ITEM 9. REGULATION FD DISCLOSURE.

Reliant Resources incorporates by reference into this Item 9 (i) the information in the Press Release under the caption Outlook for 2002 and (ii) slides 8 and 14 of the Slide Presentation. The information in Item 9 of this report is being furnished, not filed, pursuant to Regulation FD. Accordingly, the information in Item 9 of this report will not be incorporated by reference into any registration statement filed by Reliant Resources under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference. The furnishing of the information in this report is not intended to, and does not, constitute a determination or admission by Reliant Resources, that the information in this report is material or complete, or that investors should consider this information before making an investment decision with respect to any security of Reliant Resources or any of its affiliates.

Forward-looking Statements

Some of the statements in this report and the exhibits hereto are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Although Reliant Resources believes that the expectations and the underlying assumptions reflected in its forward-looking statements are reasonable, there can be no assurance that these expectations will prove to be correct. Forward-looking statements involve a number of risks and uncertainties, and

actual results may differ materially from the results discussed in the forward-looking statements. References in this Current Report to the terms we, us or other similar terms mean the Company.

In addition to the matters described in this report and the exhibits hereto, the following are some of the factors that could cause actual results to differ materially from those expressed or implied in Reliant Resources forward-looking statements:

- state, federal and international legislative and regulatory developments, including deregulation, re-regulation and restructuring of the electric utility industry, and changes in or application of environmental and other laws and regulations to which we are subject,

- the timing of the implementation of the business separation plan of Reliant Energy, Incorporated,
- the effects of competition, including the extent and timing of the entry of additional competitors in our markets,
- the degree to which we are able to successfully integrate the operations and assets of Orion Power Holdings into our Wholesale Energy segment,
- our pursuit of potential business strategies, including acquisitions or dispositions of assets or the development of additional power generation facilities,
- state, federal and other rate regulations in the United States and in foreign countries in which we operate or into which we might expand our operations,
- the timing and extent of changes in commodity prices and interest rates,
- weather variations and other natural phenomena,
- political, legal and economic conditions and developments in the United States and in foreign countries in which we operate or into which we might expand our operations, including the effects of fluctuations in foreign currency exchange rates,
- financial market conditions and the results of our financing efforts,
- the bankruptcy or other financial distress of our trading counterparties,
- actions by rating agencies with respect to us or our competitors,
- acts of terrorism or war,
- the availability and price of insurance,
- the reliability of the systems, procedures and other infrastructure necessary to operate our retail electric business, including the systems owned and operated by the Electric Reliability Council of Texas, Inc.,
- the performance of our projects undertaken and the success of our efforts to invest in and develop new opportunities,
- market conditions in deregulating power markets, including the extent to which the energy crisis in the state of California is resolved, and
- other factors we discuss in our other filings with the SEC.

The words anticipate, estimate, believe, continue, could, intend, may, plan, potential, predict, subjective, objective, projection, forecast, goal and other similar words are intended to identify Reliant Resources forward-looking statements.
