense and investigation of such Action; (y) to employ and engage attorneys of its own choice to handle and defend the same (unless the named parties to such Action include both the indemnifying party and the indemnified party and the indemnified party has been advised in writing by counsel that there may be one or more legal defenses available to such indemnified party that are different from or additional to those available to the indemnifying party, in which event the indemnified party shall be entitled, at the indemnifying party's expense, to separate counsel of its own choosing); and (z) to compromise or settle such Action, which compromise or settlement shall be made only with the written consent of the indemnified party, which consent shall not be unreasonably withheld. If the indemnifying party fails to assume the defense of such Action within fifteen (15) calendar days after receipt of the Indemnity Claim Notice, the indemnified party against which such Action has been asserted will (upon delivering notice to such effect to the indemnifying party) have the right to undertake, at the indemnifying party's expense, the defense, compromise or settlement of such Action; provided, however, that such Action shall not be compromised or settled without the written consent of the indemnifying party, which consent shall not be unreasonably withheld.

(d) Limits on Liability.

- (i) Limits on Liability of Sellers.

- (x) Sellers shall not be obligated to indemnify any

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

Buyer Indemnified Person under Section 6.2(a)(i) (Breach of Representation) (other than for a Loss arising from a breach of representation or warranty contained in Section 4.25) unless such Losses collectively suffered or incurred by all Buyer Indemnified Persons aggregate more than \$250,000 (Two Hundred Fifty Thousand Dollars), in which event Sellers shall be obligated to indemnify the applicable Buyer Indemnified Persons for the amount of such Losses in excess of \$250,000 (Two Hundred Fifty Thousand Dollars), up to a maximum amount equal to Fifteen Percent (15%) of the Purchase Price; and

(y) Sellers shall be obligated to indemnify the Buyer Indemnified Persons for Losses arising from any breaches of representation or warranty contained in Section 4.25, up to a maximum amount of such Losses (collectively suffered or incurred by all Buyer Indemnified Persons in the aggregate) equal to (A) the Purchase Price less (B) the amount of all other indemnification payments made to Buyer Indemnified Persons under this Agreement.

(ii) Limits on Liability of Buyer. Buyer shall not be obligated to indemnify any Seller Indemnified Person under Section 6.2(b)(i) (Breach of Representation) for Losses pursuant to such Section unless such Losses collectively suffered or incurred by all Seller Indemnified Persons aggregate more than \$250,000 (Two Hundred Fifty Thousand Dollars), in which event Buyer shall be obligated to indemnify the applicable Seller Indemnified Persons for the amount of such Losses in excess of \$250,000 (Two Hundred Fifty Thousand Dollars), up to a maximum amount equal to Fifteen Percent (15%) of the Purchase Price.

(e) Sole Remedy. The parties acknowledge that, in the absence of fraud, the rights accorded to each Buyer Indemnified Person or Seller Indemnified Person under this Article VI shall be the sole rights to money damages that any such Person may have under this Agreement or for breach of this Agreement, at common law or otherwise; provided, however, that notwithstanding the foregoing or anything to the contrary contained in this Agreement, nothing in this Article VI shall restrict or limit any rights that any Buyer Indemnified Person or Seller Indemnified Person may have to seek equitable relief; provided, further, that nothing in this Article VI shall be deemed to limit any party's obligation hereunder to pay the full amount of the Purchase Price, the amount of any adjustment thereto (including any amount related to the Section 338(h)(10) Election), or any amount contemplated by Article VII, nor shall any party's indemnification obligation with respect to Losses resulting from failure to pay in full any such amount be subject to any basket or other limit contained in this Article VI.

ARTICLE VII CERTAIN EMPLOYEE MATTERS

7.1 Certain Employee Bonuses

No later than thirty (30) days after the Closing, Buyer shall cause the Company to pay, to each Specified Person, the Special Bonus described in the Special Bonus Schedule. Payment of the Special Bonuses shall not be subject to any contingency and shall be made in consideration of prior service. Accordingly, Buyer shall cause the Company to make such payments whether or not any of the Specified Persons remain employees of the Company and whether or not they enter into any new employment arrangements with the Company or Buyer.

