In addition, the Selling Stockholder proposes to grant the Underwriters an option to purchase up to an aggregate of 4,173,913 additional Common Shares (the "Option Shares"). References herein to the "Shares" are to the Firm Shares together with the Option Shares. Reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 6 of Form F-3, which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 21 hereof.

The entities set forth on Schedule II hereto are direct or indirect subsidiaries of the Company and are referred to herein collectively as the "Significant Subsidiaries."

The Company and the Significant Subsidiaries are hereinafter referred to collectively as the "Company Entities." This is to confirm the agreement among the Company, the Selling Stockholder and the Underwriters concerning the purchase of the Shares from the Selling Stockholder by the Underwriters.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) Registration. The Company meets the requirements for use of Form F-3 under the Act and has prepared and filed with the Commission an automatic shelf registration statement (File number 333-196992) on Form F-3, including a related Base Prospectus, for registration under the Act of the offering and sale of the Shares. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Shares, each of which has previously been furnished to the Representatives. The Company will file with the Commission a final prospectus supplement relating to the Shares in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to the Representatives prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised the Representatives, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) No Material Misstatements or Omissions. On each Effective Date, the Registration Statement did, and when the Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date and on any date on which Option Shares are purchased pursuant to Section 3 hereof, if such date is not the Closing Date (a "settlement date"), the Prospectus (and any supplements thereto) will, comply in all material respects with the applicable requirements of the Act and the Exchange Act; on the Effective Date and at the Execution Time, the Registration Statement did not and does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date and each settlement date, the Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; each of the statements made by the Company in the Registration Statement and in any Preliminary Prospectus provided to the Underwriters for use in connection with the public offering of the Shares, and to be made in the Prospectus and any further amendments or supplements to the Registration Statement or Prospectus within the coverage of Rule 175(b), including but not limited to any statements therein with respect to projected results of operations of the Company was made or will be made with a reasonable basis and in good faith; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement, the Preliminary Prospectus or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement, the Preliminary Prospectus or the Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9(c) hereof.

(c) No Material Misstatements or Omissions in Disclosure Package. (i) The Disclosure Package, when taken together as a whole, and (ii) each bona fide electronic road show, when taken together as a whole with the Disclosure Package, does not, as of the Execution Time, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9(c) hereof.

(d) Well-Known Seasoned Issuer. (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), and (iii) at the Execution Time (with such date being used as the determination date for purposes of this clause (iii)), the Company was or is (as the case may be) a "well-known seasoned issuer" as defined in Rule 405. The Company agrees to pay the fees required by the Commission relating to the Shares within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) No Ineligible Issuer. (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Shares and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Issuer Free Writing Prospectus. Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus (as such are amended or supplemented). The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9(c) hereof.

(g) Formation and Qualification of the Company Entities. Each of the Company Entities has been duly formed or incorporated and is validly existing as a limited liability company or corporation, as applicable, in good standing (where such concept is relevant) under the laws of its respective jurisdiction of formation or incorporation with all limited liability company or corporate power and authority, as applicable, to own or lease and to operate its properties currently owned or leased or to be owned or leased on the Closing Date and each settlement date and to conduct its business as currently conducted or as to be conducted on the Closing Date and each settlement date, in each case, as described in the Disclosure Package and the Prospectus. Each Company Entity is duly qualified to do business as a foreign limited liability company or corporation, as applicable, and is in good standing under the laws of each jurisdiction that requires such qualification or registration, except where the failure to be so qualified or registered would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the condition (financial or otherwise), prospects, earnings, securityholders' equity, results of operations, business or properties of the Company Entities taken as a whole (a "Material Adverse Effect").

(h) Ownership of Subsidiaries. As of the date hereof, the Company owns, and on the Closing Date and each settlement date will own, directly or indirectly, 100% of the equity interests in each of the Significant Subsidiaries, other than as disclosed or contemplated in the Disclosure Package and the Prospectus, and such equity interests have been duly authorized and validly issued in accordance with the charter, bye-laws, limited liability company agreement or other organizational document of each Significant Subsidiary (the "Subsidiary Organizational Documents") and are fully paid (to the extent required under the Subsidiary Organizational Documents) and nonassessable (except as such nonassessability may be affected by applicable law and subject to the provisions of the applicable organizational documents and any applicable shareholders' agreements); and the Company owns such equity interests free and clear of all Liens, perfected security interest or any other security interests, claims or encumbrances other than those (i) described in the Disclosure Package and the Prospectus or (ii) that do not materially affect the operation of such subsidiaries, taken as a whole, and do not materially interfere with the operation of such subsidiaries, taken as a whole, as they have been operated in the past and are proposed to be operated in the future, as described in the Disclosure Package and the Prospectus.

(i) No Other Subsidiaries. Except as listed on Schedule II, none of the Company Entities owns or, on the Closing Date and each settlement date, will own, directly or indirectly, any equity or long-term debt securities of any other corporation, partnership, limited liability company, joint venture, association or other entity that constitutes a significant subsidiary of the Company within the meaning of Regulation S-X. The Significant Subsidiaries listed on Schedule II are the only significant subsidiaries of the Company as defined by Rule 1-02 of Regulation S-X.

