Item 2.01 Completion of Acquisition or Disposition of Assets

On November 10, 2008, the registrant and its wholly-owned subsidiary (collectively "PetroHunter") closed on the sale of an undivided 25% working interest in five wells, including the 40-acre tract surrounding each well, to Falcon Oil & Gas Ltd. ("Falcon"). PetroHunter also granted Falcon an option to Falcon to acquire an undivided 50% working interest in PetroHunter's Buckskin Mesa project, as more fully described in the news release which is filed as an exhibit to this report. As consideration for the working interest and option, Falcon will pay for all testing and completion costs related to the five wells, up to \$7 million.

Marc A. Bruner, the Chairman, CEO and President of Falcon, is the founder and largest shareholder of PetroHunter. Falcon advised PetroHunter and has announced that Mr. Bruner did not participate in the vote by the Falcon Board of Directors when the Falcon board voted to approve this transaction.
