Item 1.01. Entry into a Material Definitive Agreement.

Amalgamation Agreement

On January 25, 2015, PartnerRe Ltd. (“PartnerRe” or the “Company”), a Bermuda exempted company, entered into an Agreement and Plan of Amalgamation (the “Amalgamation Agreement”) with AXIS Capital Holdings Limited, a Bermuda exempted company (“AXIS”), pursuant to which PartnerRe will amalgamate with AXIS (the “Amalgamation”) and the combined company will continue as a Bermuda exempted company (the “Amalgamated Company”).

Pursuant to the terms of the Amalgamation Agreement, at the effective time of the Amalgamation (the “Effective Time”), each PartnerRe common share issued and outstanding immediately prior to the Effective Time shall automatically be cancelled and converted into the right to receive 2.18 (the “PartnerRe Exchange Ratio”) validly issued, fully paid and non-assessable common shares of the Amalgamated Company, par value \$0.0125 per share (each, an “Amalgamated Company Common Share”), together with any cash payable in lieu of fractional shares.

Each AXIS common share issued and outstanding immediately prior to the Effective Time shall automatically be cancelled and converted into the right to receive one Amalgamated Company Common Share (the “AXIS Exchange Ratio”), together with any cash payable in lieu of fractional shares.

At the Effective Time, (i) each outstanding PartnerRe share option will be treated in accordance with its terms and converted into an option to purchase, on the same terms and conditions as the PartnerRe share option, a number of Amalgamated Company Common Shares that is equal to the number of PartnerRe common shares subject to the PartnerRe share option multiplied by the PartnerRe Exchange Ratio, at an exercise price per Amalgamated Company Common Share equal to the exercise price per share of PartnerRe common share subject to the PartnerRe stock option divided by the PartnerRe Exchange Ratio; (ii) each outstanding PartnerRe share appreciation right will be treated in accordance with its terms and converted into a share appreciation right, on the same terms and conditions as such PartnerRe share appreciation right, for a number of Amalgamated Company Common Shares equal to the number of PartnerRe common shares subject to such PartnerRe share appreciation right multiplied by the PartnerRe Exchange Ratio, at an exercise price per Amalgamated Company Common Share equal to the exercise price per PartnerRe common share subject to such PartnerRe share appreciation right divided by the PartnerRe Exchange Ratio; and (iii) each other share-based award granted by PartnerRe which under its terms becomes fully vested and settled as of the Effective Time will vest and be settled in accordance with its terms (and any such performance share units will vest and settle as if the maximum performance were achieved) and each PartnerRe common share delivered in settlement thereof will be eligible to receive the consideration for a PartnerRe common share described above; and (iv) each other share-based award granted by PartnerRe which is not vested as of the Effective Time will be converted into an award, on the same terms and conditions as such PartnerRe share-based award, with respect to a number of Amalgamated Company Common Shares equal to the number of PartnerRe common shares underlying such PartnerRe share-based award multiplied by the PartnerRe Exchange Ratio.

At the Effective Time, (i) each outstanding AXIS share option will be converted into an option to purchase, on the same terms and conditions as such AXIS share option (including applicable vesting requirements), a number of Amalgamated Company Common Shares equal to the number of AXIS common shares subject to such AXIS share option multiplied by the AXIS Exchange Ratio, at an exercise price per Amalgamated Company Common Share equal to the exercise price per AXIS common share subject to such AXIS share option divided by the AXIS Exchange Ratio; (ii) each AXIS restricted share award will be converted into an award, on the same terms and conditions as such AXIS restricted share award (including applicable vesting requirements), with respect to a number of Amalgamated Company Common Shares equal to the number of AXIS common shares subject to such AXIS restricted share award multiplied by the AXIS Exchange Ratio; and (iii) each other share-based award granted by AXIS will be converted into an award, on the same terms and conditions as such AXIS share-based award (including applicable vesting

requirements), with respect to a number of Amalgamated Company Common Shares equal to the number of AXIS common shares underlying such AXIS share-based award multiplied by the AXIS

Exchange Ratio. Notwithstanding the foregoing, certain AXIS restricted share awards and other share-based awards granted in 2014 and 2015 may become fully vested as of the Effective Time.