(j) Capitalization. As of June 30, 2014, the Company had a capitalization as set forth in the "Capitalization" section of the Prospectus.

(k) No Preemptive Rights, Registration Rights or Options. Except as described in the Disclosure Package and the Prospectus or as provided in any applicable shareholders' agreements, there are no (i) preemptive rights or other rights to subscribe for or to purchase, nor any restriction upon the voting or transfer of, any equity interests in the Company Entities or (ii) outstanding options or warrants to purchase any securities of the Company Entities. Neither the filing of the Registration Statement nor the offering or sale of the Shares as contemplated by this Agreement gives rise to any rights for or relating to the registration of any Common Shares or other securities of the Company.

(l) Authority and Authorization. The Company has all requisite power and authority to execute and deliver this Agreement and perform its obligations hereunder. On the Closing Date and each settlement date, all corporate action required to be taken by the Company, for the execution and delivery by the Company of this Agreement and the consummation of the transactions contemplated by this Agreement to take place as of or prior to the Closing Date, shall have been validly taken.

(m) Authorization, Execution and Delivery of this Agreement. This Agreement has been duly authorized, executed and delivered by the Company.

(n) Authorization, Execution, Delivery and Enforceability of Bye-Laws. On or before the Closing Date the Bye-Laws of the Company have been duly authorized, executed and delivered by the Company and are valid, legally binding and enforceable against the Company in accordance with their terms; provided, however, the enforceability thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws relating to or affecting creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); and provided further that the indemnity, contribution and exoneration provisions with respect to violations of federal securities laws contained in any of such agreements may be limited by applicable laws and public policy.

The Bye-Laws described in this Section 1(n) are herein referred to as the "Company Bye-Laws."

(o) No Conflicts. None of (i) the execution, delivery and performance of this Agreement by the Company Entities party hereto, or (ii) the consummation of the transactions contemplated hereby (A) constituted, constitutes or will constitute a violation of the Company Bye-Laws or any of the Subsidiary Organizational Documents, (B) conflicts or will conflict with or constitutes or will constitute a breach or violation of, or a default (or an event that, with notice or lapse of time or both, would constitute such a default) under any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which any of the Company Entities is a party or by which any of them or any of their respective properties may be bound, (C) violates or will violate any statute, law or regulation or any order, judgment, decree or injunction of any court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over any of the Company Entities or any of their properties or assets in a proceeding to which any of them or their properties is a party or (D) resulted, results or will result in the creation or imposition of any Lien upon any property or assets of any of the Company Entities, except for such conflicts, breaches, violations, defaults or Liens, in the case of clauses (B), (C) or (D), which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or would not materially impair the ability of the Company to consummate the transactions provided for in this Agreement or which are disclosed or contemplated in the Disclosure Package and the Prospectus.

(p) No Consents. No permit, consent, approval, authorization, order, registration, filing or qualification of or with any court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over any of the Company Entities or any of their properties or assets is required in connection with (i) the offering or sale of the Shares, (ii) the execution, delivery and performance of this Agreement or the fulfillment of the terms hereof by the Company Entities party hereto or (iii) the consummation of any other transactions contemplated by this Agreement, except (i) for such permits, consents, approvals and similar authorizations required under the Act, the Exchange Act and state securities or "Blue Sky" laws of any jurisdiction, (ii) for such consents that have been, or prior to the Closing Date will be, obtained and (iii) for such consents that, if not obtained, would not, individually or in the aggregate, have a Material Adverse Effect.

(q) No Defaults. None of the Company Entities is (i) in violation of its organizational documents, (ii) in violation of any statute, law, rule or regulation or any order, judgment, decree or injunction of any court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over any of the Company or its subsidiaries or any of their properties or assets or (iii) in breach, default (or an event that, with notice or lapse of time or both, would constitute such a default) or violation in the performance of any obligation, agreement or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which it is a party or by which it or any of its properties may be bound, which in the case of clauses (ii) and (iii) would, if continued, reasonably be expected to have a Material Adverse Effect or materially impair the ability of any of the Company Entities to perform their obligations under this Agreement, except, in the case of clause (iii), such breaches, defaults or violations disclosed or contemplated in the Disclosure Package and the Prospectus.

(r) Conformity of Common Shares to Description. The Shares conform in all material respects to the description thereof contained in the Disclosure Package and the Prospectus.

(s) No Labor Dispute. Except as set forth in the Disclosure Package and the Prospectus, no labor problem or dispute with the employees of any Company Entity exists or, to the knowledge of the Company Entities, is threatened or imminent, and none of the Company Entities is aware of any existing or imminent labor disturbance by the employees of any of the Company Entities' principal suppliers, contractors or customers, which, in any case, would reasonably be expected to have a Material Adverse Effect.

