Item 1.01 Entry into a Material Definitive Agreement.

On December 8, 2009, Calumet Specialty Products Partners, L.P. (Calumet) entered into an Underwriting Agreement (the Underwriting Agreement), filed herewith as Exhibit 1.1, with Goldman, Sach & Co. and Barclays Capital Inc. as representatives for themselves and Deutsche Bank Securities Inc. (collectively, the Underwriters), which provides for the issuance and sale by Calumet, and purchase by the Underwriters, of 3,000,000 common units representing limited partner interests in Calumet (the Common Units) at \$17.235 per Common Unit and a price to the public of \$18.00 per Common Unit. The Underwriters were also granted an option for a period of 30 days to purchase up to a maximum of 450,000 additional Common Units at the same price. The material terms of the offering of the Common Units are described in the prospectus supplement, dated December 8, 2009, as filed by Calumet with the Securities and Exchange Commission (the Commission). The offer and sale of the Common Units is registered with the Commission pursuant to a Registration Statement on Form S-3 (File No. 333-145657), and the closing with respect to the 3,000,000 Common Units is expected to occur on December 14, 2009.

Calumet intends to use the net proceeds from this offering, including the proportionate capital contribution from its general partner, of approximately \$52.2 million to repay borrowings estimated to be outstanding at the closing of the offering under its revolving credit facility, of which approximately \$30.0 million was borrowed, or is expected to be borrowed shortly after the closing of the offering, to finance Calumet s incremental working capital requirements related to its previously announced specialty products agreements with a subsidiary of LyondellBassell, which were effective November 4, 2009. The net proceeds from any exercise of the underwriters option to purchase additional Common Units will be used to either pay down additional borrowings outstanding under its revolving credit facility or for general partnership purposes.

Some of the Underwriters and their affiliates have performed investment and commercial banking and advisory services for Calumet and its affiliates from time to time for which they have received customary fees and expenses. The Underwriters and their affiliates may, from time to time, engage in transactions with and perform services for Calumet in the ordinary course of their business.

The Underwriting Agreement contains customary representations, warranties and agreements of Calumet and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions. The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.
