On all matters considered at the Meeting, abstentions and broker non-votes will be treated as neither a vote "for" nor "against" the matter, although they will be counted in determining whether a quorum is present.

Proxies for use at the Meeting are being solicited by the Board of Directors of the Company. Only shareholders of record at the close of business on Monday, November 24, 2014 (the "Record Date") will be entitled to vote at the Meeting. Voting Restrictions under our Telecommunications Licenses

We provide our cellular services under a non-exclusive general license granted to us by the Ministry of Communications of the State of Israel. We also hold several other licenses for the provision of certain telecommunications services. According to our licenses, investors are prohibited from acquiring or transferring (alone or together with relatives or with other parties who collaborate on a regular basis) our Ordinary Shares, directly or indirectly (including by way of creating a pledge which if foreclosed, would result in the transfer of shares), in one transaction or a series of transactions, if such acquisition or transfer will result in a holding or transfer of 10% or more of any of our means of control, or from transferring any of our means of control if as a result of such transfer control over our Company will be transferred from one party to another, without the prior approval of the Ministry of Communications. Our specific licenses also require approval of the Minister of Communications before acquiring the ability to exercise significant influence over us. In this context, holding 25% or more of our means of control is presumed to confer significant influence. In addition, according to our licenses, if you hold more than 5% of our means of control, you may not (i) hold, directly or indirectly, more than 5% of the means of control in Bezeq – The Israeli Telecommunications Corporation Ltd., or Bezeq, which is the incumbent landline operator in Israel, or in another cellular operator in Israel (subject to certain exceptions), (ii) serve as an office holder of one of our competitors, other than in specific circumstances and subject to the approval of the Ministry of Communications, or (iii) be party to any arrangement whatsoever with Bezeq or another cellular operator that is intended or is likely to restrict or harm competition in Israel in the field of cellular services, cellular handsets or other services provided through the cellular network. For more details relating to these restrictions, please see “Item 4.B – Business Overview – Government Regulations—Our Principal License” and “Other Licenses” of our Annual Report for 2013 on Form 20-F, which was filed with the U.S. Securities and Exchange Commission (the “SEC”) on March 6, 2014, and our principal license, a convenience English translation of which is an exhibit to our Annual Reports. The holding and transfer restrictions under our licenses are posted on our website at www.cellcom.co.il under “Investor Relations – Corporate Governance – Company Profile - Legal & Corporate.”

As required under our license, our Articles of Association provide that any holdings of our Ordinary Shares that contravene the holding or transfer restrictions contained in our licenses will not entitle the holder thereof to voting rights. In addition, our licenses and our Articles of Association require that as a condition to voting by any shareholders, in person or by proxy, at any meeting of our shareholders, such shareholder must certify that his, her or its holdings of our Ordinary Shares do not contravene any of the restrictions contained in our licenses.

Since it is highly unlikely that any of the Company’s shareholders has lost the right to vote his, her or its Ordinary Shares pursuant to the Company’s licenses, and to avoid confusion, the enclosed form of proxy includes a certification that your holdings of our Ordinary Shares do not contravene any of the holding or transfer restrictions set forth in our licenses. If your holdings of Ordinary Shares do so contravene, then you are not entitled to vote such shares and you should not sign or send the form of proxy. If only a portion of your holdings of Ordinary Shares so contravenes, you may be entitled to vote the portion that does not contravene. In that case, please contact the Company's VP Legal at +972-52-998-9595 for instructions on how to vote your non-

contravening Ordinary Shares or, if you hold your shares in "street name", you may also contact the representative managing your account, who could then contact the Company on your behalf.

Share Ownership

Unless specified otherwise, the following table sets forth information regarding beneficial ownership of our shares as of November 12, 2014, by each person, or group of affiliated persons, known to us to be the beneficial owner of 5% or more of our outstanding shares.

In accordance with the rules of the SEC, beneficial ownership includes voting or investment power with respect to securities and includes any shares issuable pursuant to options that are exercisable within 60 days of November 12, 2014. Any shares issuable pursuant to options are deemed outstanding for computing the percentage of the person holding such options but are not outstanding for computing the percentage of any other person. The percentage of beneficial ownership for the following table is based on 100,570,745 ordinary shares outstanding as of November 12, 2014. To our knowledge, except as indicated in the footnotes to this table and pursuant to applicable community property laws, our major shareholders do not have different voting rights and the persons named in the table have sole voting and investment power with respect to all ordinary shares held by them.

