# Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On March 28, 2011, the Personnel and Compensation Committee of Teledyne's Board of Directors approved the 2011 goals for the Annual Incentive Plan cash bonus awards to each of Teledyne's Named Executive Officers. AIP award opportunities are expressed as a percentage of a participant's base salary and are based on the achievement of pre-defined performance measures, with up to 200% of the target award eligible to be paid in the case of significant over-achievement. The majority of the award is based on Teledyne's achievement of certain financial performance goals, with a smaller portion tied to the achievement of pre-established individual goals. Generally, 40% of the awards are tied to the achievement of predetermined levels of operating profit, 25% to the achievement of predetermined levels of revenue, 15% to the achievement of specified individual performance objectives. These predetermined levels may vary by business unit. In addition, a discretionary adjustment of plus or minus 20% is allowed, although aggregate upward adjustments will not exceed 5%, unless otherwise determined by the Committee. AIP awards are generally made from a pool of up to 11% of operating profit, subject to modification by the Committee. No AIP bonus will be earned in any year unless operating profit is positive, after accruing for bonus payments, and operating profit is at least 75% of the operating plan, subject in each case to modification by the Committee.

For 2011, subject to the performance measures and discretion of the Committee, as noted above, the following Named Executives Officers are eligible for a target AIP cash bonus based on the following percentage of their annual base salary:

		2011 AIP Award Eligibility as a %
Name	Position	of Base Salary
