PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of ACMAT CORPORATION (sometimes referred to as "ACMAT", the "Company" or the "Corporation") for use at the Annual Meeting of Stockholders of the Company to be held on June 24, 2004, at 12:00 noon, at ACMAT's headquarters, 233 Main Street, New Britain, CT 06050, for the purposes set forth in the accompanying Notice of Annual Meeting. Any stockholder giving a proxy has the power to revoke it at any time prior to its exercise by giving written notice of its revocation to the Secretary of the Company, delivering a proxy bearing a later date or attending the Annual Meeting and voting in person.

Outstanding Shares and Voting Rights

On April 26, 2004, there were outstanding 545,329 shares of Common Stock and 1,772,977 shares of Class A Stock of the Company. Each share of Common Stock is entitled to one vote and each share of Class A Stock is entitled to 1/10 vote. Only stockholders of record at the close of business on April 26, 2004 will be entitled to vote at the Annual Meeting. These proxy materials will be mailed to stockholders on or about May 3, 2004.

Under Connecticut law, adoption of Proposal (1), the election of directors, requires a plurality of the votes cast by the holders of shares present in person or by proxy and voting at the meeting. Adoption of Proposal (2), ratification of the Company's independent auditor, and Proposal (3), the approval of the stock options grants to Officers and Directors, will each require the affirmative vote of a majority of the shares present in person or by proxy and voting at the meeting.

Votes withheld and "broker non-votes" will not be counted as votes cast for or against any of the Proposals, but the withheld and broker non-votes will be counted for purposes of determining whether a quorum is present at the meeting. If your shares are held by a broker or other nominee, your broker or nominee can vote on your behalf on Proposals 1 and 2, but the broker or other nominee requires your specific instructions on voting for Proposal 3, the approval of the stock options grants to Officers and Directors.

Security Ownership of Certain Beneficial Owners and Management:

The Board of Directors has determined that the Company is a "controlled company" under the rules of The NASDAQ Stock Market, Inc. based on the ownership by Henry W. Nozko, Jr. and Victoria C. Nozko of Common Stock and Class A Stock of the Company having approximately 75% of the total voting power of the Company's outstanding stock, as further described in a Schedule 13D jointly filed by them with the Securities and Exchange Commission on April 29, 2004. Therefore, the Company is exempt from certain Nasdaq rules including the requirement that a majority of the directors be independent. Currently, three of the six members of the Board of Directors qualify as "independent directors" for purposes of Nasdaq's Listing Standards.

As of April 26, 2004, no person was known to the Company to be the beneficial owner of more than five percent of its outstanding shares of Common Stock or Class A Stock except as set forth in the following table which also shows, as of that date, the total number of shares of each class of stock of the Company beneficially

Committees and Meetings

The Board of Directors of the Company held 5 meetings during 2003. The Company has two committees of its Board of Directors -- a Compensation Committee and an Audit Committee. During 2003 the Audit Committee held two meetings and the Compensation Committee held one meeting. The Audit Committee considers and reviews all matters arising in connection with external audit reports, auditors' management reports and related matters. The Board of Directors has determined that each member of the Audit Committee qualifies as an "independent director" for purposes of Nasdaq's Listing Standards and also has determined that Mr. Andrew M. Sullivan, Jr. is a "financial expert" as defined under rules of the Securities and Exchange Commission. The Compensation Committee reviews the compensation of all officers of the Company. The Company does not have a nominating committee.

THE BOARD NOMINATING PROCESS

The Company does not have a standing Nominating Committee. The Board of Directors, comprised of six members, serves in the capacity of a nominating committee due to the small size of the Board. The Board does not have a written charter for director nomination matters.

The Board of Directors identifies director nominees based primarily on recommendations from management, Board members and shareholders. Although no shareholder nominations were received by the Board in 2003, all candidates submitted by a shareholder or group of shareholder are reviewed and considered in the same manner as all other candidates. The Board seeks nominees that are independent and possess qualities such as personal and professional integrity, sound business judgment and financial expertise.

Shareholders recommending director nominees may submit the name and biographical information of any person to the Corporate Secretary at the address listed on page 1. The Corporate Secretary will pass such shareholder recommendations on to the Chairman of the Board for consideration. The shareholder will be informed of the status of his/her recommendation after it is considered by the Board of Directors.

