**For Immediate Release**

**FENTURA FINANCIAL, INC. ANNOUNCES**  
**FOURTH QUARTER AND FULL YEAR 2004**  
**RESULTS**

Fentura Financial, Inc. reported year to date earnings of \$4,034,000 or \$2.13 per diluted share, a 6.5% increase over the \$3,788,000 or \$2.01 per diluted share reported in 2003. Net interest income for the twelve months ended December 31, 2004 of \$17,807,000 increased \$4,976,000 from \$12,831,000 in 2003. Interest income from continued strong commercial loan growth at The State Bank and Davison State Bank as well as the addition of net interest income from the operations of West Michigan Community Bank, acquired in March 2004, accounts for the increase. Non-interest income increased \$462,000 in 2004 to \$7,328,000. Income from West Michigan Community Bank's deposit, trust, and mortgage operations contributed to the increase, year to year. Non-interest expenses increased to \$18,188,000 in 2004 due principally to the addition of over nine months of operational expense from acquiring West Michigan Community Bank.

Total assets of \$584,890,000 reflect an increase of \$164,924,000 or 39.3% over the \$419,966,000 reported at December 31, 2003. The total includes West Michigan Community Bank assets of \$145,367,000. Both The State Bank and Davison State Bank experienced positive year to year growth. The combined asset total for the two banks increased 4.6% driven principally by a \$36,341,000 increase in commercial loans and a \$19,843,000 increase in total deposits. Total stockholders equity increased \$2,086,000 or 5.1% comparing year end 2004 to year end 2003.

Fentura Financial, Inc. achieved fourth quarter 2004 earnings of \$1,536,000 or \$.81 per diluted share a 72.6% increase over the \$890,000 or \$.47 per diluted share earnings achieved during the fourth quarter of 2003. Net interest income increased \$1,951,000 with approximately \$1,500,000 of the increase attributable to the acquisition of West Michigan Community Bank. Continued strong loan growth and deposit growth at The State Bank and Davison State Bank contributed approximately \$500,000 to the increase in net interest income.

## Edgar Filing: FENTURA FINANCIAL INC - Form 8-K

Noninterest income increased \$758,000 or 53.0% during the quarter compared to the fourth quarter of 2003, due principally to an increase in the gains from the sale of loans and the addition of noninterest income from West Michigan Community Bank. The State Bank realized a fourth quarter gain of \$464,000 as a result of the sale of certain governmental guaranteed loans and credit card loans. Quarterly noninterest expense increased by \$1,597,000 primarily due to the addition of West Michigan Community Bank operating expenses.

Fentura Financial, Inc. is a bank holding company headquartered in Fenton, Michigan. Subsidiary banks include The State Bank headquartered in Fenton with offices serving Fenton, Linden, Holly, Grand Blanc, and Brighton; Davison State Bank headquartered in Davison, Michigan with offices serving Davison and Goodrich; and West Michigan Community Bank headquartered in Hudsonville, Michigan with offices serving Hudsonville, Holland, Jenison, and Grandville. Fentura Financial, Inc. shares are traded over the counter under the FETM trading symbol.
