ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under Section 83 of the Business Corporation Law of the State of Louisiana (the LBCL), a Louisiana corporation has the power, under specified circumstances, to indemnify its directors, officers, employees and agents in connection with threatened, pending or completed actions, suits or proceedings, whether civil, criminal, administrative or investigative, including any action by or in right of the corporation, brought against them by reason of the fact that they were or are such directors, officers, employees or agents, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in any such action, suit or proceeding. Article VI of the Company's amended and restated articles of incorporation (the articles of incorporation) provides that the Company shall indemnify its officers and directors to the fullest extent permitted by law. Article VI of the Company's bylaws (the bylaws) provides for indemnification of each person who is or was made a party to or was involved in any actual or threatened civil, criminal, administrative or investigative action, suit or proceeding because such person is, was or has agreed to become an officer or director of the Company or is a person who is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent of another corporation or of a partnership, joint venture, sole proprietorship, trust, or other enterprise (including service with respect to employee benefit plans) to the fullest extent permitted by the LBCL as it existed at the time the indemnification provisions of the articles of incorporation and bylaws were adopted or as the LBCL may be thereafter amended. Article VI of the bylaws expressly provides that it is not the exclusive method of indemnification.

The Company has entered into indemnification agreements with each of its directors, which provide for its directors and officers to be named as insureds under any directors' and officers' liability insurance policies maintained by the Company. The indemnification agreements also provide that the Company will indemnify each director against losses and expenses resulting from a claim or claims made against such director for any act, failure to act or neglect or breach of duty, including: (1) any error, misstatement or misleading statement committed, suffered, permitted or acquiesced in by the director, or (2) any of the foregoing alleged by any claimant, or any claim against the director or executive officer solely by reason of such person being a director or officer of the Company, subject to certain exclusions. The indemnification agreements also provide certain procedures regarding the right to indemnification and for the advancement of expenses. These provisions, however, do not alter the liability of officers and directors under federal securities laws and do not affect the right to sue, nor to recover monetary damages, under federal securities laws for violations thereof.

Article VI of the articles of incorporation and Article VI of the bylaws also provide that the Company may maintain insurance, at its own expense, to protect itself and any of its directors, officers, employees or agents or any person serving at the request of the Company as a director, officer, employee or agent or of another corporation, partnership, joint venture, trust or other enterprise, against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the LBCL.

Section 24 of the LBCL permits the limitation of directors' personal liability to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director except in certain situations including breach of a director's duty of loyalty or acts or omissions not made in good faith. Article VI of the articles of incorporation limits directors' personal liability to the extent permitted by Section 24 of the LBCL.

ITEM 9. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Table of Contents

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
