In the letter, Starboard expressed its belief, among other things, that the Issuer is deeply undervalued and that significant opportunities exist to create value for the benefit of all shareholders based on actions within the control of management and the Board. Starboard also expressed its belief in the letter that the Issuer's management team has repeatedly failed to execute in both of the Issuer's operating businesses and that the Board, as a whole, has done very little to hold management accountable for its poor performance or to appropriately govern the Issuer in a manner commensurate with best-in-class corporate governance.

Smith, and Lynn F. White (collectively, the “Nominees”), for election to the Board at the 2015 annual meeting of stockholders (the “2015 Annual Meeting”).