7.2 Key Executive Employment Agreements

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

Buyer shall cause the Company, on the date that is fifteen (15) days after the Closing, to execute and enter into a Key Executive Employment Agreement, in the form attached to the Employee Matters Letter Agreement and having the terms as to compensation (salary, bonus, and options) and title with respect to the applicable Key Executive set forth on the Offer Terms Schedule, with any Key Executive (other than Mr. Ditmar Schaaf, who is entering into a different form of such agreement at Closing) who has executed an agreement in such form by such date.

ARTICLE VIII NONCOMPETITION AND POST-CLOSING CONFIDENTIALITY

8.1 Noncompetition

Each Seller agrees that, until the fifth anniversary of the Closing Date, such Seller shall not, without the prior written consent of Buyer, directly or indirectly engage in, own or invest in any business or activity that competes with the Business; provided, that Seller shall not be deemed to be in violation of this Agreement solely by reason of being the owner of up to three percent (3%) of the outstanding stock (or other form of equity interest) in any publicly traded corporation (or other publicly traded entity).

8.2 Post-Closing Confidentiality

After the Closing, Sellers shall, and shall cause their Affiliates to, continue to maintain the confidentiality of all Confidential Information relating to Buyer, the Company or the Business, including all such materials which remain in the possession of any Seller or such Affiliates, except to the extent that disclosure of any such information is required by law or authorized by Buyer or reasonably occurs in connection with any dispute over the terms of this Agreement. Buyer shall, and shall cause its Affiliates to, maintain the confidentiality of all Confidential Information relating to Sellers or Sellers' Affiliates (other than that relating to the Business) which Buyer or any of its Affiliates has obtained in connection with this Agreement or with the transactions contemplated herein, except to the extent disclosure of such information is required by law or authorized by Sellers, or reasonably occurs in connection with any dispute over the terms of this Agreement. In the event that any party reasonably believes that it or any of its Affiliates is required by law to disclose any such Confidential Information, the disclosing party will (i) provide the other parties with prompt notice (before such disclosure, unless this is impractical because an applicable warrant requires immediate disclosure) in order that such parties may attempt to obtain a protective order or other assurance that confidential treatment will be accorded such confidential information and (ii) cooperate with such other parties in attempting to obtain such order or assurance.

ARTICLE IX TAX AND ACCOUNTING MATTERS

9.1 Section 338(h)(10) Election

Each of the Sellers will join with Buyer in making an election under Section 338(h)(10) of the Code (and any corresponding election under state, local and foreign tax law) with respect to the purchase and sale of the Shares of the Company hereunder (collectively, the "Section 338(h)(10) Election"). The Sellers and Buyer shall report the transaction consistent with such Section 338(h)(10) Election and hereby agree not to take any action that could cause such Section 338(h)(10) Election to be invalid, and shall take no position contrary thereto unless required to do so pursuant to a determination (as

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

defined in Section 1313(a) of the Code or any similar state, foreign or local tax provision). Buyer shall prepare copies of Internal Revenue Service Form 8023 (Elections Under Section 338 for Corporations Making Qualified Stock Purchases), including any schedules thereto, and any similar state, local or foreign forms (collectively, the "Section 338 Forms") as may be required, the Sellers shall cooperate with Buyer in the preparation of such Section 338 Forms, and Buyer and the Sellers shall deliver duly executed final copies of such Section 338 Forms on the Closing Date. Buyer and the Sellers shall also cooperate with each other to take all actions necessary and appropriate (including, without limitation, filing such additional forms, Tax Returns, elections, schedules and other documents as may be required) to effect and preserve the Section 338(h)(10) Election in accordance with the provisions of Treasury Regulation Section 1.338(h)(10)-1 (and comparable provisions of each applicable state, foreign and local tax law) or any successor provisions.

9.2 Tax Return Filings

Buyer shall cause the Company (at its expense) to prepare or cause to be prepared, consistent with the requirements of applicable law, and file or cause to be filed all Tax Returns for the Company for all Tax periods beginning prior to the Closing Date which are filed after the Closing Date; provided, however, that Sellers, at Sellers' expense, shall prepare, consistent with the requirements of applicable law, and Buyer shall cause the Company to file or cause to be filed, the state and federal income Tax Returns of the Company for the 2002 Tax year and the short Tax year of the Company as an S corporation from January 1, 2003, through the Closing Date; provided, that the approval of Buyer shall be required for any Tax Return position that Buyer determines will increase the Tax liability of the Company by more than \$10,000 for tax periods ending after the Closing Date. To the extent required by applicable Law, Sellers shall include any income, gain, loss, deduction or other Tax items for such period on Sellers' income Tax Returns in a manner consistent with the Company's Schedule K-1s for such periods (including any income, gain, loss, deduction or other Tax items resulting from the Section 338(h)(10) Election).

