Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

The information contained in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Section 2 - Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

As previously announced, on April 1, 2011 PPL Corporation announced that it had completed the acquisition (the "Acquisition"), through its subsidiary PPL WEM Holdings plc ("PPL WEM"), of all of the outstanding ordinary share capital of Central Networks East plc (subsequently renamed Western Power Distribution (East Midlands) plc; "WPD East Midlands") and Central Networks Limited, the sole owner of Central Networks West plc (subsequently renamed Western Power Distribution (West Midlands) plc; "WPD West Midlands"), together with certain other related assets, from E.ON U.K. plc, a wholly owned subsidiary of E.ON AG.

On April 4, 2011, each of WPD East Midlands and WPD West Midlands entered into £300 million five year multicurrency revolving credit facilities with Royal Bank of Canada as Lead Arranger, Bank of America Securities Limited as Bookrunner and Facility Agent, Bank of America, N. A. as Issuing Bank and the other banks party thereto as Mandated Lead Arrangers (each a "Credit Facility" and collectively the "Credit Facilities").

Borrowings under the Credit Facilities bear interest at a percentage rate per annum which is equal to the sum of (a) the applicable margin plus (b) the LIBOR or EURIBOR rate, as applicable, plus (c) any mandatory cost. The applicable margin varies from 65 basis points to 115 basis points based upon the long-term unsecured and non credit-enhanced debt obligations of WPD East Midlands and WPD West Midlands, as applicable.

Each of the Credit Facilities is voluntarily prepayable from time to time without premium or penalty, and is mandatorily prepayable upon certain events, including upon a change of control.

In addition, the borrower under each respective Credit Facility is subject to certain financial covenants, which require the borrower under each such agreement to ensure that (i) its total net debt does not exceed 85% of its regulatory asset base, which is the date the regulatory asset base of the borrower was last determined as notified to the borrower by the U.K. Office of Gas and Electricity Markets and (ii) its consolidated EBITDA to interest payable is no less than 3.0 to 1.0, in each case as calculated pursuant to such agreement. Each Credit Facility will permit the applicable borrower to request from the applicable lenders to issue letters of credit up to a maximum aggregate amount of £80 million. Each of WPD East Midlands and WPD West Midlands intend to use its respective Credit Facility for general corporate purposes.

Each of the Credit Facilities also contains customary representations, covenants and events of default. Failure to meet the covenants beyond applicable grace periods and certain other events could result in acceleration of the loans and/or termination of the Credit Facilities.

The foregoing summary of the Credit Facilities does not purport to be complete. Additionally, the foregoing summary of the Credit Facilities is subject to, and qualified in its entirety by, the full text of the Credit Facilities, which are attached as Exhibits 10.1 and 10.2 and incorporated herein by reference.