(t) Financial Statements. The historical financial statements included in the Preliminary Prospectus, the Prospectus and the Registration Statement present fairly in all material respects the financial condition, results of operations and cash flows of the entities purported to be shown thereby and on the basis stated therein, as of the dates and for the periods indicated; such financial statements comply as to form with the applicable accounting requirements of Regulation S-X under the Act and have been prepared in conformity with generally accepted accounting principles in the United States applied on a consistent basis throughout the periods involved. All disclosures contained in the Registration Statement, the Disclosure Package or the Prospectus regarding "non-GAAP financial measures" (as such term is defined by the rules and regulations of the Commission) comply with Regulation G of the Exchange Act and Item 10 of Regulation S-K of the Act, to the extent applicable. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus fairly present the information called for in all material respects and have been prepared in accordance with the Commission's rules and guidelines applicable thereto.

PricewaterhouseCoopers LLP, who has audited certain financial statements included in the Registration Statement, the Disclosure Package and the Prospectus of the Company, and delivered its reports with respect thereto, is an independent registered public accounting firm with respect to the Company within the meaning of the Act and the applicable published rules and regulations thereunder and the rules and regulations of the Public Company Accounting Oversight Board ("PCAOB").

(v) Absence of Litigation. Except as described in the Disclosure Package and the Prospectus, there is no (i) action, suit or proceeding before or by any court, arbitrator or governmental agency, body or official, domestic or foreign, now pending or, to the knowledge of the Company, threatened, to which any of the Company or any of its subsidiaries is or may be a party or to which the property of the Company or any of its subsidiaries may be subject, (ii) statute, rule, regulation or order that has been enacted, adopted or issued by any governmental agency with respect to any Company Entity or (iii) injunction, restraining order or order of any nature issued by a federal or state court or foreign court of competent jurisdiction, to which the Company or any of its subsidiaries is or may be subject, that, in the case of clauses (i), (ii) and (iii) above, would, individually or in the aggregate, reasonably be expected to (A) have a Material Adverse Effect or (B) prevent or result in the suspension of the offering and sale of the Shares.

(w) Title to Properties. As of the date hereof, the Company Entities have, and on the Closing Date will have, good title to all personal property described in the Disclosure Package and the Prospectus to be owned by the Company Entities, and the Company and, to the knowledge of the Company, the other entities identified on Exhibit B hereto hold the interest in the applicable vessel set forth opposite its name on Exhibit B ("Vessels"), in each case free and clear of all Liens except (i) as described, and subject to the limitations contained, in the Disclosure Package and the Prospectus, or (ii) as do not materially affect the value of such property, taken as a whole, and do not materially interfere with the use of such properties, taken as a whole, as they have been used in the past and are proposed to be used in the future, as described in the Disclosure Package and the Prospectus (the Liens described in clauses (i) and (ii) above being "Permitted Liens"); provided that with respect to any interest in real property and buildings held under lease by the Company Entities, such real property and buildings are held under valid and subsisting and enforceable leases (except as may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws relating to or affecting creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)). As of the date hereof and, except as described in the Disclosure Package and the Prospectus, the Company Entities do not, and at each Closing Date will not, own, lease or otherwise have interest in any real property.

(x) Vessel Registration. Each Vessel is duly registered under the laws of the jurisdiction set forth on Exhibit B.

(y) Tax Returns. The Company and each of its subsidiaries has filed all foreign, federal, state and local tax returns that are required to be filed or has requested extensions thereof (except in any case in which the failure so to file would not reasonably be expected to have a Material Adverse Effect) and the Company and each of its subsidiaries has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as would not reasonably be expected to have a Material Adverse Effect.

(z) Insurance. The Company and its subsidiaries carry or are entitled to the benefits of insurance, with financially sound and reputable insurers, in such amounts and covering such risks as are generally maintained by companies of established repute engaged in the same or similar business, and all such insurance is in full force and effect. None of the Company or any of its subsidiaries have any reason to believe that they will not be able to (i) renew their existing insurance coverage as and when such policies expire or (ii) obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct their business as now conducted and at a cost that would not reasonably be expected to have a Material Adverse Effect.

(aa) Distribution Restrictions. Except as provided by applicable law, no Significant Subsidiary is currently prohibited, directly or indirectly, from paying any distributions to the Company, from making any other distribution on such subsidiary's equity interests, from repaying to the Company any loans or advances to such subsidiary from the Company or from transferring any of such subsidiary's property or assets to the Company or any other subsidiary of the Company, except as described in or contemplated by the Disclosure Package and the Prospectus.

(bb) Licenses and Permits. Except as described in or contemplated by the Disclosure Package and the Prospectus, and except for those that are the responsibility of the charter parties to obtain pursuant to the terms of the charter agreements relating to the Vessels as such agreements are currently in effect (the "Charter Agreements"), the Company Entities possess such permits, licenses, approvals, consents and other authorizations (collectively, "Governmental Licenses") issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to own or lease their properties and to conduct their business in the manner described in the Disclosure Package and the Prospectus, except where the failure so to possess would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; except as described in the Disclosure Package and the Prospectus, the Company Entities are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; and the Company Entities have not received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses that, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect. To the knowledge of the Company, the charter parties to the Charter Agreements possess, or reasonably expect to possess in the ordinary course of business as necessary, the Governmental Licenses that are the responsibility of the charter parties to obtain pursuant to the terms of the Charter Agreements.