The Board of Directors met on March 15, 2004 to consider nomination of directors. The Board reviewed attendance, performance and independence of these directors.

It is the Company's policy that directors are encouraged to attend the annual meeting of stockholders. Four directors attended the annual meeting in

Edgar Filing: ACMAT CORP - Form DEF 14A

2003.

COMMUNICATIONS WITH DIRECTORS

Any shareholder wishing to communicate with a director may do so by contacting the Company's Corporate Secretary, at the address and telephone number listed on Page 1, who will pass to the director a written, e-mail, or phone communication. The Corporate Secretary has been authorized by the Board to screen frivolous or unlawful communications or commercial advertisements.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company periodically grants stock options to key employees and non-employee Directors. The granting of these stock options is intended to advance the best interests of the Company by providing such personnel, who have substantial responsibility for its management and growth, with additional incentive by increasing their proprietary interest in the success of the Company.

All of the options were issued with an exercise price equal to their fair market value at the time of the grant. Neither the Company nor the Optionee realized taxable income for federal income tax purposes upon the grant of the Options because there was no readily ascertainable value for the Options on the grant date. However, upon the exercise of these options, the spread between the exercise price and the fair market value of the stock at the time of exercise will be taxable income to the Optionee for federal income tax purposes and, provided the Company complies with certain applicable withholding tax requirements, the Company will be entitled to a federal income tax deduction in the same amount.

The following table sets forth information regarding securities issued under the Company's equity compensation plans:

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors is composed of a non-employee director. The Committee makes recommendations to the Board of Directors as to policies which govern both annual compensation and stock ownership programs for the Chief Executive Officer and certain other executive officers. Each year, salaries are determined and awards are made, if warranted,

Edgar Filing: ACMAT CORP - Form DEF 14A

based upon the Company's performance.

The Committee annually evaluates the Company's performance, executive compensation and incentive programs compared with our industry and with a broader group of companies.

The Company's compensation programs are designed to reward executives for long-term strategic management and the enhancement of shareholder value, and are leveraged on the basis of performance in terms of both cash compensation and incentive plans, paying more with good performance and less when it is below standard. The Chief Executive Officer received a salary increase of 4% during 2003. No stock options were granted in 2003.

During 2004, the Compensation Committee will continue to carefully consider executive compensation in relation to the Company's performance compared to that of industry performance levels.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

In accordance with its current charter (set forth in Appendix A of this Proxy Statement), which was revised by the Board of Directors on December 17, 2003, the Audit Committee assists the Board in oversight of the quality and integrity of the accounting, auditing, and the financial reporting practices of ACMAT.

The Audit Committee consists of three independent members (as independence is defined by the rules of the Nasdaq Stock Market, Inc.). Mr. Andrew M. Sullivan is Chairman of the Audit Committee.

In performing its oversight functions, the Audit Committee reviewed and discussed the audited consolidated financial statements of ACMAT as of and for the year ended December 31, 2003 with management and ACMAT's independent accountants. The Audit Committee also discussed with ACMAT's independent auditors all matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and ACMAT that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed with the auditors any relationships that may have an impact on their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also considered whether the provision of information technology services and other non-audit services by KPMG LLP, ACMAT's principal independent accountants, to ACMAT is compatible with maintaining KPMG's independence.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that ACMAT's audited consolidated financial statements be included in ACMAT's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

As specified in the Audit Committee Charter, it is not the duty of the

Edgar Filing: ACMAT CORP - Form DEF 14A

Audit Committee to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles or to plan or conduct an audit in accordance with generally accepted auditing standards.

7

That is the responsibility of management and the Company's independent auditors, respectively. In giving its recommendation to the Board, the Audit Committee relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles, and (ii) the report of the Company's independent auditors with respect to such financial statements.

THE AUDIT COMMITTEE:

Andrew M. Sullivan Jr., Chairman

Notwithstanding approval by the shareholders, the Board of Directors reserves the right to replace the independent auditors at any time upon the recommendation of the Audit Committee of the Board of Directors.

APPENDIX A ACMAT CORPORATION

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS (ADOPTED AS OF JUNE 12, 2000, REVISED AS OF MARCH 15, 2004)

This charter (the "Charter") governs the operations of the audit committee (the "Committee") of the board of directors (the "Board") of ACMAT Corporation, a Connecticut corporation (the "Company").

