PW Partners Atlas Fund III LP and HG Vora Special Opportunities Master Fund, Ltd., together with the other participants named herein, intend to make a preliminary filing with the Securities and Exchange Commission of a proxy statement and an accompanying proxy card to be used to solicit votes for the election of a slate of director nominees at the 2015 annual meeting of stockholders of Town Sports International Holdings, Inc.

On January 7, 2015, PW Partners Atlas Fund III LP and HG Vora Special Opportunities Master Fund, Ltd. issued the following press release.

PW Partners and HG Vora Nominate Six Highly Qualified Directors to Board of Town Sports

NEW YORK, NY, January 7, 2015 -- PW Partners Atlas Funds and HG Vora Capital Management (the “Nominating Stockholders”), who collectively own 6,371,133 shares or 26.2% of the outstanding shares of Town Sports International Holdings, Inc. (Nasdaq: CLUB) (“Town Sports” or the “Company”), announced today that they have formally nominated six highly qualified and independent director nominees for election to the Board of Directors of Town Sports at its upcoming 2015 annual meeting of stockholders.

The Nominating Stockholders released the following statement:

“As stockholders collectively owning more than 26% of Town Sports, we believe the Company needs to significantly revamp its board of directors to effect the changes necessary to maximize stockholder value. We believe our proposed slate of experienced operating and business professionals with significant expertise in the fitness industry and corporate finance will strengthen Town Sports’ brands, right-size its cost structure, and make prudent capital allocation decisions for the benefit of all stockholders. The Company has failed to engage in a meaningful dialogue with us regarding our recommendations for enhancing stockholder value. The Company also rebuffed our good faith attempts to obtain meaningful representation on the Board and responded by adopting a ‘poison pill’ rights plan. Stockholders deserve directors who will proactively address the many issues facing Town Sports and be committed to meaningful value creation.”

The Nominating Stockholders’ slate of director nominees includes:

Glenn Colarossi (Age 54) who has served as Principal of Colarossi Spa & Health Club Consulting & Management LLC, a health club consulting and management firm providing development, design, branding, management and investment consulting services to health clubs and spas worldwide, since he founded it in 1991.