The beneficial holdings of both Mr. Elsztain and Mr. Ben-Moshe in IDB Development are likely to increase as a result of the implementation of the provisions of the creditors' arrangement of IDB Holding Corporation Ltd. AGENDA OF THE 2014 ANNUAL GENERAL MEETING

Item 1 – Re-election of Directors

At the Meeting, the shareholders will be asked to re-elect each of Shlomo Waxe and Ephraim Kunda to our Board of Directors to serve until the next Annual General Meeting or their earlier resignation or removal from this office.

Mr. Shlomo Waxe and Mr. Efraim Kunda are "independent directors" under the Israeli Companies Law, 1999 (the "Companies Law"). Mr. Shlomo Waxe is currently serving his ninth year as a director. Mr. Waxe's current term of office will expire on the date of the Meeting. Our Audit Committee and our Board of Directors have recommended the re-election of Mr. Waxe as an independent director for an additional term until our next annual general meeting of shareholders due to Mr. Waxe's expertise and extensive and in-depth knowledge and familiarity with the communications field (both its technical and regulatory aspects), his business experience (as summarized below) and his knowledge of the Company. In light of Mr. Waxe's significant contributions to the Company over the past nine years, specifically with regards to major decisions made by the Company regarding its technological capabilities as well as the day-to-day technological aspects of our operation, the Audit Committee and Board of Directors believe that Mr. Waxe's continued service as a director is in the best interests of the Company.

Mr. Shlomo Waxe and Mr. Efraim Kunda are "independent directors" under the rules of the U.S. Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") applicable to audit committee members and under the rules of the New York Stock Exchange. These nominees have been approved by our Board of Directors.

Each of our external directors, Ronit Baytel and Joseph Barnea, were elected to our board of directors at our 2007 Annual General Meeting of Shareholders for an initial term of three years, which was extended for additional terms of three year each at both our 2010 Annual General Meeting of Shareholders and our 2013 Annual General Meeting of Shareholders. The current term of each will expire on May 8, 2016.

Our cellular license requires, and our Articles of Association provide, that at least 20% of our directors will be appointed and removed by shareholders who are Israeli citizens and Israeli residents from among our founding shareholders. If our Board of Directors is comprised of 14 directors or less, these Israeli shareholders will appoint two directors, and if our Board of Directors is comprised of between 15 and 24 directors, these Israeli shareholders will appoint three directors. Our Articles of Association provide that DIC, as our founding shareholder, is responsible for complying with the requirement under our cellular license that Israeli citizens and residents from among our founding shareholders hold at least 20% of our outstanding shares, and that so long as DIC so complies, it will be entitled to appoint and remove these directors. Accordingly, as its appointees to our Board of Directors, DIC has designated Ami Erel and Ari Bronshtein as of September 2014 and August 2012, respectively, and their appointment as our directors does not require approval of the shareholders at the Meeting.

A brief biography of each nominee is set forth below:

Shlomo Waxe has served as a member of our Board of Directors since 2006. Mr. Waxe has served as Director General of the Israel Association of Electronics and Software Industries since 2006. From 2002 to 2005, he worked in the field of communications management and consultancy. From 1999 to 2001, he served as Chief Executive Officer of Zeevi Communications Ltd. From 1997 to 1999, he served as a consultant to cellular communications projects in Sao Paulo, Brazil and in Northeast Brazil. From 1993 to 1997, he served as the Director General of Israel's Ministry of Communications. From 1990 to 1993, he served as commanding officer of the signal, electronics and computer corps of the Israel Defense Forces and he is a retired brigadier general. Mr. Waxe also serves as a member of the board of directors of C. Mer Industries Ltd. Until 2009 he served as a board

member of Shrem, Fudim – Technologies Ltd., and until May 2012 he served as a board member of Tambour Ltd. Mr. Waxe holds a B.A. in political science from the University of Haifa.

Ephraim Kunda has served as a member of our Board of Directors since 2010. Mr. Kunda is an Israeli businessman and is the owner and managing director of a private consulting company that provides economic consultancy and business mediation services. From 2007 to 2010, Mr. Kunda served as the Chairman of the board of directors and since 2010 as a member of the board of directors of Ravad Ltd., a public real estate investment company. From 2003 to 2007, Mr. Kunda served as an external director of Property and Building Corporation Ltd., a public real estate company that is a member of the IDB group. Mr. Kunda holds a B.A. in Economics from Tel Aviv University.