(cc) Environmental Laws. Each of the Company and its subsidiaries (i) is in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to pollution or the protection of the environment or imposing liability or standards of conduct concerning the use, handling, storage or management of any Hazardous Materials (as defined below) ("Environmental Laws"), (ii) has received all permits required of it under applicable Environmental Laws to conduct its respective businesses as presently conducted ("Environmental Permits") except for any such Environmental Permits that are the responsibility of the charter parties under the Charter Agreements and that the Company reasonably expects such charter parties to obtain, (iii) is in compliance with all terms and conditions of any such permits and (iv) does not have any liability in connection with any known or threatened release into the environment of any Hazardous Material, except in the case of each of clauses (i), (ii), (iii) and (iv) as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The term "Hazardous Material" means (A) any "hazardous substance" as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, (B) any "hazardous waste" as defined in the Resource Conservation and Recovery Act, as amended, (C) any petroleum or petroleum product, (D) any polychlorinated biphenyl and (E) any hazardous, toxic chemical, material, waste or substance regulated under or within the meaning of any applicable Environmental Law. In the ordinary course of business, the Company Entities periodically review the effect of Environmental Laws on their business, operations and properties, in the course of which they identify and evaluate costs and liabilities that they believe are reasonably likely to be incurred pursuant to such Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws, or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties). On the basis of such review, the Company Entities have reasonably concluded that such associated costs and liabilities relating to the Vessels would not, individually or in the aggregate, have a Material Adverse Effect. To the knowledge of the Company, the parties to the Charter Agreements possess, or reasonably expect to possess in the ordinary course as necessary, the Environmental Permits that are the responsibility of the charter parties to obtain pursuant to the terms of the Charter Agreements.

- (dd) Intellectual Property. Except as would not result in a Material Adverse Effect, (i) the Company Entities own or possess, or expect they can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, "Intellectual Property") necessary to carry on their business in the manner described in the Disclosure Package and the Prospectus, and (ii) the Company Entities have not received any written notice and are not otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances that would render any Intellectual Property invalid or inadequate to protect the interests in the Company Entities.
- (ee) Certain Relationships and Related Transactions. No relationship, direct or indirect, exists between or among the Company or any of its subsidiaries, on the one hand, and the directors, officers, stockholders, affiliates, customers or suppliers of any of Company or any of its subsidiaries, on the other hand, that is required to be described in the Disclosure Package or the Prospectus but is not so described.
- (ff) Description of Legal Proceedings and Contracts; Filing of Exhibits. There are no legal or governmental proceedings pending or, to the knowledge of the Company, threatened or contemplated, against the Company or any of its subsidiaries, or to which the Company or any of its subsidiaries is a party, or to which any of their respective properties or assets is subject, that are required to be described in the Registration Statement, the Disclosure Package or the Prospectus but are not so described, and there are no agreements, contracts, indentures, leases or other instruments that are required to be described in the Registration Statement, the Disclosure Package or the Prospectus or to be filed as an exhibit to the Registration Statement that are not described or filed as required by the Act. The statements included in the Registration Statement, the Disclosure Package and the Prospectus insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are accurate summaries of such legal matters, agreements, documents or proceedings in all material respects.
- (gg) Sarbanes-Oxley Act of 2002. On the Closing Date, the Company will be in compliance in all material respects with all applicable provisions of the Sarbanes-Oxley Act of 2002, the rules and regulations promulgated in connection therewith and the rules of the Nasdaq Stock Market LLC that are effective and applicable to the Company.
- (hh) Investment Company. The Company is not, and after giving effect to the offering and sale of the Shares, will not be, an "investment company" or a company "controlled by" an "investment company," each as defined in the Investment Company Act of 1940, as amended (the "Investment Company Act").
- (ii) Passive Foreign Investment Company. The Company was not a Passive Foreign Investment Company ("PFIC") within the meaning of Section 1297 of the United States Internal Revenue Code of 1986, as amended, for its most recent taxable year, believes that it will not be a PFIC for its current taxable year and, based on the Company's current operations and future projections, it does not expect to be classified as a PFIC for any subsequent taxable year.
- (jj) Section 883 Exemption. Based upon the assumptions and subject to the limitations set forth in the Registration Statement, the Disclosure Package and the Prospectus (or any documents incorporated by reference therein), the Company believes that it will qualify for the exemption from United States federal income tax with respect to its U.S. source international transportation income under Section 883 of the Code for the taxable year ending December 31, 2013 and for future tax years, provided that less than 50 percent of its common stock is owned by "5-percent shareholders" as defined in Treasury Regulation 1.883-2(d)(3) for more than half the number of days during each such year.

(kk) Books and Records. The Company Entities maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals, and appropriate action is taken with respect to any differences.

(ll) Market Stabilization. (e) No Conflicts. None of (i) the offering or sale of the Shares pursuant to the terms of this Agreement, (ii) the execution, delivery and performance of this Agreement by the Selling Stockholder, or (iii) the consummation of the transactions contemplated hereby or thereby (A) constituted, constitutes or will constitute a violation of the Selling Stockholder's memorandum of association or bye-laws, (B) conflicts or will conflict with or constitutes or will constitute a breach or violation of, or a default (or an event that, with notice or lapse of time or both, would constitute such a default) under any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which the Selling Stockholder is a party or by which it or any of its properties may be bound or (C) violates or will violate any statute, law or regulation or any order, judgment, decree or injunction of any court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over the Selling Stockholder or any of its properties or assets in a proceeding to which the Selling Stockholder or its property is a party, except for such conflicts, breaches, violations or defaults, in the case of clauses (B) or (C), which would not, individually or in the aggregate, reasonably be expected to materially impair the ability of the Selling Stockholder to consummate the transactions provided for in this Agreement.