The Amalgamation Agreement provides that each PartnerRe preferred share and each AXIS preferred share issued and outstanding at the Effective Time will remain outstanding as preferred shares of the Amalgamated Company and will be entitled to the same dividend and other relative rights, preferences, limitations and restrictions as are now provided by the respective certificate of designation, preferences and rights of such PartnerRe preferred shares or AXIS preferred shares, respectively.

The Amalgamation Agreement provides that, at the Effective Time: (i) the Chairman of the board of directors of PartnerRe, Jean-Paul Montupet, will be elected Chairman of the board of directors of the Amalgamated Company and (ii) the Chief Executive Officer of AXIS, Albert Benchimol, will be appointed as Chief Executive Officer of the Amalgamated Company. Additionally, the Amalgamation Agreement provides that a 75% majority of directors (excluding interested directors, employees and officers) will be required to remove the Chief Executive Officer or the Chairman of the board of directors of the Amalgamated Company from their respective roles during the first three years following the Effective Time.

The initial board of directors of the combined company will be comprised of 14 members, with seven directors designated by PartnerRe and seven directors designated by AXIS.

The respective boards of directors of PartnerRe and AXIS have unanimously approved the Amalgamation Agreement, and the board of directors of each of PartnerRe and AXIS has agreed to recommend that their respective shareholders adopt the Amalgamation Agreement.

The Amalgamation Agreement contains various customary representations, warranties and covenants of PartnerRe and AXIS, including, among others, covenants to conduct their respective businesses in the ordinary course and not to engage in certain kinds of transactions during the period between the execution of the Amalgamation Agreement and the completion of the Amalgamation. PartnerRe and AXIS have also agreed not to (i) solicit proposals relating to certain alternative transactions or (ii) subject to certain exceptions, enter into discussions or negotiations or provide non-public information in connection with any proposal for an alternative transaction.

Completion of the Amalgamation is subject to various conditions, including, among others: (i) requisite approval of the shareholders of PartnerRe and AXIS and (ii) receipt of various antitrust, insurance and other regulatory approvals.

The Amalgamation Agreement contains certain termination rights for both PartnerRe and AXIS, including if the Amalgamation is not completed on or before January 25, 2016 and if the approval of the shareholders of either PartnerRe or AXIS is not obtained. The Amalgamation Agreement also provides that, upon termination of the Amalgamation Agreement under certain circumstances, including termination of the Amalgamation Agreement by PartnerRe or AXIS as a result of an adverse change of recommendation of the other party's board of directors in certain circumstances, PartnerRe may be required to pay AXIS, or AXIS may be required to pay PartnerRe (as the case may be), a termination fee of \$250 million. Additionally, the Amalgamation Agreement provides that if PartnerRe's shareholders or AXIS' shareholders fail to approve the Amalgamation (such party whose shareholders fail to approve the Amalgamation, the "Non-approving Party") absent a change in recommendation of the respective board of directors, such Non-approving Party may be required to pay the other party a fee of \$55 million. If, however, an acquisition offer is publicly announced or disclosed with respect to the Non-approving Party before its shareholders' failure to approve the Amalgamation and such Non-approving Party enters into an acquisition agreement, a letter of intent or a similar arrangement or publicly announces such a transaction with a third party within 12 months after the termination of the Amalgamation Agreement, the Non-approving Party may be required to pay an additional \$195 million in fees

to the other party.

The foregoing summary of the Amalgamation Agreement is not a complete description of all of the parties' rights and obligations under the Amalgamation Agreement and is qualified in its entirety by reference to the Amalgamation Agreement, a copy of which is filed as Exhibit 2.1 hereto and the terms and conditions of which are incorporated herein by reference.

The Amalgamation Agreement and the foregoing summary of the Amalgamation Agreement have been included to provide investors and security holders with information regarding the terms of the Amalgamation

Agreement. They are not intended to provide any other factual information about PartnerRe, AXIS or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Amalgamation Agreement were made only for purposes of that agreement and as of specified dates; were made solely for the benefit of the parties to the Amalgamation Agreement; may be subject to limitations agreed upon by the parties to the Amalgamation Agreement, including being qualified by confidential disclosures made for purposes of allocating contractual risk between the parties instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of PartnerRe, AXIS or any of their respective subsidiaries, affiliates or businesses. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Amalgamation Agreement, which subsequent information may or may not be fully reflected in the public disclosures of PartnerRe or AXIS.