I. PURPOSE

The primary function of the Committee is to provide assistance to the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to stockholders and filed with the Securities and Exchange Commission (the "SEC"); (ii) the system of internal accounting and financial controls that management has established; and (iii) the independent audit of the Company's financial statements.

The Committee will have the authority and perform the specific functions described below. It is the responsibility of the Committee, in performing its functions, to provide open avenues of communication among the Company's independent audit firm (the "Outside Auditors"), the Company's management and the Board. The Committee should have a clear understanding with the Outside Auditors that they must maintain an open relationship with the Committee, and that the ultimate accountability of the Outside Auditors is to the Committee and to the Board, as representatives of the Company's stockholders. The Committee shall also review and advise the Board with respect to the Company's risk management policies and tax policies.

II. COMPOSITION AND INDEPENDENCE OF THE COMMITTEE

The Committee shall be comprised of three or more directors as determined by the Board, each of whom shall: (a) satisfy the independence and experience requirements of the Nasdaq Stock Market, Inc. ("Nasdaq"), the listing standards of any other securities exchange or association on which the Company's securities are traded and the Securities Exchange Act of 1934 (the "Exchange Act"), and the rules and regulations of the SEC adopted thereunder, and (b) be free from any relationship which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

All members of the Committee must be able to read and understand fundamental financial statements at the time of their appointment to the Committee, and at least one member shall have accounting or related financial

Edgar Filing: ACMAT CORP - Form DEF 14A

management expertise which results in the member's financial sophistication. To the extent reasonably feasible, at least one member of the Committee shall qualify as an "audit committee financial expert" as defined by the SEC, as determined annually by the Board.

The members of the Committee and a Committee Chairman shall be designated annually by the Board. The determination of the "independence" of each Committee member and the designation of one or more Committee members as "audit committee financial experts", shall be made on an annual basis by the Board.

III. QUORUM AND MEETINGS; ORGANIZATION; ATTENDANCE

A quorum of the Committee shall be declared when a majority of the appointed members of the Committee are in attendance. Committee members shall strive to be present at all meetings. The Committee shall meet on a regular basis, but not less than two times annually and as many additional times as the Chairman or the Committee deems necessary, or at the request of the Outside Auditors. Notice of the meetings shall be provided at least five days in advance. The Committee shall meet in separate executive sessions with the Chief Financial Officer of the Company and the Outside Auditors (and may meet separately with the Outside Auditors if the Committee so chooses) at least once a year and at other times when considered appropriate. As necessary or desirable, the Committee Chairman may request that members of

management, outside legal counsel and the Outside Auditors be present at Committee meetings and provide information to the Committee.

The operations of the Committee shall be subject to the provisions of the Company's Certificate of Incorporation and Bylaws, as each shall be in effect from time to time. The Committee is authorized and empowered to adopt its own rules of procedure not inconsistent with (a) any provision of this Charter; (b) any provision of the Certificate of Incorporation or Bylaws or (c) Connecticut or any other applicable law.

IV. REPORTS

The Committee shall report to the Board from time to time with respect to its activities and its recommendations. When presenting any recommendation or advice to the Board, the Committee will provide such background and supporting information as may be necessary for the Board to make an informed decision. The Committee shall keep minutes of its meetings and will make such minutes available to the full Board for its review.

The Committee shall prepare and publish a Committee report for inclusion in the Company's annual proxy statement and provide any additional disclosures in the proxy statement or the Company's annual report on Form 10-K required to be made under SEC and Nasdaq rules and regulations.

V. COMMITTEE AUTHORITY AND FUNCTIONS

In assisting the Board in its oversight role, the Committee shall have full access to all books, records, facilities, and personnel of the Company and shall have the authority, to the extent it deems necessary or appropriate, to retain special legal, accounting or other consultants and approve their retention terms. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the Outside Auditors for the purpose of rendering or issuing an audit report or related work and to any outside advisors employed by the Committee.

