Item 1.01 Entry into a Material Definitive Agreement.

On June 17, 2016, Albemarle Corporation (the “Company”) entered into a definitive Share Purchase Agreement (the “Purchase Agreement”) with BASF SE (the “Purchaser”), pursuant to which the Company agreed to sell its Chemetall surface treatment business (the “Business”) to the Purchaser (the “Transaction”) through a sale of the equity interests in certain indirect wholly owned subsidiaries of the Company through which the Business is operated. The Purchase Agreement provides that the Purchaser will pay an aggregate consideration of approximately \$3.2 billion in cash to acquire the Business, subject to adjustment at closing for a reduction with respect to certain underfunded and unfunded pension liabilities and further adjustment for cash, working capital and indebtedness.

Pursuant to the Purchase Agreement, the parties have made customary representations and warranties and agreed to various customary covenants, including, among others, covenants to conduct the Business in the ordinary course between the execution of the Purchase Agreement and the consummation of the Transaction, as well as a covenant by the Company not to compete with the Business for a period of three years following the consummation of the Transaction, subject to certain exceptions. Pursuant to the Purchase Agreement, the Company has agreed to indemnify the Purchaser for, among other things, certain losses arising from certain pre-closing restructuring transactions and pre-closing environmental matters relating to disposed properties. The parties also agreed to certain mutual indemnification provisions for breaches or inaccuracies in the representations and warranties or covenants.

The consummation of the Transaction is subject to receipt of regulatory approvals and other customary closing conditions. The Transaction is expected to close in the fourth quarter of 2016. Either party will be permitted to terminate the Purchase Agreement if the Closing has not occurred by December 31, 2016.

There are no material relationships between the Company or its affiliates and the Purchaser, other than with respect to the transaction described herein.

Item 8.01 Other Events.

On June 17, 2016, the Company issued a press release announcing the Transaction. A copy of this press release is filed as Exhibit 99.1 to this report and is incorporated herein by reference.