9.3 Cooperation on Tax Matters

Sellers and Buyer shall cooperate fully, as and to the extent reasonably requested by the other parties, in connection with the filing of Tax Returns pursuant to Section 9.2 and any audit, litigation or other proceeding with respect to Taxes. Such cooperation shall include the retention (through the expiration of the applicable statute of limitations) and (upon the other party's request) the provision of records and information which are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Each party agrees to use such party's reasonable best efforts to obtain any certificate or other document from any governmental authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed on the parties (including with respect to the transactions contemplated hereby) and to take any necessary steps (including making any necessary adjustments on their respective Tax Returns) as described in Section 1362(f) of the Code (and any comparable provision of state or local law) to preserve the Company's status as a valid S Corporation for Tax purposes for all taxable periods ending on or before the Closing Date. From and after the Closing Date, subject to the obligations of Buyer under this Article IX, Buyer and its Affiliates will have full control over, and the right to represent the interests of the Company for all taxable periods of the Company, including the preparation of Tax Returns and the conduct of Tax audit and other Tax proceedings with governmental authorities ("Tax Audits"); provided, however, that Buyer or its Affiliates shall provide prompt notice to Sellers' Agent of such Tax Audits that relate to Tax periods ending on or before the Closing Date ("Pre-Closing Tax Audits"), and Sellers shall, after providing prompt notice to Buyer of their desire to, control a Pre-Closing Tax Audit (at Sellers' expense)

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

except for the resolution of any issue that Buyer determines will increase the Tax liability of the Company by more than \$10,000 for Tax periods ending after the Closing Date. With respect to any Pre-Closing Tax Audit that Sellers have assumed control of, Sellers shall keep Buyer adequately informed of any issues the resolution of which may impact the Company in a Tax period ending after the Closing Date.

9.4 Tax Forms

At or prior to Closing, Sellers shall provide Buyer with properly executed Internal Revenue Service Forms W-9 and Section 338 Forms.

9.5 Section 338 Certificates.

(a) First Certificate. No later than June 1, 2004, Sellers' Agent shall deliver to Buyer, on behalf of Sellers, a certificate certifying their good faith estimate, as of such date and subject to further audit by any Tax governmental authority, of the amount of the ultimate incremental Tax liability of Sellers resulting from the Section 338(h)(10) Election.

(b) Second Certificate. No later than sixty (60) days after the expiration of the applicable statute of limitations (with extensions) with respect to any audit by a Tax governmental authority, Sellers' Agent shall deliver to Buyer, on behalf of Sellers, a certificate certifying the amount of the ultimate incremental Tax liability of Sellers resulting from the Section 338(h)(10) Election.

ARTICLE X CERTAIN POST-CLOSING MATTERS

10.1 Release of Lien on Bank Account

Buyer will use commercially reasonable efforts to cause, within thirty (30) days after the Closing, the release of the Lien created in favor of the Chase Manhattan Bank, pursuant to the Pledge Security Agreement dated June 4, 2001, on a bank account currently owned by either Halina Jamner or the estate of Jay Jamner.

ARTICLE XI MISCELLANEOUS

11.1 Assignment; No Third Party Beneficiaries

Neither this Agreement nor any of the rights or obligations hereunder may be assigned by any party without the prior written consent of the other parties, provided that (i) Sellers' Agent may provide such consent on behalf of Sellers, and (ii) Buyer may assign its rights and obligations hereunder to one or more of its Affiliates. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, and no other Person (including any Business Employee) shall have any right, benefit or obligation under this

11.3 Choice of Law, etc.

This Agreement shall be construed and interpreted in accordance with the internal laws of the State of New York, except with respect to matters of law concerning the internal affairs of any business entity which is a party to this Agreement, and as to those matters the law of the jurisdiction under which the relevant business entity derives its powers shall govern. Each party irrevocably and unconditionally: (i) agrees that any Action arising out of this Agreement or any Additional Agreement may be brought in any court having jurisdiction over the County of Westchester, New York, (ii) consents to such jurisdiction, (iii) waives any objection to such venue; and (iv) waives trial by

No amendment, supplement, modification or waiver of this Agreement shall be binding unless executed in writing by the party to be bound thereby. No waiver of any of the provisions of this Agreement

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

shall be deemed or shall constitute a waiver of any other provision hereof, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided in such waiver.