In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing

Edgar Filing: ACMAT CORP - Form DEF 14A

conditions and to ensure to the Board and the Company's stockholders that the accounting and financial reporting practices of the Company are in accordance with all requirements and are of the highest quality. In carrying out these responsibilities, the Committee shall, to the extent it deems necessary and appropriate, perform the following functions:

- Oversight of Outside Auditors. The Committee shall have the sole authority and responsibility to select, evaluate and, where appropriate, replace the Outside Auditors. The Committee shall be directly responsible for approving the level of compensation to be paid to the Outside Auditors and the oversight of the work of the Outside Auditors (including resolution of disagreements between management and the Outside Auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Outside Auditors shall report directly to the Committee.
- Reviews of Outside Auditors. The Committee shall annually review and evaluate the qualifications and performance of the Outside Auditors' lead audit partner and audit team and assure regular rotation of the lead audit partner and reviewing partner as required by law. The Committee shall also review and approve the Company's hiring policies regarding employees and former employees of the Company's current and former Outside Auditors.
- Independence of Outside Auditors. On at least an annual basis, the Committee shall obtain from the Outside Auditors a written communication delineating all their relationships and professional services as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee and review the objectivity and independence of the Outside Auditors. In addition, the Committee shall review with the Outside Auditors the nature and scope of any disclosed relationships or professional services and take any appropriate action to ensure the continuing independence of the Outside Auditors.

2

- Approval of Non-Audit Services. The Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the Outside Auditors, subject to the de minimis exceptions for non-audit services described in the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the Committee at its next scheduled meeting.
- Plan of Audit. The Committee shall meet with the Outside Auditors and management of the Company to review the scope and general plan of the proposed audit and timely quarterly reviews for the current year and the procedures to be utilized during the course of the audit. The Committee shall determine whether any limitations have been placed on the scope or nature of the Outside Auditors' audit procedures and shall also inquire about the cooperation received by the Outside Auditors from Company personnel during their audit, including their access to all requested Company records, data and information. At the conclusion of the annual audit, the Committee shall review such audit, including any comments or recommendations of the Outside Auditors.
- Accounting Principles and Standards. The Committee shall review

Edgar Filing: ACMAT CORP - Form DEF 14A

significant developments regarding newly adopted accounting principles and standards applicable to the Company. The Committee shall review with management recommended changes in the Company's methods of accounting or preparation of the financial statements.

- Financial and Accounting Controls. The Committee shall review with the Outside Auditors and management the adequacy and effectiveness of the accounting and internal controls over financial reporting of the Company, and elicit any recommendations for the improvement of such internal controls or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. In connection with this function, the Committee may require the General Counsel to circulate a questionnaire to evaluate the Company's compliance with financial disclosure and accounting laws. The Committee shall also review and discuss with management and the Outside Auditors (a) the annual report to be prepared by management with respect to the Company's internal control over financial reporting and (b) the attestation report pertaining thereto to be delivered by the Outside Auditors. The Committee shall also obtain from the Outside Auditors periodic assurances that they are complying with all provisions of applicable law which require the Outside Auditors, if they detect or become aware of any illegal act, to assure that the Committee is adequately informed and to provide a report if they have reached specified conclusions with respect to such illegal acts.
- Quarterly Financial Statements. The Committee shall review and discuss the quarterly financial statements with management and the Outside Auditors prior to the filing of each quarterly report on Form 10-Q (and prior to the press release of results, if possible) to determine that the Outside Auditors do not take exception to the disclosure and content of the financial statements, and shall also discuss any other matters required to be communicated to the Committee by the Outside Auditors under generally accepted accounting standards. The Chair of the Committee may represent the entire Committee for purposes of this review.
- Annual Audit of the Financial Statements. The Committee shall review and discuss with management and the Outside Auditors the financial statements to be included in the Company's annual report on Form 10-K, and shall determine that the Outside Auditors are satisfied with the disclosure and content of the financial statements to be presented to the stockholders. The Committee shall also review and discuss with management and the Outside Auditors: (a) the Outside Auditors' judgment about the quality, not just the acceptability, of accounting principles and the clarity of the financial disclosure practices used or proposed to be used, and particularly, the degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates, and other significant decisions made in

preparing the financial statements; (b) any matters required to be communicated to the Committee by the Outside Auditors under generally accepted auditing standards, or (c) any other reports of the Outside Auditors required by law or professional auditing standards, including reports on: critical accounting policies and practices used in preparing the financial statements; alternative treatments of financial information discussed with management, ramifications of such alternative disclosures and treatments, and the treatment preferred by the Outside Auditors; and other significant written communications between the Outside Auditors and

Edgar Filing: ACMAT CORP - Form DEF 14A

Company management, such as any management letter issued or proposed to be issued, and a schedule of unadjusted differences, if any. Following the satisfactory completion of each year-end review, the Committee shall recommend to the Board the inclusion of the audited financial statements in the Company's filing on Form 10-K.

