On December 31, 2002, Endo Pharmaceuticals Inc. ( Endo ), a subsidiary of the Registrant, entered into a Development and Marketing Strategic Alliance Agreement (the Agreement ) with SkyePharma, Inc. and SkyePharma Canada, Inc. (collectively, SkyePharma ), a copy of which is attached as Exhibit 10.43 to this Report and is incorporated herein by reference.

The Agreement relates to two of SkyePharma's patented development products, DEPOMORPHINE<sup>™</sup> and Propofol IDD-D<sup>™</sup> (collectively, the Products ). Under the terms of the Agreement, Endo will receive an exclusive license to the U.S. and Canadian marketing and distribution rights for the Products, with options for other development products. In return, SkyePharma will receive a \$25 million upfront payment. In addition, SkyePharma may receive further milestone payments totaling \$95 million which includes total milestones of \$10 million for DEPOMORPHINE through FDA approval. The milestone payments also include \$50 million for Propofol IDD-D, payable when the product successfully achieves certain regulatory milestones, including FDA approval. The total further comprises a \$15 million milestone payment receivable when net sales of DEPOMORPHINE reach \$125 million in a calendar year, and a \$20 million milestone payment when net sales of DEPOMORPHINE reach \$175 million in a calendar year. SkyePharma will also receive a share of each product's sales revenue that will increase from 20% initially, to a maximum of 60%, of net sales as the Products' combined sales achieve certain thresholds.

The Agreement provides for the parties to work together to complete the necessary clinical, regulatory and manufacturing work for North American regulatory approval of the Products. SkyePharma will be primarily responsible for clinical development up to final U.S. Food and Drug Administration (FDA) approval, and for the manufacture of the Products, including all associated costs. Upon approval, Endo will market each Product in the U.S. and Canada, with SkyePharma as the supplier. Endo will be responsible for funding and conducting any post-marketing studies and for all selling and marketing expenses.

Under the Agreement, Endo obtained options on other SkyePharma development products, including DEPOBUPIVACAINE , a long-acting, sustained release formulation of the local anesthetic bupivacaine. Endo has the option to obtain commercialization rights for this product when SkyePharma successfully completes its Phase II trials, as well as any further SkyePharma products formulated using the
