### Explanatory Note

UTStarcom, Inc., a Delaware corporation (the "Registrant"), hereby files this Registration Statement on Form S-8 (this "Registration Statement") relating to up to (i) 4,372,112 shares of common stock, par value \$0.00125 per share, of the Registrant (the "Common Stock") issuable by the Registrant in connection with the exercise of options that have been granted, and that are available for issuance pursuant to future awards, under the UTStarcom, Inc. 1997 Stock Plan (the "1997 Plan"), (ii) 1,500,000 shares of Common Stock issuable by the Registrant in connection with the exercise of options that have been granted, and that are available for issuance pursuant to future awards, under the UTStarcom, Inc. 2003 Nonstatutory Stock Option Plan (the "2003 Plan"), (iii) 12,742 shares of Common Stock issuable by the Registrant in connection with the exercise of options that have been granted under the RollingStreams Systems, Ltd. 2001 Stock Plan (the "RollingStreams Plan") and (iv) 10,633 shares of Common Stock available for future issuance as earnout shares under the Assumed Options (the "Earnout Shares").

On June 30, 2003, RollingStreams Systems, Ltd., a Cayman Islands company ("RollingStreams"), became a wholly owned subsidiary of the Registrant in connection with the transfer by the holders of shares of common stock, par value \$0.0001 per share, of RollingStreams (the "RollingStreams Stock") in exchange for shares of the Registrant (the "Share Exchange"), pursuant to the Share Exchange Agreement, dated as of June 30, 2003 (the "Share Exchange Agreement"), by and among the Registrant, RollingStreams, and each of the shareholders of RollingStreams. At the time the Share Exchange was consummated (the "Effective Time"), among other actions, each issued and outstanding share of RollingStreams Stock was converted into .02549 (the "Exchange Ratio") of a share of Common Stock. Pursuant to the Share Exchange Agreement, the outstanding stock options granted under the RollingStreams Plan are no longer exercisable for shares of RollingStreams Stock but, instead, are exercisable for shares of Common Stock based on the Exchange Ratio (the "Assumed Options"), in accordance with the provisions of the Share Exchange Agreement.

In addition, pursuant to the Share Exchange Agreement, a holder of an Assumed Option will have the opportunity to receive Earnout Shares issued in payment of the Earnout Amount (as this term is defined in the Share Exchange Agreement) to securityholders of RollingStreams in connection with the Share Exchange. For each share of Common Stock subject to an Assumed Option, a holder of an Assumed Option will be entitled to receive the same number of Earnout Shares paid and issued with respect to each outstanding share of Common Stock under the Share Exchange Agreement, but only to the extent and at the time that

Edgar Filing: UTSTARCOM INC - Form S-8

the holder of the Assumed Option has exercised the Assumed Option and has received the underlying shares of Common Stock with respect to which he is entitled to receive Earnout Shares.

Item 5. Interests of Named Experts and Counsel.  
-----

Carmen Chang, a member of Shearman & Sterling LLP, is Assistant Secretary of the Registrant. Shearman & Sterling LLP is corporate counsel to the Registrant.

Item 6. Indemnification of Directors and Officers.  
-----

Under Section 145 of the Delaware General Corporation Law, the Registrant may indemnify any person who is, or is threatened to be made, a party to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative other than action by or on behalf of the Registrant, by reason of the fact that such person is or was one of its officers or directors, or is or was serving at the Registrant's request as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses including attorneys' fees, judgements, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the Registrant's best interests, and, for criminal proceedings, had no reasonable cause to believe his or her conduct was illegal. Under Delaware law, the Registrant may also indemnify officers and directors,

against the expenses which such officer or director actually and reasonably

## Edgar Filing: UTSTARCOM INC - Form S-8

incurred, in an action by or on behalf of the Registrant under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to us.

The Registrant's certificate of incorporation contains a provision to limit the personal liability of its directors for violations of their fiduciary duty. This provision eliminates each director's liability to the Registrant or its stockholders for monetary damages to the fullest extent permitted under Delaware law. The effect of this provision is to eliminate the personal liability of directors for monetary damages for actions involving a breach of their fiduciary duty of care, including any such actions involving gross negligence.

The Registrant's bylaws provide for indemnification of its officers and directors to the fullest extent permitted by law.

The Registrant has also entered into indemnification agreements with its directors and officers. The indemnification agreements provide indemnification to its directors and officers under certain circumstances for acts or omissions which may not be covered by directors' and officers' liability insurance. The Registrant has also obtained directors' and officers' liability insurance, which insures against liabilities that its directors and officers may incur in such capacities.

Item 7. Exemption from Registration Claimed.  
-----

Not applicable.

Item 8. Exhibits.  
-----

The Exhibits listed on the accompanying Index to Exhibits are filed as part hereof, or incorporated by reference into, this Registration Statement. (See Exhibit Index below).

Item 9. Undertakings.  
-----

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however that paragraphs a(1)(i) and a(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by

Edgar Filing: UTSTARCOM INC - Form S-8

reference in this Registration Statement.

II-2

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be an initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