- Earnings Releases and Other Financial Disclosures. The Committee must be satisfied that adequate procedures are in place for the review of the Company's disclosures (whether in SEC filings, press releases or other published documents) of financial information derived or extracted from the Company's financial statements. The Committee shall consider whether the information contained in these documents is consistent with the information contained in the financial statements. The Committee shall discuss in advance with management the Company's practices with respect to the types of information to be disclosed and the types of presentations to be made in earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information (if any), and financial information and earnings guidance; and shall also discuss with management and the Outside Auditors the effect of off-balance sheet structures, if any.
- Officer Certifications. The Committee shall review disclosures, if any, made by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for the Company's periodic reports regarding: (a) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information; and (b) any fraud, whether or not material, that involves management or other employees who have a role in the Company's internal controls over financial reporting.
- Ethical Environment. The Committee shall consult with management on the establishment and maintenance of an environment that promotes ethical behavior, including the establishment, communication, and enforcement of codes of conduct to guard against dishonest, unethical, or illegal activities.
- Conflicts of Interest. The Committee shall review compliance with Company policies and procedures with respect to officers' and directors expense accounts and perquisites, including their use of corporate assets, and consider the results of any review of these areas by the internal auditor or the Outside Auditors. The Committee also shall review significant questionable or illegal payments. The Committee shall review and approve any "related-party" transactions (as defined in SEC regulations) involving the Company and officers, directors or shareholders beneficially owning more than 10% of any class of equity security of the Company.
- Adequacy of Personnel. The Committee shall review periodically the adequacy of the Company's accounting, financial, and auditing personnel resources. The Committee shall discuss with the Outside Auditors the quality of the Company's financial and accounting personnel and shall also elicit the comments of management regarding the responsiveness of the Outside Auditors to the Company's needs.
- Risk Management. The Committee shall review and evaluate risk management policies in light of the Company's business strategy, capital strength and overall risk tolerance. The Committee also shall evaluate on a periodic basis the Company's investment and derivatives risk management policies, including the internal system to review operational risks, procedures for derivatives investment and trading, and safeguards to

Edgar Filing: ACMAT CORP - Form DEF 14A

ensure compliance with procedures.

- Tax Policies. The Committee shall review periodically the Company's tax policies and any pending audits or assessments.

4

- Offerings of Securities. The Committee shall perform appropriate due diligence on behalf of the Board with respect to the Company's offerings of securities.
- Charter Reviews and Amendments. The Committee shall obtain the Board's approval of this Charter, shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval and shall publish the Charter as an appendix to the Company's proxy statement as required by applicable law.
- Annual Performance Review. The Committee shall annually review the Committee's own performance and present a report to the Board of the performance evaluation of the Committee.
- Other Authority. The Committee shall consider such other matters in relation to the financial affairs of the Company, and in relation to the external audit of the Company's financial statements as the Committee may, in its discretion, determine to be advisable, and shall perform any other functions (consistent with this Charter, the Company's Certificate of Incorporation, Bylaws, and governing laws) authorized for this Committee by the Board's Statement of Purpose and Responsibilities or otherwise by resolutions adopted by the Board.

VI. RECEIPT AND TREATMENT OF COMPLAINTS

The Committee shall establish and oversee procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, auditing, or other matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting, auditing, or other matters.

VII. LIMITATION OF COMMITTEE'S ROLE

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's Outside Auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. The Committee's responsibility is to oversee and review these processes. The members of the Committee are not, however, professionally engaged in the practice of accounting or auditing and do not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. Each member of the Committee shall be entitled to rely on information, opinions, reports or statements, including financial statement and other financial data prepared or presented by officers and employees of the Company, legal counsel, the Outside Auditors or other persons with professional or expert competence.
