THE COMPANY

We provide long-term sale-leaseback and build-to-suit transactions for companies worldwide and manage a global investment portfolio. We invest primarily in commercial properties domestically and internationally that are each triple-net leased to single corporate tenants, which requires each tenant to pay substantially all of the costs associated with operating and maintaining the property. We also earn revenue as the advisor to publicly owned, non-listed real estate investment trusts, which are sponsored by us under the Corporate Property Associates brand name (the CPA® REITs) and that invest in similar properties. We are currently the advisor to the following CPA® REITs: Corporate Property Associates 15 Incorporated (CPA®:15), Corporate Property Associates 16 Global Incorporated (CPA®:16 Global) and Corporate Property Associates 17 Global Incorporated (CPA®:17 Global). We are currently fundraising for CPA®:17 Global.

We are also the advisor to Carey Watermark Investors Incorporated (CWI,) and together with the CPA® REITs, the REITs), which we formed in March 2008 for the purpose of acquiring interests in lodging and lodging-related properties. A registration statement to sell up to \$1.0 billion of common stock of CWI was declared effective by the SEC in September 2010. We are currently fundraising for CWI.

Most of our properties were either acquired as a result of our consolidation with certain affiliated Corporate Property Associates limited partnerships or subsequently acquired from other CPA® REIT programs in connection with the provision of liquidity to shareholders of those REITs, as further described below. Our principal focus on our owned real estate portfolio in recent years has been on enhancing the value of our existing properties. Under the advisory agreements with the REITs, we manage the REITs' portfolios of real estate investments, for which we earn asset-based management and performance revenue, and we structure and negotiate investments and debt placement transactions for them, for which we earn structuring revenue. We also receive a percentage of distributions of available cash from the operating partnerships of CPA®:16 Global, CPA®:17 Global and CWI. In addition, we earn incentive and disposition revenue and receive other compensation in connection with providing liquidity alternatives to shareholders of the REITs. The REITs also reimburse us for certain costs, primarily broker-dealer commissions paid on their behalf and marketing and personnel costs. As a result of electing to receive certain payments for services in shares, we also hold ownership interests in the REITs.

We were formed as a limited liability company under the laws of Delaware on July 15, 1996. We commenced operations on January 1, 1998 by combining the limited partnership interests of nine CPA® partnerships, at which time we listed on the NYSE. Our symbol on the NYSE is WPC. As a limited liability company, we are not subject to federal income taxation as long as we satisfy certain requirements relating to our operations and pass through any tax liabilities or benefits to our shareholders; however, certain of our subsidiaries are engaged in investment management operations and are subject to United States (U.S.) federal, state and local income taxes, and some of our subsidiaries may also be subject to foreign taxes.

Our principal executive offices are located at 50 Rockefeller Plaza, New York, NY 10020, and our telephone number is (212) 492-1100. At December 31, 2010, we employed 170 individuals through our wholly-owned subsidiaries. Our public website is www.wpcarey.com. On our website, investors can find press releases, financial filings and other information about us. The SEC website, www.sec.gov, also offers access to reports and documents we have electronically filed with or furnished to the SEC. These website addresses are not intended to function as hyperlinks, and the information contained on our website and in the SEC's website is not intended to be a part of this prospectus or any accompanying prospectus supplement.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves risks. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K, any subsequent Quarterly Reports on Form 10-Q or Current Report on Form 8-K we file after the date of this prospectus, and all other information contained or incorporated by reference into this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in the

Table of Contents

applicable prospectus supplement before acquiring any of such securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities. Please also refer to the section above entitled Forward Looking Statements.

USE OF PROCEEDS

We intend to use the net proceeds from the sale of the securities offered by us under this prospectus for general corporate purposes. When a particular series of securities is offered, the prospectus supplement relating thereto will set forth our intended use for the net proceeds we receive from the sale of the securities. Pending the application of the net proceeds, we may invest the proceeds in short-term, interest-bearing instruments or other investment-grade securities.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth information regarding our ratio of earnings to fixed charges for the periods shown. These computations include W. P. Carey and its consolidated subsidiaries. For these ratios, earnings is computed by adding income before income taxes and fixed charges (excluding capitalized interest), excluding our share of income/losses in equity method. Fixed charges consist of (i) interest expense, which includes amortized premiums, discounts and capitalized expenses related to indebtedness and (ii) a reasonable approximation of the interest factor deemed to be included in rental expense. Fixed charges exclude any interest related to unrecognized tax benefits, which is included in the provision for income taxes in our Consolidated Statements of Income.

	Three Months Ended March 31, 2011	2010	Year Ended December 31,			
			2009	2008	2007	2006
Ratio of earnings to fixed charges	6.45	6.31	7.82	5.90	6.41	8.73

For the periods indicated above, and as of the date of this prospectus, we have no outstanding Future Shares, as described below, with required dividend payments. Therefore, the ratios of earnings to combined fixed charges and Future Shares dividends are identical to the ratios presented in the tables above.

