**ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.**

The Company reported in its Annual Report on Form 10-K for the year ended December 31, 2003, that during the first quarter of 2004, as a result of the recent Top-Flite acquisition and normal seasonality of the Company's business, the Company obtained a commitment (subject to customary loan documentation and closing conditions) for an additional \$25.0 million unsecured line of credit with Bank of America, N.A. The Company is filing this Current Report on Form 8-K to report that the loan documentation has been completed and the closing conditions satisfied and that the line of credit is effective as of March 15, 2004 and (subject to the terms and conditions of the line of credit) is scheduled to be available through June 15, 2004. As of the filing of this Current Report, there were no amounts borrowed under the line of credit.

The purpose of the line of credit is to ensure an additional source of liquidity during the first part of the new golf season during which the Company typically uses more cash than it generates. The Company expects that any and all amounts borrowed under this new line of credit, as well as under the Company's other \$100 million revolving line of credit, will be paid off in full by the end of the second quarter and that the Company will thereafter continue to generate cash for the balance of the year.
