Please read the relevant prospectus, which contains material terms of the securities and important risks that you should consider, before investing. Capital Protected Notes protects your principal invested only against any decline in the underlying market measure at maturity. They are not guaranteed or insured by the Federal Deposit Insurance Corporation (FDIC) or secured by collateral, nor are they obligations of or guaranteed by the UK government. All payments due on Capital Protected Notes remain subject to the credit risk of the issuer and its parent company.

Disclaimer

*If you are an individual investor and would like additional information about the current offerings above, please contact your broker-dealer or financial advisor. You should consult your financial and tax advisor to determine whether a structured product is suitable for you and your investment needs and objectives. You must make your own independent decisions regarding any securities or financial instruments mentioned herein. You should consider whether an investment strategy or the purchase or sale of any structured product is appropriate for you in the light of your particular investment needs, objectives, risk tolerance, and financial circumstances.