11.5 Counterparts

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

11.6 Expenses

Except as otherwise specifically provided in this Agreement, Buyer shall pay its own legal, accounting, out-of-pocket and other expenses incident to the negotiation and execution of, and Closing under, this Agreement, and the Company shall pay such expenses of the Sellers.

11.7 Invalidity

In the event that any of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, then, to the maximum extent permitted by law, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

11.8 Cumulative Remedies

Except as otherwise specifically provided in this Agreement (in Section 6.2(e) or otherwise) or any Additional Agreement, all rights and remedies of any party hereto are cumulative of each other and of every other right or remedy such party may otherwise have at law or in equity, and the exercise of one or more rights or remedies shall not prejudice or impair the concurrent or subsequent exercise of other rights or remedies.

11.9 Time; Captions; Exhibits and Schedules

Time is of the essence of this Agreement. The captions contained in this Agreement in no way define, limit or extend any provision of this Agreement. The Exhibits and Schedules which are attached to this Agreement are a part of this Agreement and are incorporated herein by reference.

11.10 No Strict Construction

The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction shall be applied against any Person.

J. JAMNER SURGICAL INSTRUMENTS, INC. NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies:

Significant accounting policies followed by the Company in the preparation of the accompanying financial statements are summarized below:

Nature of Business Operations

J. Jamner Surgical Instruments, Inc. (the Company) markets a wide variety of high quality surgical instruments for use in both traditional and minimally invasive surgery. In the United States, the Company sells primarily through a twenty-person sales management force that works with over one hundred distributor sales representatives. Internationally, the Company sells through distributors.

The Company was founded in 1971 and is a privately held American company with corporate offices, research and development, sales, marketing and warehouse facilities in Hawthorne, New York. Additionally, the Company has a procurement facility located in Tuttlingen, Germany where supplier control, testing and quality system standards are ISO 9001 certified.

The Company manages its business on the basis of one reportable segment - the marketing and distribution of surgical instruments.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

reporting period. Actual results could differ from those estimates.

Inventory

Inventory consists of work-in-process, samples and finished goods and is valued at the lower of cost or market determined on a first-in first-out basis.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Depreciation is provided on the straight-line method over the following estimated useful lives of the assets:

Description	Estimated Life (Years) -----
Building and Building Improvements	40
Leasehold Improvements	10
Furniture, Fixtures and Office Equipment	5-10
Automobiles	5
Computer Software	3

Expenditures for maintenance and repairs are charged to operations as incurred. Expenditures for betterments and major renewals are capitalized and, therefore, are included in property and equipment.

For physical properties not fully depreciated, the cost of the assets retired or sold is credited to the asset accounts, and the related accumulated depreciation is charged to the accumulated depreciation accounts. The resulting gain or loss from sale or retirement of property and equipment is reflected in income.

J. JAMNER SURGICAL INSTRUMENTS, INC. NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued):

Cash and Cash Equivalents

The Company considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Revenue Recognition and Product Warranty

Revenue from sales of products is generally recognized either upon shipment to customers or arrival at destination, based upon shipment terms. License fees paid to group purchasing organizations are included as a reduction to revenue. The Company warrants products against defects in design, materials and workmanship generally for periods up to three years. Provisions for estimated future costs relating to warranty obligations and sales returns are estimated based upon historical information and recorded in the same period as a the sale.

Impairment of Long-Lived Assets

The Company periodically evaluates the net realizable value of long-lived assets, including property and equipment, relying on a number of factors including operating results, business plans, economic projections and anticipated future cash flows. An impairment in the carrying value of an asset is recognized whenever anticipated future cash flows (undiscounted) from an asset are estimated to be less than its carrying value. The amount of the impairment recognized is the difference between the carrying value of the asset and its fair value.

