Item 1.01. Entry into a Material Definitive Agreement

On May 11, 2010, the Compensation Committee (the Committee) of the Board of Directors of Cardtronics, Inc. (the Company) approved the Company's 2010 Annual Executive Cash Incentive Plan (the Plan). The purpose of the Plan is to incentivize and reward covered employees, including all of the Company's executive officers, for achieving and/or exceeding certain Company earnings and other pre-established performance objectives.

Under the Plan, incentive cash awards to be paid to covered executives located in the United States (the Worldwide group) will be based on the Company's performance with respect to a consolidated Adjusted EBITDA target, as defined within the Plan, as well as the achievement of a consolidated return on invested capital (ROIC) target and a consolidated revenue target. Incentive cash awards to be paid to executives located in the United Kingdom (the UK Only group) will be based on that particular segment's performance with respect to Adjusted EBITDA, ROIC, and revenue targets, as defined in the Plan. Additionally, any incentive cash award to be paid under the Plan will require the achievement of specific pre-established objectives (MBOs) for each covered executive and may be modified by the level of achievement.

The following table outlines the 2010 performance targets for each group discussed above, and the relative weighting of each targeted performance metric, as applicable (*in thousands, except percentages*):

Group	Metric	Weighting	Threshold	Target	Maximum
Worldwide	Adjusted EBITDA	40%	\$ 110,000	\$ 120,000*	\$ 140,000
	ROIC	40%	17.1%	20.2%	26.4%
	Total Revenues	20%	\$ 527,534	\$ 538,300	\$ 559,832
UK Only	Adjusted EBITDA	45%	£ 11,903	£ 12,980	£ 15,147
	ROIC	45%	16.6%	20.9%	29.4%
	Total UK Revenues	10%	£ 60,459	£ 61,693	£ 64,161

* This target was set by the Company's Board of Directors on December 12, 2009.

The Plan is designed to pay cash awards relative to the Company's actual performance using the schedule shown below and is structured to reward the attainment of performance targets and to provide for substantially increased rewards when these performance targets are exceeded. Payouts will not be made unless the Company exceeds certain critical threshold levels.

Performance Level	Incentive Payout for Performance (% of Target)
Maximum	200%
Target	100%
Threshold	50%
Below Threshold	No Payout

Regardless of the Company's financial performance, the cash awards will be adjusted for the performance of each covered executive based on the attainment of his or her previously established MBOs. The MBO adjustment scale, as outlined in the Plan, is as follows:

MBO Rating	Performance	Percentage of Award Paid
10	All MBOs exceeded	120%
9	All MBOs attained; other exceptional achievements	110%
8	All MBOs attained	100%
7	Substantially all MBOs attained	90%
6	Most but not all MBOs attained	80%
5	MBOs partially attained	60%
4	Most MBOs missed	30%
3	Substantially all MBOs not attained	10%
1-2	All MBOs missed	0%

For the Company's Named Executive Officers (as such term is defined by the Securities and Exchange Commission), the 2010 targeted percentages are as follow:

Named Executive Officer	2010 Incentive Payout Target as a Percentage of Base Salary
Steven A. Rathgaber Chief Executive Officer	50%
J. Chris Brewster Chief Financial Officer	50%
Michael H. Clinard President of Global Services	50%
Rick Updyke President of Global Development	50%
Carleton K. Tres Thompson, III Chief Accounting Officer	40%

Although the parameters and metrics of the Plan are straight-forward and objective, nothing construed in the Plan constitutes a promise or other binding agreement by the Company to pay any award under the Plan to any member of the executive leadership team. Further, although the size of any such award shall be calculated in accordance with the Plan, the decision to pay any cash award under the Plan to any member of the executive leadership team remains within the discretion of the Committee and the Board of Directors.

The foregoing description of the Plan is qualified in its entirety by reference to the Plan, a copy of which is attached hereto as Exhibit 10.1, and incorporated herein by reference.
