PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Hub Group, Inc., a Delaware corporation (Hub Group or the Company), of proxies for use at the 2006 Annual Meeting of Stockholders of the Company to be held on Thursday, May 11, 2006, and any adjournment thereof (the Annual Meeting). This Proxy Statement and accompanying form of proxy are first being sent to stockholders on or about March 22, 2006.

The Company s Class A common stock, \$.01 par value (the Class A Common Stock), and the Class B common stock, \$.01 par value (the Class B Common Stock, together with the Class A Common Stock, the Common Stock), are the only issued and outstanding classes of stock. Only stockholders of record at the close of business on March 15, 2006 (the Record Date), are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, the Company had 19,995,823 shares of Class A Common Stock (each a Class A Share) and 662,296 shares of Class B Common Stock (each a Class B Share, and collectively with the Class A Shares, the Shares) outstanding and entitled to vote.

VOTING RIGHTS AND PROCEDURES

Shares represented by an effective proxy given by a stockholder will be voted as directed by the stockholder. If a properly signed proxy form is returned to the Company and one or more proposals are not marked, it will be voted in accordance with the recommendation of the Board of Directors on all such proposals. A stockholder giving a proxy may revoke it at any time prior to the voting of the proxy by giving written notice to the Secretary of the Company, by executing a later dated proxy or by attending the Annual Meeting and voting in person.

Each Class A Share is entitled to one (1) vote and each Class B Share is entitled to approximately forty (40) votes. The holders of Shares having a majority of the votes that could be cast by the holders of all Shares, present in person or represented by proxy, will constitute a quorum at the Annual Meeting. Abstentions will be treated as Shares that are present and entitled to vote for purposes of determining the presence of a quorum. If a broker indicates on the proxy that it does not have discretionary authority as to certain Shares to vote on a particular matter, those Shares will be considered as present and entitled to vote for purposes of determining the presence of a quorum. As of February 28, 2006, the Yeager family members own all 662,296 shares of Class B Common Stock and 608,675 shares of Class A Common Stock. Consequently, the Yeager family controls approximately 58% of the voting power of the Company on all matters presented for stockholder action. The Yeager family members are parties to a stockholders agreement, pursuant to which they have agreed to vote all of their shares of Class B Common Stock in accordance with the vote of the holders of a majority of such shares.

Election inspectors appointed for the meeting will tabulate votes cast by proxy or in person at the Annual Meeting and such election inspectors will determine whether or not a quorum is present.

Edgar Filing: HUB GROUP INC - Form DEF 14A

The Board of Directors knows of no matters to be presented at the Annual Meeting other than those set forth in the Notice of 2006 Annual Meeting of Stockholders enclosed herewith. However, if any other matters do come before the meeting, it is intended that the holders of the proxies will vote thereon in their discretion. Any such other matter will require for its approval the affirmative vote of the holders of Shares having a majority of the votes present in person or represented by proxy at the Annual Meeting, provided a quorum is present, or such greater vote as may be required under the Company's Certificate of Incorporation, the Company's By-laws or applicable law. A list of stockholders as of the record date will be available for inspection at the Annual Meeting and for a period of ten days prior to the Annual Meeting at the Company's offices in Downers Grove.

ELECTION OF DIRECTORS

The number of directors of the Company, as determined by the Board of Directors under Article III of the Company's By-laws, is currently six. Each director holds office until his or her successor is elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal.

The nominees for whom the enclosed proxy is intended to be voted are set forth below. Each nominee for election as director currently serves as a director of the Company. It is not contemplated that any of these nominees will be unavailable for election, but if such a situation should arise, the proxy will be voted in accordance with the best judgment of the proxyholder for such person or persons as may be designated by the Board of Directors unless the stockholder has directed otherwise.

Directors are elected by a plurality of the votes cast at the Annual Meeting, provided a quorum is present. Abstentions, withholding of authority to vote in the election, or broker non-votes will not affect the outcome of the election. Stockholders are not allowed to cumulate their votes in the election of directors.

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and greater than ten-percent stockholders are required by Commission regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the Company's 2005 fiscal year all applicable Section 16(a) filing requirements were complied with by the officers, directors, and greater than ten-percent beneficial owners.