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

Income Taxes

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. In addition, the Company has elected to be taxed as an "S-Corporation" for the State of New York. Under those provisions, the stockholders are liable for federal and state income taxes on the Company's taxable income. The Company does not pay federal corporate taxes on their taxable income and are liable for state income tax at reduced rates.

The Company accounts for state income taxes under Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes." Under this method, deferred state income taxes are recognized for the tax consequences of "temporary differences" by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities. The primary deferred tax items at December 31, 2002 were related to the fair value of derivative instruments, calculation of inventory reserves and reserves sales returns for warranty costs.

Concentration of Credit Risk

The Company maintains cash balances, at times, with financial institutions in amounts which are more than the amount insured by the Federal Deposit Insurance Corporation. Management monitors the soundness of these institutions and considers the Company's risk negligible.

The Company places its short-term investments, considered cash equivalents, in short-term debt instruments of high quality commercial paper. The Company does not believe there is a significant credit risk relating to these investments.

J. JAMNER SURGICAL INSTRUMENTS, INC. NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued):

Concentration of Credit Risk (Continued)

The Company has a concentration of their sales with group purchasing organizations (GPO) whose members are primarily hospitals. Sales are made to a variety of members of the organization under terms negotiated by the GPO. For the year ended December 31, 2002, sales to members of one of these GPO's amounted to approximately 52 percent of total sales and sales to members of another one of these GPO's amounted to approximately 11 percent of total sales. The current contracts with the GPO's have various expirations, one of which is an open ended contract. In addition, the contracts allow for short-term terminations without cause. The Company's receivables relating to these sales are from the individual distributors that sell to end users. At December 31, 2002, receivables from one distributor amounted to 12% of net accounts receivable.

Derivative Instruments

All derivative financial instruments are reported on the Balance Sheet at fair value, and changes in a derivative's fair value are recognized currently in earnings.

The Company purchases significant amounts of inventory in currency other than

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

the U.S. dollar, principally the Euro. As such, the Company is exposed to movements in foreign currency exchange rates. The Company enters into foreign exchange forward contracts to minimize the impact of foreign currency fluctuations on anticipated foreign currency purchases. Because the forward contracts were not designated for hedge accounting treatment under Statement of Financial Accounting Standard No. 133 "Accounting for Derivative Instruments and Hedging Activities", as amended, gains and losses on the contracts are included in other income (expense). The Company's foreign exchange forward contracts generally mature within 3 years.

The Company has forward exchange contracts to purchase 30,970,000 Euros which expire in the years ending December 31, as follows:

Year	Amount
-----	-----
2003	\$10,850,000
2004	9,000,000
2005	9,000,000

Amounts included in current assets represent forward exchange contracts maturing within one year.

Foreign Currency Transactions

Assets and liabilities denominated in foreign currencies are translated at the year-end rate of exchange and any adjustments are recorded in other income (expense).

Financial Instruments

The carrying values of accounts receivable, derivative instruments, accounts payable and accrued expenses approximate their fair values. It was not practical to estimate the fair value of the stockholders' loans payable due to the related party nature of these items.

J. JAMNER SURGICAL INSTRUMENTS, INC. NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued):

Recent Accounting Pronouncements

In August 2001, the Financial Accounting Standards Board (FASB) issued SFAS No. 144, Accounting for Impairment or Disposal of Long-Lived Assets. SFAS No. 144 supersedes SFAS No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed Of, addressing financial accounting and reporting for the impairment or disposal of long-lived assets. This statement was effective for the Company's year beginning January 1, 2002. The adoption of this statement did not have a significant impact on the Company's financial position or results of operations.

In June 2002, the FASB issued SFAS No. 146, Accounting for Costs Associated with Exit or Disposal Activities, which supercedes Emerging Issues Task Force (EITF) Issue No. 94-3, Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

Restructuring). SFAS No. 146 addresses financial accounting and reporting for costs associated with exit or disposal activities and requires that a liability be recognized when it is incurred and should initially be measured and recorded at fair value. This statement is effective for exit or disposal activities that are initiated after December 31, 2002 and the adoption will not have an impact on the Company's historical financial position or results of operations.

