Item 1. Security and Issuer.

This Amendment No. 5 to Schedule 13D amends and supplements the statement on Schedule 13D originally filed by Rio Tinto plc (Rio Tinto) and Rio Tinto International Holdings Limited (RTIH) on November 3, 2006 and amended on September 12, 2007, October 26, 2007, January 7, 2008 and April 10, 2008 (as amended and supplemented, the Schedule 13D) with the Securities and Exchange Commission (the SEC), relating to the common shares, without par value (the Shares), of Ivanhoe Mines Ltd., a corporation continued under the laws of the Yukon Territory, Canada (the Company).

Item 3. Source and Amount of Funds or Other Consideration.

The section entitled Second Tranche Private Placement in Item 3 of the Schedule 13D is hereby amended and restated in its entirety as follows:

Second Tranche Private Placement

Pursuant to the Private Placement Agreement, RTIH agreed to subscribe for and purchase from the Company, and the Company agreed to issue and sell to RTIH, an additional 46,304,473 Shares (the Basic Second Tranche Private Placement Shares), representing, upon completion, an additional 9.95 per cent of the Company's outstanding Shares, at a price of \$8.38 per Basic Second Tranche Private Placement Share for an aggregate subscription price of \$388,031,483.74 in cash, at a closing that occurred on October 27, 2009 (the Second Closing Date). The closing of this Second Tranche Private Placement was made in accordance with the Private Placement Agreement, which provided that the closing would occur on the earlier of:

- (i) the 20th business day following the date, provided that such date is within three years of the First Closing Date (the Approved OT Investment Contract Date), that is the latest of (x) the date upon which the Company, or a subsidiary of the Company, enters into an investment agreement with the Government of Mongolia in respect of the Company's Oyu Tolgoi copper and gold mineral development project (the OT Project) in Mongolia's South Gobi region that is mutually acceptable to the Company and RTIH (an Approved OT Investment Contract), (y) the date upon which the Company's board of directors approves the Approved OT Investment Contract and (z) the date upon which RTIH notifies the Company that the Approved OT Investment Contract is acceptable; and
- (ii) the 10th business day following the date upon which RTIH gives notice to the Company of its election to complete the Second Tranche Private Placement in the absence of an Approved OT Investment Contract (provided that such notice is given at any time prior to the third anniversary of the First Closing Date), or such later date as RTIH and the Company may agree in writing.

On October 13, 2009, RTIH gave notice to the Company of its election to complete the Second Tranche Private Placement.

Table of Contents

Under the Private Placement Agreement, if, upon issuance, the Basic Second Tranche Private Placement Shares represented less than 9.95 per cent of the total number of Shares then issued and outstanding, RTIH also had the option (the Top Up Option), exercisable prior to the closing of the Second Tranche Private Placement, to purchase up to that number of additional Shares, if any (the Top Up Private Placement Shares) that, when aggregated with the Basic Second Tranche Private Placement Shares, represent upon issuance 9.95 per cent of the total number of Shares then issued and outstanding. The Top Up Option has expired because the Basic Second Tranche Private Placement Shares represented, upon completion of the Second Tranche Private Placement, 9.95 per cent of the total number of Shares then issued and outstanding.

Under the Private Placement Agreement, RTIH's obligation (but not its right) to complete the Second Tranche Private Placement would have terminated if the prior approval of the Company's shareholders for RTIH's right to exercise the Series A Warrants and the Series B Warrants (the Company Shareholder Approval Matter) was not obtained within 60 days of the First Closing Date. Approval by the Company's shareholders of the Company Shareholder Approval Matter was obtained on November 30, 2006, such date being within 60 days of the First Closing Date.

RTIH obtained the funds for the subscription price for the Basic Second Tranche Private Placement Shares from the working capital of Rio Tinto.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows.

The responses of Rio Tinto and RTIH to Rows (11) through (13) of the cover pages of this Schedule 13D and the information set forth in Item 3 are hereby incorporated by reference in this Item 5.

Pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired 37,089,883 Shares, representing upon completion 9.95 per cent of the Company's outstanding Shares, and on the Second Closing Date, RTIH acquired an additional 46,304,473 Shares. The Shares acquired were originally intended to produce an aggregate interest of 19.9 per cent of the Company's outstanding Shares but, as a result of Share issues under employee share plans, the aggregate interest has been diluted to 19.7 per cent of the Company's outstanding Shares. Pursuant to RTIH's anti-dilution rights under the Private Placement Agreement (as described in Item 4), RTIH also acquired on December 4, 2008 an additional 243,772 Shares and warrants which are exercisable to purchase an additional 1,440,406 Shares at a price of Cdn\$3.1465 per share.

Also pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired the Series A Warrants and the Series B Warrants which are exercisable to purchase an additional 92,053,044 Shares. On the Funding Date, RTIH acquired the Series C Warrants which, pursuant to the Funding Proportion,³ are currently exercisable to purchase an additional 35,000,000 Shares. As of October 27, 2009, the Loan Amount was convertible into a maximum of an additional 45,800,000 Shares at a price of \$10.00 per Share upon maturity.⁴

Therefore, each of Rio Tinto and RTIH is deemed to beneficially own 257,931,578 Shares which, assuming the exercise of all the Series A Warrants, Series B Warrants, Series C Warrants and Anti-Dilution Warrants and the conversion of the Loan Amount into a maximum of an additional 45,800,000 Shares, in addition to the 37,089,883 Shares acquired by RTIH on the First Closing Date and the 46,304,473 Shares acquired by RTIH on the Second Closing Date, would represent 43.1 per cent of the Company's outstanding Shares on a fully diluted basis.

³ As at October 30, 2009, the Funding Proportion is one, which is equal to the lesser of one and the result obtained by dividing (i) \$350 million,

the total
drawdown
under the
Facility, by (ii)
\$350 million

4 The Loan
Amount bears
interest at
LIBOR plus 3.5
per cent and
matures on
September 12,
2010. The
principal
amount of
\$350,000,000
and up to
\$108,000,000 in
interest
automatically
converts into a
maximum of
45.8 million
Shares at a price
of \$10.00 per
share upon
maturity. Based
on current
interest rates,
the amount may
approximate
\$410,000,000,
or
approximately
41,000,000
Shares, on
conversion.

Table of Contents