(f) **Price Manipulation.** The Selling Stockholder will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of the Common Shares to facilitate the sale or resale of the Shares.

(g) **Transfer Taxes.** No stamp or other issuance or transfer taxes are payable by or on behalf of the Underwriters in connection with (A) the delivery of the Shares in the manner contemplated by this Agreement or (B) the sale and delivery by the Underwriters of the Shares as contemplated herein.

Any certificate signed by any Selling Stockholder officer and delivered to the Underwriters or counsel for the Underwriters in connection with the offering of the Shares shall be deemed a representation and warranty by the Selling Stockholder, as to matters covered thereby, to each Underwriter.

3. **Purchase and Sale.** (a) Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Selling Stockholder agrees to sell 27,826,087 Common Shares to the Underwriters, and each Underwriter agrees to purchase, severally and not jointly, from the Selling Stockholder, at a purchase price of \$57.213 per Common Share, the aggregate number of Firm Shares set forth opposite such Underwriter's name in Schedule I hereto.

(b) Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Selling Stockholder grants an option to purchase 4,173,913 Common Shares to the several Underwriters, at the same purchase price per share as the Underwriters shall pay for the Firm Shares, provided, however, that the amount paid by the Underwriters for any Option Shares shall be reduced by an amount per share equal to any dividends declared by the Company and payable on the Firm Shares but not payable on the Option Shares. Said option may be exercised in whole or in part at any time on or before the 30th day after the date of the Prospectus upon written or telegraphic notice by the Representatives to the Company and the Selling Stockholder setting forth the number of Option Shares as to which the several Underwriters are exercising the option and the settlement date. The number of Option Shares to be purchased by each Underwriter shall be the same percentage of the total number of Option Shares to be purchased by the several Underwriters as such Underwriter is purchasing of the Firm Shares, subject to such adjustments as the Representatives in their absolute discretion shall make to eliminate any fractional units.

4. **Delivery and Payment.** Delivery of and payment for the Firm Shares and Option Shares (if the option provided for in Section 3(b) hereof shall have been exercised on or before the third Business Day prior to the Closing Date) shall be made at the offices of Seward & Kissel LLP, One Battery Park Plaza, New York, New York 10004, at 9:00 a.m., New York City time, on September 10, 2014, or at such time on such later date not more than three Business Days after the foregoing date as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives, the Company and the Selling Stockholder (such date and time of delivery and payment for the Shares being herein called the "Closing Date"). Delivery of the Shares shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or, upon the order of the Selling Stockholder, by wire transfers payable in same-day funds to the account specified by the Selling Stockholder. Delivery of the Firm Shares and Option Shares shall be made through the facilities of DTC unless the Representatives shall otherwise instruct.

If the option provided for in Section 3(b) hereof is exercised after the third Business Day prior to the Closing Date, the Selling Stockholder will deliver the Option Shares (at the expense of the Company) to the Representatives, at the office of Seward & Kissel LLP, One Battery Park Plaza, New York, New York 10004, on the date specified by the Representatives (which shall be within three Business Days after exercise of said option) for the respective accounts of the several Underwriters, against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Selling Stockholder by wire transfer payable in same-day funds to the account specified by the Selling Stockholder. If settlement for the Option Shares occurs after the Closing Date, the Selling Stockholder will deliver to the Representatives on the settlement date for the Option Shares, and the obligation of the Underwriters to purchase the Option Shares shall be conditioned upon receipt of, supplemental opinions, certificates and letters confirming as of such date the opinions, certificates and letters delivered on the Closing Date pursuant to Section 7 hereof.

5. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Shares for sale to the public as set forth in the Prospectus.

6. Agreements. The Company and, in respect of Section 6(i) only, the Selling Stockholder agree with the several Underwriters that:

(a) Preparation of Prospectus and Registration Statement. Prior to the termination of the offering of the Shares, the Company will not file any amendment to the Registration Statement or supplement (including any Preliminary Prospectus or the Prospectus) to the Base Prospectus unless the Company has furnished the Representatives a copy for their review prior to filing and will not file any such proposed amendment or supplement to which the Representatives reasonably object. The Company will cause the Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed (without reliance on Rule 424(b)(8)) and will provide evidence satisfactory to the Representatives of such timely filing. The Company will promptly advise the Representatives (i) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Shares, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or for any supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its reasonable efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its reasonable efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) Amendment or Supplement of Disclosure Package and Issuer Free Writing Prospectus. If, at any time prior to the filing of the Prospectus pursuant to Rule 424(b), any event occurs as a result of which the (i) Disclosure Package or any Issuer Free Writing Prospectus would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or (ii) any Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Preliminary Prospectus or the Prospectus, the Company will (A) promptly notify the Representatives so that any use of the Disclosure Package or the Issuer Free Writing Prospectus, as the case may be, may cease until the Disclosure Package or such Issuer Free Writing Prospectus is amended or supplemented; (B) amend or supplement the Disclosure Package or the Issuer Free Writing Prospectus, as the case may be, to correct such statement, omission or conflict; and (C) supply any amendment or supplement to the Representatives in such quantities as they may reasonably request.