DESCRIPTIONS OF SECURITIES

The following is a summary of select provisions of our capital stock, as well as other certain provisions of our Amended and Restated Limited Liability Company Agreement, or LLC Agreement, and Amended and Restated Bylaws, or Bylaws. The descriptions set forth below are qualified in their entirety by reference to the relevant provisions of the LLC Agreement and Bylaws, copies of which have been filed as exhibits to the registration statement of which this prospectus forms a part.

Authorized and Issued Capital Stock

As of March 31, 2011, our authorized capital stock consisted of (i) 100,000,000 listed shares, no par value per share, which we refer to as Listed Shares, of which 39,614,250 were issued and outstanding, and (ii) one or more classes or series of future shares, which our board of directors has the sole authority to authorize and issue, which we refer to as Future Shares.

Listed Shares

Voting Rights. Holders of Listed Shares are entitled to one vote per share on all matters with respect to which the holders of Listed Shares are entitled to vote. The holders of Listed Shares do not have cumulative voting rights.

Dividend Rights. Subject to the right of Future Shares, if any, holders of Listed Shares are entitled to receive dividends if, as and when dividends are declared from time to time by our board of directors out of funds legally available for such purpose, after payment of dividends required to be paid on outstanding Future

Table of Contents

Shares, if any. Any decision to declare and pay dividends in the future will be made at the discretion of the board of directors and will depend on, among other things, results of operations, cash requirements, financial condition, contractual restrictions and factors that our board of directors may deem relevant.

Liquidation Rights. Upon liquidation, dissolution or winding up, the holders of Listed Shares will be entitled to receive ratably the assets available for distribution to the stockholders after payment of liabilities and accrued but unpaid dividends and liquidation preferences on any outstanding Future Share, if any.

Other Matters. The Listed Shares have no preemptive or conversion rights. The Listed Shares are fully paid and non-assessable.

Future Shares

Our LLC Agreement authorizes the board of directors to establish one or more class or series of Future Shares and to determine, with respect to any such class or series of Future Shares, the terms and rights of that class or series, including:

the designation of the class or series;

whether dividends, if any, will be paid to such class or series, the dividend rate and whether such dividends will be cumulative or non-cumulative; and

to fix the preference, conversion and other rights, voting powers, restrictions, limitations as to distributions, qualifications or terms or conditions of redemption of such class or series.

We believe that the ability of the board of directors to issue one or more classes or series of Future Shares will provide us with increased flexibility in structuring possible future financing and acquisitions and in meeting other needs which might arise. The additional classes or series of Future Shares, as well as the Listed Shares, will be available for issuance without further action by our Listed Share holders, unless such action is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed or traded. Although the board of directors currently does not contemplate doing so, it could issue a class or series of Future Shares that could, depending on the terms of such class or series, impede a merger, tender offer or other transaction that some or a majority of the Listed Share holders might believe to be in their best interests or in which they might receive a premium for their Listed Shares over the then-current market price.

Anti-Takeover Effects of Certain Provisions of Our LLC Agreement and Bylaws

Certain provisions of our LLC Agreement and Bylaws could make a change in our control more difficult by means of a tender offer, a proxy contest or otherwise. These provisions are intended to enhance the likelihood of continuity and stability in the composition of our board of directors and management and in the policies formulated by the board of directors and to discourage an unsolicited takeover, if the board of directors determines that such takeover is not in our best interests and our shareholders. However, these provisions could have the effect of discouraging certain attempts to acquire us or remove incumbent management, even if some or a majority of our shareholders deemed such an attempt to be in their best interests, including those attempts that might result in a premium over the then-current market price for the shares held by stockholders.

For more information on these provisions, see [Where You Can Find More Information; Information Incorporated by Reference](#).

Transfer Agent and Registrar

BNY Mellon is the transfer agent and registrar for our Listed Shares.

Listing

Our Listed Shares are listed on the NYSE under the symbol WPC.

Table of Contents

Authorized but Unissued Capital Stock

The listing requirements of the NYSE, which applies so long as our Listed Shares are listed on the NYSE, require stockholder approval of certain issuances equal to or exceeding 20% of the then-outstanding voting power or then outstanding number of Listed Shares. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

One of the effects of the existence of unissued and unreserved Listed Shares may be to enable our board of directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of the company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of management and possibly deprive the stockholders of opportunities to sell their Listed Shares at prices higher than prevailing market prices.

the benefit of the heirs executors and administrators of such a person.

advance all expenses incurred by officers and directors seeking to enforce their rights to advancement under the Indemnification Policy and may cover officers and directors under W. P. Carey's directors and officers liability insurance. Although the Indemnification Policy offers substantially the same scope of coverage afforded by provisions in W. P. Carey's organizational documents, it provides greater assurance to officers and directors that indemnification will be available, because it cannot be modified unilaterally in the future by the Board of Directors or by the shareholders to eliminate the rights that it provides with respect to existing facts.

W. P. Carey may, if the board of directors of W. P. Carey deems it appropriate in its sole discretion, obtain insurance for the benefit of W. P. Carey's directors and officers, or enter into indemnification agreements with such directors and officers, relating to the liability of such persons.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental

change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the

maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that:

(B) paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i)(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(6) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) If the securities being registered are offered to existing security holders pursuant to warrants or subscription rights and any securities not taken by security holders are to be reoffered to the public, each undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(j) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b) (2) of the Securities Act.
