Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On July 17, 2006, Nephros, Inc. (the “Company”) received notice from the staff of the American Stock Exchange (the “AMEX”) that, based on AMEX’s review of the Company’s Form 10-QSB for the quarter ended March 31, 2006, the Company is not in compliance with certain conditions of the continued listing standards of Section 1003 of the AMEX Company Guide. Specifically, AMEX noted the Company’s failure to comply with Section 1003(a)(ii) relating to shareholders’ equity of less than \$4,000,000 and losses from continuing operations and/or net losses in three of its four most recent fiscal years and Section 1003(a)(iii) relating to shareholders’ equity of less than \$6,000,000 and losses from continuing operations and/or net losses in its five most recent fiscal years.

In order to maintain listing of the Company’s common stock on AMEX, the Company must submit a plan by August 17, 2006, advising AMEX of the actions the Company has taken, or will take, that would bring it into compliance with the applicable listing standards by January 17, 2008. If AMEX accepts the plan, the Company may be able to continue its listing during the plan period of up to eighteen months, during which time the Company will be subject to periodic review to determine whether it is making progress consistent with the plan. If AMEX does not accept the Company’s plan, or even if accepted, if the Company is not in compliance with the continued listing standards at the end of the plan period or the Company does not make progress consistent with the plan during such period, then AMEX may initiate delisting proceedings.

The Company is considering what actions it may take to regain compliance with the AMEX listing standards and intends to submit a compliance plan to the AMEX Staff in a timely manner. The Company’s common stock continues to trade on AMEX.