(c) Amendment of Registration Statement or Supplement of Prospectus. If, at any time when a prospectus relating to the Shares is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with the use or delivery of the Prospectus, the Company promptly will (i) notify the Representatives of any such event; (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 6, an amendment, supplement or new registration statement that will correct such statement or omission or effect such compliance; (iii) use its reasonable efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in the use of the Prospectus; and (iv) supply any supplemented Prospectus to the Representatives in such quantities as they may reasonably request.

(d) Reports to Stockholders. As soon as practicable, the Company will make generally available to its stockholders and to the Underwriters an earnings statement or statements of the Company and its subsidiaries that will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(e) Signed Copies of the Registration Statement and Copies of the Prospectus. The Company will furnish to the Underwriters and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(f) Qualification of Shares. The Company will arrange, if necessary, for the qualification of the Shares for sale under the laws of such jurisdictions as the Representatives may reasonably designate and will maintain such qualifications in effect so long as reasonably required for the distribution of the Shares; provided, however, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Shares, in any jurisdiction where it is not now so subject or to take any action that would subject it to taxation in any jurisdiction it is not otherwise subject.

(g) **Lock-Up Period.** The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of, or enter into any transaction designed to or that might reasonably be expected to (i) result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any person in privity with the Company or any affiliates of the Company, directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or (ii) establish or increase a put equivalent position or liquidate or decrease a call equivalent position (within the meaning of Section 16 of the Exchange Act) in any Common Shares of the Company or any securities convertible into, or exercisable or exchangeable for, such Common Shares; or publicly announce an intention to effect any such transaction, for a period of 45 days after the date of this Agreement; provided, however, that the Company (A) may issue and sell Common Shares pursuant to, and file a registration statement on Form S-8 relating to, any employee benefit plan of the Company in effect at the Execution Time, and (B) the Company may issue Common Shares issuable upon the conversion of securities or the exercise of warrants or options outstanding at the Execution Time.

(h) **Price Manipulation.** None of the Company Entities will take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares.

(i) **Expenses.** The Company agrees to pay the costs and expenses incident to the performance of its obligations and the Selling Stockholder's obligations pursuant to this Agreement, including the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Shares; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Shares, including any stamp or transfer taxes in connection with the execution of this Agreement or the original issuance and sale of the Shares; (iv) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Shares; (v) the expenses, if any, for the registration of the Shares under the Exchange Act and the listing of the Shares on the Nasdaq Global Market; (vi) any registration or qualification of the Shares for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification, which such fees and reimbursements of counsel shall not exceed \$15,000); (vii) any filings required to be made with the Financial Industry Regulatory Authority, Inc. (including filing fees and fees of counsel, which such fees and reimbursements of counsel shall not exceed \$20,000); (viii) the expenses incurred by or on behalf of the Company representatives in connection with presentations to prospective purchasers of the Shares; (ix) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company and the Selling Stockholder; and (x) all other costs and expenses incident to the performance by the Company and the Selling Stockholder of their obligations hereunder. Notwithstanding the foregoing, the Underwriters will reimburse the Company for certain actual expenses that it incurred in connection with the offering in an amount not to exceed \$224,000. Such reimbursement shall be made by wire transfer of immediately available funds to such accounts or accounts designated by the Company or such other method as agreed to by the parties to this Agreement following delivery of reasonably satisfactory documentation of the expenses to the Representatives. Notwithstanding the foregoing, it is understood that except as expressly provided in this [Section 6\(i\)](#) or in [Sections 8](#) and [9](#) hereof, the Underwriters will pay all of their own costs and expenses, including without limitation, fees and disbursements of their counsel, transfer taxes on the resale by them of any of the Shares and travel expenses. The provisions of this Section 6 shall not supersede or otherwise affect any agreement that the Selling Stockholder and the Company may otherwise have for the allocation of expenses among themselves.

(j) Free Writing Prospectus. The Company agrees that, unless it has obtained or shall have obtained the prior written consent of the Representatives, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has obtained or shall have obtained, as the case may be, the prior written consent of the Company and the Representatives, it has not made and will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433; provided, however, that the prior written consent of the parties hereto shall be deemed to have been given in respect of each Free Writing Prospectus included in Schedule III hereto and any bona fide electronic road show within the meaning of Rule 433. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (ii) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(k) Rule 463. The Company will file with the Commission such information in Form 20-F as may be required by Rule 463 under the Act.

(l) Investment Company. As of the Closing Date or any settlement date, the Company will not be deemed an "investment company" as defined in the Investment Company Act. Unless there has occurred a material change in the nature of the operations of the Company, for a period of five years after the Closing Date, the Company will use commercially reasonable efforts to ensure that the Company shall not become a PFIC.