Retirement Plans

The Company has a profit sharing plan and a noncontributory thrift and savings plan for salaried employees meeting certain service requirements, which qualifies under Section 401(k) of the Internal Revenue Service Code. Contributions into the profit sharing plan are at the discretion of management. For the year ended December 31, 2002, profit sharing expense amounted to \$50,000.

Note 2 - Accounts Receivable and Credit Policies:

Customer accounts receivable at December 31, 2002 are summarized as follows:

Currently Due	\$ 4,185,903
Less: Allowance for Doubtful Accounts	(37,163)

Net Due	\$ 4,148,740

Receivables are obligations due from customers under terms requesting payments from thirty to sixty days from the shipment dates depending on the customer. The Company does not accrue interest on unpaid receivables. Customer receivable balances with invoice dates over ninety days old are considered delinquent. At December 31, 2002, the amount considered delinquent was \$154,670. Management reviews these accounts taking into consideration the size of the outstanding balance and the past history with the customer.

Payments of accounts receivable are allocated to the specific invoices identified on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices.

The carrying amount of receivables is reduced by a valuation allowance that reflects management's best estimate of the amount that will not be collected. Management individually reviews all accounts receivable balances that exceed ninety days from invoice date and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected.

Exhibit 99.2.

Unaudited pro forma condensed combined statements of operations for the year ended December 31, 2002 and unaudited pro forma condensed combined balance sheet as of December 31, 2002.

On March 17, 2003 (the "Closing Date"), Integra LifeSciences Corporation ("Integra"), a wholly-owned subsidiary of Integra LifeSciences Holdings Corporation (the "Company"), acquired all of the issued and outstanding capital stock of J. Jamner Surgical Instruments, Inc., a Delaware corporation (doing business as JARIT(R) Surgical Instruments) ("JARIT"), for \$44.5 million in cash, subject to a working capital adjustment and other adjustments with respect to certain income tax elections. The acquisition was made pursuant to a Stock Purchase Agreement (the "Purchase Agreement") dated as of March 17, 2003 among Integra and Howard Jamner and other individual stockholders of JARIT. JARIT markets a wide variety of high quality, reusable surgical instruments for use in virtually all surgical disciplines.

The unaudited pro forma condensed combined financial statements have been prepared to give effect to the acquisition by Integra of all of the issued and outstanding capital stock of JARIT. These pro forma statements are presented for illustrative purposes only. The pro forma adjustments are based upon available information and assumptions that the Company believes are reasonable. The condensed combined pro forma financial statements do not purport to represent what the consolidated results of operations or financial position of the Company would actually have been if the acquisition had occurred on the dates referred to below, nor do they purport to project the results of operations or financial position of the Company for any future period or as of any date.

The unaudited pro forma condensed combined balance sheet as of December 31, 2002 was prepared by combining the historical balance sheet at December 31, 2002 for the Company with the historical balance sheet of JARIT at December 31, 2002, giving effect to the acquisition as though it was completed on that date.

The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2002 was prepared by combining the Company's historical statement of operations for the year ended December 31, 2002 with JARIT's historical statement of operations for the year ended December 31, 2002, giving

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

effect to the acquisition as though it had occurred on January 1, 2002. This unaudited pro forma condensed combined statement of operations does not give effect to any potential cost savings or other operating efficiencies that could result from the acquisition, nor any non-recurring expenses resulting from the transaction.

Notes to Unaudited Pro Forma Condensed Combined Financial Statements

1. Basis of Pro Forma Presentation

For the pro forma condensed combined balance sheet as of December 31, 2002, the preliminary \$44.7 million purchase price, including the initial \$44.5 million of cash paid on the Closing Date plus \$200,000 of estimated costs incurred by the Company directly as a result of the acquisition, has been allocated based on management's preliminary estimate of the fair values of assets acquired and liabilities assumed as of December 31, 2002. The preliminary purchase price allocation was as follows (amounts in thousands):

Accounts receivable	\$ 4,149
Inventory	8,392
Prepaid expenses and other current assets	1,078
Property and equipment	1,236
Intangible assets	29,510
Other assets	2,334
Accounts payable and accrued expenses	(1,988)
Income taxes payable	(61)

Total purchase price	\$ 44,650

The acquired intangible assets consist primarily of customer relationships and tradename and will be amortized over lives ranging from five to forty years.