(m) Sanctions Laws and Regulations. The Company will not take, and will cause each subsidiary not to take, directly or indirectly, any action that would reasonably be expected to result in a violation by any U.S. person participating in the offering contemplated by this Agreement of the Sanction Laws and Regulations with respect to the sale of the Shares hereunder.

7. Conditions to the Obligations of the Underwriters. (q) The Company shall have requested and caused Pernille Noraas, as Legal Advisor, to have furnished to the Representatives a certificate, dated the Closing Date and addressed to you, in form and substance reasonably satisfactory to the Representatives, substantially to the effect set forth in Exhibit E.

(r) Prior to the Closing Date, the Representatives shall have received a properly completed and executed United States Treasury Department Form W-9 or W-8 (or other applicable form) for the Selling Stockholder.

If any of the conditions specified in this Section 7 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 7 shall be delivered at the offices of Seward & Kissel LLP, One Battery Park Plaza, New York, New York 10004, on the Closing Date.

8. Reimbursement of Underwriters' Expenses. If the sale of the Shares provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 7 hereof is not satisfied, because of any termination pursuant to Section 11(i) hereof or because of any refusal, inability or failure on the part of the Company or the Selling Stockholder to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally through Morgan Stanley & Co. LLC on demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Shares. If the Company is required to make any payments to the Underwriters under this Section 8 solely because of the Selling Stockholder's refusal, inability or failure to satisfy any condition to the obligations of the Underwriters set forth in Section 7, the Selling Stockholder shall reimburse the Company on demand for all amounts so paid.

9. Indemnification and Contribution.

(a) The Company agrees to (i) indemnify and hold harmless the Selling Stockholder and each Underwriter, the directors, officers, employees and agents of the Selling Stockholder and each Underwriter, affiliates of the Underwriters who have participated in the distribution of the Shares as underwriters and each person who controls the Selling Stockholder and any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (A) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or in any amendment thereof, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (B) any untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, any Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus, or any other "issuer information" contained in a Permitted Free Writing Prospectus filed or required to be filed pursuant to Rule 433(a) under the Act, or in any amendment thereof or supplement thereto, or the omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (ii) reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with (i) written information furnished to the Company by or on behalf of any Underwriter specifically for inclusion therein, which information consists solely of the information set forth in the last sentence of Section 9(c) or (ii) the Selling Stockholder Information. This indemnity agreement will be in addition to any liability that the Company may otherwise have.

(b) The Selling Stockholder agrees to (i) indemnify and hold harmless the Company and each Underwriter, the directors, officers, employees and agents of the Company and each Underwriter, affiliates of the Underwriters who have participated in the distribution of the Shares as underwriters and each person who controls the Company and any Underwriter within the meaning of either the Act or the Exchange Act to the same extent as the foregoing indemnity from the Company to the Selling Stockholder and each Underwriter, but only with reference to the Selling Stockholder Information. This indemnity agreement will be in addition to any liability that the Selling Stockholder may otherwise have. The liability of the Selling Stockholder under the indemnity agreement contained in this paragraph shall be limited to an amount equal to the total net proceeds, after deducting underwriting fees and commissions but before deducting expenses, received by the Selling Stockholder from the offering of the Firm Shares purchased under the Agreement.

(c) Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless each of the Company and the Selling Stockholder, each of their respective directors, officers who signs the Registration Statement, and each person who controls the Company or the Selling Stockholder within the meaning of either the Act or the Exchange Act, as applicable, to the same extent as the foregoing indemnity from the Company to the Selling Stockholder and each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability that any Underwriter may otherwise have. The Company acknowledges that the statements set forth in the last paragraph of the cover page regarding delivery of the Shares and, under the heading "Underwriting," (i) the list of Underwriters and their respective participation in the sale of the Shares, (ii) the sentences related to concessions and reallowances and (iii) the paragraphs related to stabilization, syndicate covering transactions and short sales in the Preliminary Prospectus and the Prospectus constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in the Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus.

(d) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraphs (a), (b) or (c) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a), (b) or (c) above. The indemnifying party shall be entitled to, jointly with any other indemnifying party, appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ one separate counsel (in addition to local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties (which consent shall not be unreasonably withheld), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or

potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

21

(e) In the event that the indemnity provided in paragraphs (a), (b) or (c) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Selling Stockholder agree, severally and not jointly, and the Underwriters, severally and not jointly, agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the Company, the Selling Stockholder and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company, the Selling Stockholder, and the Underwriters, respectively, from the offering of the Shares; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Shares) be responsible for any amount in excess of the underwriting discount or commission applicable to the Shares purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company, the Selling Stockholder, and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company, the Selling Stockholder, and of the Underwriters, respectively, in connection with the statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company and the Selling Stockholder, respectively, shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by the Company and the Selling Stockholder, respectively, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company, the Selling Stockholder or the Underwriters, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Selling Stockholder and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (e), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of the Selling Stockholder or an Underwriter shall have the same rights to contribution as the Selling Stockholder or such Underwriter, and each person who controls the Company or the Selling Stockholder, as applicable, within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company and the Selling Stockholder, as applicable, subject in each case to the applicable terms and conditions of this paragraph (e). Notwithstanding the foregoing, in no case shall the Selling Stockholder be required to contribute to Losses of the Company or the Underwriters pursuant to this paragraph (e) except with respect to Losses related to the Selling Stockholder Information.

10. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Shares agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally but not jointly to take up and pay for (in the respective proportions which the number of Firm Shares set forth opposite their names in Schedule I hereto bears to the aggregate number of Firm Shares set forth opposite the names of all of the remaining Underwriters) the Shares that the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that, in the event that the aggregate number of Shares that the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate number of Shares set forth in Schedule I hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Shares, and if such nondefaulting Underwriters do not purchase all of the Shares, this Agreement will terminate without liability to any nondefaulting Underwriter, the Company or the Selling Stockholder. In the event of a default by any Underwriter as set forth in this Section 10, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company, the Selling Stockholder and any nondefaulting Underwriter for damages occasioned by its default hereunder.

11. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company and the Selling Stockholder prior to delivery of and payment for the Shares, if at any time prior to such delivery and payment (i) trading in the Company's Common Shares shall have been suspended by the Commission or the Nasdaq Stock Market LLC, (ii) trading in securities generally on the New York Stock Exchange or the Nasdaq National Market shall have been suspended or limited or minimum prices shall have been established on either of such exchanges, (iii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering or delivery of the Shares as contemplated by the Preliminary Prospectus or the Prospectus (exclusive of any supplement thereto).

12. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company and the Selling Stockholder or their respective officers, as applicable, and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company, the Selling Stockholder or any of the officers, directors, employees, agents or controlling persons referred to in Section 9 hereof, and will survive delivery of and payment for the Shares. The provisions of Sections 8 and 9 hereof shall survive the termination or cancellation of this Agreement.

13. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to (i) the Representatives, will be mailed Merrill Lynch, Pierce, Fenner & Smith Incorporated, One Bryant Park, New York, NY 10036 (fax number: (646) 855-3073), Attention: Syndicate Department, (fax number: (212) 230-8730, Attention: ECM Legal); Citigroup Global Markets Inc., 388 Greenwich Street, New York, NY 10013, (fax number (212) 816-7912), Attention: General Counsel; Goldman, Sachs & Co., Prospectus Department, 200 West Street, New York, NY 10282 (telephone: 1-866-471-2526, facsimile: 212-902-9316), or by emailing prospectus-ny@ny.email.gs.com; Morgan Stanley & Co. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

14. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, agents and controlling persons referred to in Section 9 hereof, and no other person will have any right or obligation hereunder.

15. No Fiduciary Duty. Each of the Company and the Selling Stockholder hereby acknowledges that (a) the purchase and sale of the Shares pursuant to this Agreement is an arm's-length commercial transaction among the Company, the Selling Stockholder, and the Underwriters and any affiliates through which they may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company or the Selling Stockholder and (c) the engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, each of the Company and the Selling Stockholder agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Company on related or other matters). Each of the Company and the Selling Stockholder agrees that it will not claim that any of the Underwriters has rendered advisory services of any nature or respect, or that any of the Underwriters owes an agency, fiduciary or similar duty to the Company and the Selling Stockholder, in connection with the transactions contemplated by this Agreement or the process leading thereto.

16. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Company, the Selling Stockholder and the Underwriters, or any of them, with respect to the subject matter hereof.

17. Applicable Law. This Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

18. Judicial Proceedings.

(a) The Company and the Selling Stockholder irrevocably (i) agrees that any legal suit, action or proceeding against the Company and the Selling Stockholder arising out of or based upon this Agreement, the transactions contemplated hereby or alleged violations of the securities laws of the United States or any state in the United States may be instituted in any New York court, (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding in any New York court and (iii) submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Each of the Company and the Selling Stockholder have appointed Seward & Kissel LLP, as its Authorized Agent, upon whom process may be served in any such action arising out of or based on this Agreement, the transactions contemplated hereby or any alleged violation of the securities laws of the United States or any state in the United States which may be instituted in any New York court, expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. Such appointment shall be irrevocable. The Company and the Selling Stockholder represent and warrant that the Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company or the Selling Stockholder, as applicable, shall be deemed, in every respect, effective service of process upon the Company or the Selling Stockholder, as applicable.

(b) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in the City of New York on the Business Day proceeding that on which final judgment is given. The obligations of the Company and the Selling Stockholder in respect of any sum due from it to the Underwriters shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first Business Day, following receipt by the Underwriters of any sum adjudged to be so due in such other currency, on which (and only to the extent that) the Underwriters may in accordance with normal banking procedures purchase United States dollars with such other currency; if the United States dollars so purchased are less than the sum originally due to the Underwriters hereunder, the Company and the Selling Stockholder agree, severally and not jointly, as a separate obligation and notwithstanding any such judgment, that the responsible party shall indemnify the Underwriters against such loss. If the United States dollars so purchased are greater than the sum originally due to the Underwriters hereunder, the Underwriters agree to pay to the Company or the Selling Stockholder, as applicable, an amount equal to the excess of the dollars so purchased over the sum originally due to the Underwriters hereunder.