This purchase price allocation is considered preliminary until the Company receives financial information for JARIT as of the Closing Date. The final purchase price amount will be allocated to assets acquired and liabilities assumed on the Closing Date based on management's estimate of their fair values as of that date.

For the pro forma statement of operations for the year ended December 31, 2002, the preliminary \$44.7 million purchase price has been allocated based on management's preliminary estimate of the fair values of assets acquired and liabilities assumed as of January 1, 2002. Accordingly, the pro forma \$1.2 million intangible asset amortization adjustment in 2002 is based on this preliminary allocation.

These pro forma condensed combined financial statements should be read in conjunction with the audited financial statements of the Company included in its Annual Report on Form 10-K for the year ended December 31, 2002, and the audited financial statements of JARIT included in Exhibit 99.1 to this Form 8-K.

2. Pro Forma Adjustments

The pro forma condensed combined financial statements include the following adjustments:

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

- 2A The sellers were entitled to withdraw all cash from the business prior to the Closing Date without any effect on the working capital purchase price adjustment.
- 2B The Company liquidated a portion of its short term investments to finance the preliminary purchase price.
- 2C This adjustment is made to increase JARIT's inventory and property and equipment balance as of December 31, 2002 to their estimated fair value.

Notes to Unaudited Pro Forma Condensed Combined Financial Statements (continued)

2. Pro Forma Adjustments

- 2D This adjustment represents the amount of the preliminary purchase price in excess of the fair value of the tangible assets as of December 31, 2002. The acquired intangible assets consisted primarily of customer relationships and tradename. There was no goodwill included in this amount.
- 2E Loans payable to stockholders were settled on the Closing Date and not assumed by the Company.
- 2F This adjustment eliminates the ending balance of JARIT's stockholders' equity.
- 2G This adjustment reduces the actual 2002 compensation paid to a certain JARIT employee to an amount that this employee would have been paid by the Company subject to the terms of an employment agreement between the Company and this employee executed in connection with this acquisition.
- 2H This adjustment records pro forma amortization expense for intangibles assets based on the preliminary purchase price allocation as of January 1, 2002.
- 2I This adjustment reduces the \$376,000 of interest expense recorded by JARIT in 2002 on the loans payable to stockholders of JARIT which were not assumed by the Company.
- 2J This reduces interest income by approximately \$1.1 million for the estimated interest income earned by the Company in 2002 on the \$44.7 million of short term investments used to finance the acquisition. This reduction in interest income assumes the \$44.7 million was paid on January 1, 2002 and the average interest rate earned on short term investments in 2002 was 2.5%. The effect of a 1/8 percent variance in the interest rate on net income is approximately \$56,000.
- 2K The inclusion of the financial results of JARIT for the full year ended December 31, 2002 in the Company's consolidated results would have reduced the Company's income tax benefit by approximately \$4.4 million in 2002. This adjustment results from the fact that JARIT was an "S" Corporation for federal and New York state income tax purposes and therefore did not record income tax expense at the same rate that a "C" Corporation would have.

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

3. Pro Forma Net Income Per Share

Amounts used in the calculation of pro forma basic and diluted net income per share were as follows (In thousands, except per share amounts):

Notes to Unaudited Pro Forma Condensed Combined Financial Statements (continued)

4. Other Matters

In connection with the acquisition, the Company liquidated all of the foreign currency forward purchase contracts acquired from JARIT. The fair value of these contracts as of December 31, 2002 was \$3.2 million and this value is included in prepaid expenses and other current assets (\$942,000) and other assets (\$2.2 million) in the pro forma condensed combined balance sheet as of December 31, 2002. In 2002, JARIT recorded \$4.5 million of non-operating income related to these contracts. The liquidation of these contracts is not reflected in these pro forma condensed combined financial statements.

5. Inventory

The pro forma condensed combined income statement for the year ended December 31, 2002 does not reflect any increase in cost of product revenue for the estimated fair value adjustment to inventory discussed in Item 2C above. The preliminary estimate of the amount that would have been recorded is \$600,000.
